Christmas Examinations.
The results of the exams. held at
the Richmond Hill High school during
the last two weeks are given below.
Several pupils stand low in the lists,
in certain cases because of absence
from part of examinations just held,
but these lists are a pretty fair index
of the present standing of the students.
The parents should keep this reference
until the next monthly list is printed.

BUILT BY LOVING HEARTS AND MAINTAINED BY CHARITY.

After a Brave Struggle with an Overwhelming
Debt the Hospital for Sick Children is Within
Sight of Freedom — Only \$19,000
Required to Free It.

Eight years ago the Hospital for
Sick Children, Toronto, was in a most
precarious financial position. Only a
few sanguine friends believed that the
huge debt of over \$100,000 would ever
be lifted from it. A prominent Mont-
real financier, when asked to loan
money and hold as security on mort-
gage the hospital, enquired as to the
suitability of the building for "factory
purposes." Perhaps it was his re-
marks as much as anything else that
helped the brave ones who stood by
the hospital. The very idea of such

Hospital in a generous manner. Many
splendid gifts are received from
friends outside Toronto.
It costs over \$30,000 each year to
maintain the Hospital. About \$100 a
day is needed to buy food, medicine,
surgical appliances and nursing for
this army of little ones—146 patients
being in the cots at the end of this
fiscal year.
An appeal is being made by the Hos-
pital Trustees this year for \$19,000—
the sum required to entirely free the
Hospital of its debt. They issue the

a possibility stirred the hearts and
spurred the efforts of those to whom
the Hospital work had become dear.
Taking the responsibility of the load
upon their own shoulders the trustees
of the Sick Children's Hospital ap-
pealed to the generous hearts of a
rich province—Ontario.

Here is a Hospital—they told it
through the newspapers—which
throws open its doors in answer to the
cry of any sick child, a Hospital that
has nursed and cured thousands of
helpless and crippled children; a Hos-
pital equipped as is no other institu-
tion of its kind in the world. Shall a
charity so sweet and deserving be
forced to close its doors by a mort-
gagee who thinks it might do for a
mill?

That was eight years ago. Not be-
fore nor since has a single sick child
been refused admission to the Hos-
pital. A staff of doctors and a corps of
trained nurses are there during the
day and the long watches of the night—
tenderly and skillfully caring for the
little ones given into their care by fond,
anxious parents. Little children are
brought to the Hospital from the far-
thest points of the province. Every town
and township has been represented
during the past quarter century. The
fame of its great healing power has
been told in many a humble home—
for during twenty-five years 40,000 sick
children have been taken care of.
Some of the little ones treated in those
early days are strong, healthy men and
women to day.

THREE GIRL PATIENTS—(From a Photo.)
little ones specially confided to our
care.

Last year the Hospital roll num-
bered 5,773 patients. Some spent days
and weeks in the cots at the Hospital.
Others came for a few days, while
many were brought to the doors of the
Hospital in the arms of their mothers
and received such medicine and advice
as to speedily effect a cure in their
own homes.

More than 10,000 donors contributed
to the maintenance and reduction of
the Hospital debt last year.
Nearly half of these donations were
single dollars. Mr. Robertson says the
trustees like to have the greater num-
ber of individual friends—that they
would prefer ten five-dollar bills to one
fifty dollar gift.
Mr. J. Ross Robertson, chairman of the
Hospital Trust, Toronto, publishes a
list of the donations received during the
Christmas month in his paper, The
Evening Telegram, and copies of the
paper are sent to all donors.
Donations may be sent to Mr. Rob-
ertson, or to Douglas Davidson, Secre-
tary-Treasurer, Hospital for Sick Chil-
dren, Toronto.

More than one-third of the little chil-
dren admitted to the Hospital wards
came from places outside the city. The
people in the province have helped the
