

THE PAARDEBERG GATE.

Memories of the British Columbians Who Died for the Flag in South Africa.

The citizens of Victoria, B.C. have decided upon the form of their memorial to the brave British Columbians who gave their lives for the Empire in South Africa.

The project is to erect on the waterfront of Belleville street, opposite the main entrance of the government buildings, a public water gate or approach from the harbour to be known as the "Paardeberg Gate."

This structure will comprise landing steps about 100 feet long, leading to a platform about 20 feet wide; from thence the level of the roadway is reached by two broad flights with balustrades. The centre of this platform is to be occupied by a bronze bas-relief about 6 feet by 3 feet 6 inches, representing the incident of the death of Sergeant Scott at Paardeberg while leading his comrades to the attack of the Boer positions. This bas-relief set in the wall, fronting the harbour, within pilasters and under a pediment surmounted by the word Paardeberg will afford the central motive to the construction.

The piers at the lower end of the stairs will be surmounted by lions supporting the arms of the city, those of the upper end by ornamental light standards.

This plan provides a large amount of masonry work with a very small portion of actual sculpture or bronze casting; yet the prominence given to this later feature at the head of converging steps and fronting the harbour will give great dignity and point to the event commemorated. It is

Dodd's Kidney Pills Cures Stay Cured—The Case of Mr. Gilchrist, of Port Hope, Proves This

Port Hope, Ont., Feb. 18. (Special).—Away back in 1856, Mr. Chas. Gilchrist, Ex-Chief Constable of this town, was suffering with Diabetes. He was in very bad shape, and never expected to be well again. He was cured by Dodd's Kidney Pills in March of that year (1856), but some thought that the disease would return. Five years have elapsed, and Mr. Gilchrist is still enjoying good health.

On April 24, 1856, he wrote:—"I have been a sufferer for ten years with Diabetes and Kidney disorders. My urine was of a dark, bricky color, and the pain while passing was something awful. I have been treated by the doctors, and have used almost every medicine advertised, but could get no relief. Lately I have been very bad. The pain in my back was dreadful. I could not sit in a chair without having a cushion at the small of my back. I heard of Dodd's Kidney Pills, and decided to try once more for a cure. They cured me completely, and I can heartily recommend them to anyone."

On July 2, 1900, he writes:—"I am very well, and have been so since the spring of '96. My urine is a natural healthy color. There is no pain in my back. I am sure I would have been in my grave now, but for Dodd's Kidney Pills. They certainly saved my life. There is no medicine like them," and to this letter he adds "all that I say about Dodd's Kidney Pills is the truth. If they were not good, I would not say they were good. The citizens of Port Hope all know me, and can vouch for every word I have written."

Some medicines only relieve. Dodd's Kidney Pills cure, to stay cured. If you want a satisfactory, permanent, and sure cure for Kidney Complaint, use the only remedy with an unbroken record of success in every case, and not a single failure—Dodd's Kidney Pills.

also proposed to acquire, if possible, a captured Boer cannon which will then occupy an upper platform above the bronze to be approached from Belleville street by three or four broad steps.

The work is to be executed in granite at a cost, including the bronze, estimated at about \$15,000. It is thought that an additional \$10,000 would enable the carrying of the flanking walls on each side as far as the bridge and the foot of Menzies street.

RUSSIA'S BIG RIVER.

Government Statistics Give Some Interesting Details of Its Traffic.

garding the immense amount of traffic carried on Russia's great inland river, the Volga.

Everywhere up the Volga and its hundred tributaries ascend the iron barges of the Caspian Sea oil fleet, while through the canals to St. Petersburg alone pass annually, during the 215 days of free navigation, thousands of steamers and barges bearing millions of tons of freight. Every known means of locomotion is used, from men, who, like oxen, tramp the tow paths, hauling the smaller barges, to powerful tugs that creep along by means of an endless chain laid in the beds of the canals and minor rivers, dragging after them at snail pace great caravans of heavy barges. From the greater streams immense craft nearly 400 feet long, 15 feet in depth, carrying 6,000 tons of freight, drift down the Caspian, where they are broken to pieces to be used as firewood on the steamers going up stream.

15,000 MILES OF RIVER.

In all there are 8,000 miles of navigable waterways in the valley of Volga, or, if the streams which float the giant rafts from so large a part of the traffic of the rivers are included, the mileage is increased to nearly 15,000, or as much as that of the valley of the Mississippi.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

The basis of the entire System is a flesh building, nerve and tissue-renewing food.

Every invalid and sick person needs strength. This food gives it.

The third preparation is an antiseptic Balm or Jelly. It cures catarrh. It helps all irritation of the nose, throat and mucous membranes. It gives immediate relief.

Thousands of our readers need the Oxo-Jell Cure for Catarrh without any of the other articles.
