BEAUTIFUL PICTURES.

The Family Herald and Weekly Star of Montreal, never send out any poor premium pictures with their paper. The pictures this year are exceptionally good. The one is the famous Hoffman's "Christ in the Temple," the other is entitled "Home from the War," a pleasing incident of the South African campaign. The first named, especially, is a wonderful study, and is perhaps the best ever issued by this firm. Both pictures go with The Weekly Star for a year, all for \$1.00. Order at THE LIBERAL office, and call and see the pictures.

We sell a splendid coffee for 20c. a lb., no better to be had elsewhere for 25c. Atkinson & Switzer.

UNIONVILLE.

There was a good attendance at the meeting of the Lutheran Joint Ladies' Aid Society, which was held at the home of Mrs. Wm. Pingle on Nov. 22. Rev. J. F. Bruch, President of the Society, resigned his office, on account of his leaving for another charge. Mrs. D. Quantz was elected President, and Mrs. Wm. Pingle, Vice-President. The members will hold their next regular meeting at the home of Mrs. Isaac Elliott on Dec. 13.

Best cooking figs, 4c. per lb.; best golden dates, 6 1/2c.; seeded raisins, 11c. package; we couldn't do better, and neither can you. Atkinson & Switzer.

STRUCK BY A TROLLEY.

Mr. Christopher Topper of Elgin Mills, had an accident a few evenings ago by coming in contact with an electric car, a short distance from his home. He had evidently been driving too near the track as the south bound car struck the wagon, making an almost total wreck of it. Mr. Topper was thrown out of the wagon, but fortunately escaped serious injury. Drivers of horses along Yonge Street should be ever vigilant of the cars, as they invariably come out second best when a collision takes place.

AT THE READING ROOM.

The Public Library Board have made a few changes of magazines and periodicals to be sent to the Reading Room. The list as revised contains three daily newspapers, six weekly county papers, the Delinquent, Munsey's Magazine, Scientific American, Toronto Saturday Night, Young Ladies' Journal, Ladies' Home Journal, The Quiver, Sunday at Home, Leisure Hour, Review of Reviews, Canadian Magazine, Harper's Magazine, Frank Leslie's popular Monthly, the comic paper Judge, Cosmopolitan, Metropolitan, McClure's Magazine, Pearson's Magazine, The Strand, Farmers' Advocate, etc. The Christmas Numbers include Illustrated London News, The Graphic, Puck, Saturday Night and Globe. Non-resident tickets, 50 cents, good to the end of next year.

ALIVE AND WELL.

Mrs. Annie Schell of this village has spent many an anxious day during the past year. Her son George left Richmond Hill on New Year's Night to go with the artillery, second contingent, to South Africa. The anxious mother afterwards learned through the newspapers that he was in the hospital at Quebec, suffering from tonsillitis. Although she wrote many letters and made enquiries from every person likely to give any information, she heard not a word from or about him until Monday last. On that day a letter came from George, written on the 18th of October, saying that he was well, and hoped soon to return from the war, as he was anxious to again test his mother's pie. He said he had written several letters before, but never received any news from home. Our citizens all rejoice with Mrs. Schell on hearing the news that her boy is alive and well.

CANADIAN POULTRY REVIEW.

We are informed that Mr. A. G. Gilbert, the manager of the great poultry department of the Government Agricultural Farm at Ottawa, has been engaged for the coming year to continue his department, "Practical Poultry," in that handsome magazine, the Canadian Poultry Review. Other departments in the paper are "Turkeys, Ducks and Geese," "Bantams," "Poultry Ailments," "Incubators and Brooders," and "With Uncle Sam." The editor says it will be bigger and better than ever, and as it is now in its 22nd year, we believe him. This journal is well illustrated, full of practical knowledge written by experts, and at the yearly subscription of 50c., is ridiculously cheap. Low as it is, however, readers of this paper can get it at a special rate of three years for \$1. A sample will be sent free by addressing Canadian Poultry Review, Toronto, Ont.; but the shortest and best way is to send \$1 for three years.

THE MOST FAMOUS PICTURE.

In the Dresden Gallery in Germany hangs the most valuable picture in the world (worth \$500,000), Raphael's "Sistine Madonna and Child." This great picture has, by permission, been specially copied and reproduced on heavy paper, size 22x30, in all the colors and beauty of the original, and is given with this year's Toronto Saturday Night's Christmas Number. "The Modern Madonna," admittedly the most beautiful picture ever made by photography, has also been reproduced, size 16x21, and is given as another premium with the most beautiful book ever issued in Canada, full of stories, poems and artistic illustrations, some of the pictures occupying full pages. A boy's picture, "An Impromptu Speech," is also in colors, and "Don't Cry Mamma," is the most touching picture of the home of a missing Canadian soldier yet produced. The whole sixty pages are original, bright, clean and typical of Canada, as also is the title cover, which depicts, in six colors, an Indian boy plucking feathers from a king turkey of the forest which he has slain. Order at once, for nothing as good has ever before been offered in Canada, and last year's Saturday Night's Christmas was sold out within three days of its publication. Price 50 cents, in tubes ready for mailing. At all newsdealers, or from the Sheppard Publishing Co., Limited, Toronto.
