FINANCIAL MUDDLE.

Judy and I got into a terrible tangle shopping to-day.

How?
I owed her 10 cents, and borrowed 5 cents and then 50 cents.

Well!
Then I paid 30 cents for something she bought—

Yes.
And she paid forty cents for something I bought, and then we treated each other to ice cream soda.

Well.
She says I still owe her five cents.

Great Britain spends £123,863 a year on the British Museum. The salary of the principal librarian is £1,500.

SMALL SAVINGS.

Pound coffee tins make good receptacles for soap grease. When the can is full, clarify and put on the tight tin cover, then the grease can be put in the cellar safe from mice until five or six pounds are ready to make into soap.

Wash the paper labels from the tins, dry and with a child's paint brush and a six-cent tube of black paint, mark the cans for soda, tapioca, raisins, currants and many groceries often put upon the shelves in paper bags if one has not glass cans to spare. These tin cans are dust proof and the contents can be told at a glance while the row of shining cans with lettered sides is orderly.

Baking powder cans make excellent moulds for brown bread and puddings. If the covers of these cans are perforated, they make good flour or meal dredgers. Drive a small wire nail through the cover from the upper side in regular rows.

Small baking powder cans the half pound size, are just right to mark for spices.

When the double windows are taken off, put the screws in a can and mark it, then and there will be less searching next fall for one or two more screws.

A window screen is often needed long before it is time to have the screen doors put up. Especially in bedrooms to keep the muslin curtains from blowing outdoors in spring gales to sweep the window ledge and outside wall, and it is a satisfaction to have a screen in good order to put in each room when it is cleaned.

THE BRIGHT SIDE.

Mercy! implored the farmer, falling upon his knees.

The man lowered as to his brows. Mercy! exclaimed he, austerely. Be thankful that I am merely selling you a lightning rod and not taking your wife's order for portraits of all the family enlarged in crayon!

At this just rebuke the farmer dried his tears and cheerfully signed the note and mortgage.

INVALID DISHES.

A pleasant and nourishing dish for a sick person with a weak stomach, is an egg well beaten with 3 table-spoons rich, sweet milk, a very little sugar, and a little grated nutmeg, or other flavor, if preferred. Set the bowl or cup into a basin of hot water, stirring the egg continually, until it is warm, pour into a dainty glass, and let the patient eat it slowly with a spoon. This makes an agreeable change from soups, broths, etc., and is very strengthening.

Break a fresh egg into a small cup, or basin, beat thoroughly, add 2 table-spoons milk and a tiny piece of butter, with salt and pepper to taste. Bake quickly in a hot oven and serve immediately. This is much more easily digested than poached or boiled eggs.

Broiled eggs in paper cases is an attractive dish. Take confectioner's paper about six inches square, make a small box by turning up an inch and a half all round and twisting the corners to make them stay, place the little paper pan on a moderately warm stove, over a slow fire, break an egg into the pan and let it stand until the white cooks through. Slip pan and all on to a warm plate, sprinkle slightly with salt and pepper, add a little melted butter, and serve with a dainty cracker or a small bit of toast. This will tempt a capricious appetite often when an egg prepared in the ordinary way would be rejected.

A Strong Man on His Back Through Kidney Trouble.

A Toronto Contractor who was Never Without Pain for Years, and who had Many Times to Quit Work—Dodd's Kidney Pills made him Well.

Toronto, Ont., April 15.—Special.—At No. 86 Lippincott street, in this city, resides Mr. W. J. Keane. Mr. Keane is a contractor and is one of the best known men in his line of business in Toronto.

Like many other successful men, Mr. Keane has suffered during his busy life a great deal, from Kidney Disorders. For years he suffered great pain. He was forced at times to quit his work altogether and go to bed. He used Dodd's Kidney Pills, and is well. This is what he says about it:—

"It gives me great pleasure to write in praise of Dodd's Kidney Pills, and the good they have done me. I am never without them.

"I have been a great sufferer with pains in my back in the region of my kidneys. I was very sick, and at times could not attend to my work at all.

"I used several medicines, but nothing I ever tried seemed to help me in the least, until a friend of mine advised me to try Dodd's Kidney Pills. I immediately found relief and was able to resume my work.

"I used altogether seven boxes before being completely cured. Since then I have never been sick a day. I have never had the slightest indication of a return of the trouble."

It is hard to understand how anyone will continue to suffer from Lame Back or any other symptom of Kidney Trouble after so many frank and full statements by men well known in all walks of life, that Dodd's Kidney Pills have cured them.

Dodd's Kidney Pills always cure. They never fail. They cannot fail. Years of trial have absolutely proven that there is no case of Kidney Complaint, Lame Back, Rheumatism, Lumbago, Sciatica, Gout, Neuralgia, Bladder or Urinary Troubles, that Dodd's Kidney Pills will not cure.

Dodd's Kidney Pills are the only medicine that ever cured Bright's Disease, Diabetes or Dropsy.

Thousands of Canadians have tried, and proved and testified.
