### WATCH LOST.

A Lady's Gold Watch was lost on Sunday evening last on Yonge Street between Mr. John Palmer's residence and the northern limits of the corporation. The finder will be rewarded by leaving the same at THE LIBERAL Office.

### WINNERS AGAIN.

Mr. Milton Stong of Willowdale, was again a winner at the Fair on the 24th with his two standard breds by Altooner. Dick Fyie won first among roadster stallions, and Minnie Ada got first place in the two-year-old gelding or filly class. Neither of the above has ever been beaten in a show ring.

### AT DOLLAR.

The friends of the Methodist church at Dollar are arranging for a big time on June 15th. Several Football teams are expected to compete for a prize. The Thornhill Brass Band and other attractions and such an excellent tea as the friends of the neighborhood can furnish will be among some of the attractions of this occasion.

### A SUMMER TERM.

The Central Business College, Toronto, with its characteristic energy, has arranged to conduct a special summer term during July and August in behalf of Public School teachers and others whose usual vocation enables them to take advantage of such an excellent opportunity to combine profit with pleasure during these holiday months. See card in this issue.

### TRENCH'S RIGS.

Seldom do people see such a fine display of buggies and wagons from one firm as was at the Fair from Trench's Carriage Works on Friday. The exhibit comprised a mikado with canopy top, for pony; 8 standard covered buggies, corning body or piano box; a road wagon finished in the natural wood; a road cart, a concord road wagon, a platform spring wagon and a lumber wagon.

### BASEBALL MATCH.

The Maple baseball team came out Tuesday evening to play the "return" match with the High School team, but after half an hour's play it had to be "called off." Maple had made 7 runs in two innings, and the home team 9 runs in one inning with one man out in the second inning when play stopped. Mr. C. H. Ellston umpired the game. While catching behind the bat Mr. Montgomery of Maple unfortunately got his hand split between two fingers.

Follow us and you follow fashion—see the latest in gents' linen collars, Duke of York bows, and fine shirts. Atkinson and Switzer.

### FOUR FINE TEAMS.

Had it not been for the rain on Victoria Day there would likely have been a larger and better show of horses at the Fair than ever before. Mr. Geo. Gormley of Unionville, brought out four heavy draught teams, but he decided not to show them. It is doubtful if the four teams could be beaten from any other stable in the province. The pairs were: Kitty Tyrrell and Meadow Lark; Maid of the Mist and Rosebud; Belle of Unionville and Rose of Burdennette; Queen of the West and May Grey.

### THE CONCERT.

There have been far larger audiences at previous concerts in the Agricultural Hall on the 24th of May, but it is safe to say that a better programme was never presented in that building than was given on Friday evening last. Every artist as previously advertised was on hand, and each performed his and her part with credit and ability. Mr. J. T. Saigeon of Maple, made an excellent chairman, and the order throughout, was all that could be desired. Miss Mabel Tait proved herself an accomplished pianist, and played the accompaniments with skill and good judgment. Miss Tressa Flanagan was in fine voice, and her songs were well received. Miss Ada Cosgrove is always a favorite, and she never gave better satisfaction here than she did Friday evening in her serio-comic and vaudeville selections. The two comic singers, Messrs. Harvey Lloyd and Harry Fay, were in good form, and they experienced no difficulty in holding the attention of their hearers. Their songs were good, principally new, and many of their jokes were extremely funny. And lastly let us refer to the part of the entertainment rendered by Miss Marietta LaDell. She was gorgeously costumed, she gave every selection with grace and dignity, and in her portrayal of the simplicity of childhood she showed more than ordinary ability. Some of her impersonations were very rich, and she succeeded admirably in keeping her audience interested, and in the best of humor. Every performer during the evening was loudly encored, and all showed their appreciation by responding. The concert committee are to be congratulated on securing such excellent talent for the entertainment.

If you don't want to buy, don't. But look. Best dates, 6c. lb.; best selected raisins, 10c.; best Japan rice, 6c.; Swiss food, 14c.; Farinosa, 14c.; grape nuts, 15c. Atkinson & Switzer.

St. Mary's (R. C.) church was well filled yesterday morning at 9 o'clock when the pastor, Rev. Father McMahon, solemnized the marriage of Mr. Geo. Kaiser of King and Miss Annie Cosgrove of Bond's Lake. The bride was attended by Miss Gertrude Lynett and Mr. Wm. Cosgrove supported the groom. After the ceremony was concluded the young couple left the church accompanied by the best wishes of many friends for their future happiness. They will reside on Mr. Kaiser's farm a short distance north of Temperanceville.

### IN HIS 42ND YEAR.

Although our late esteemed fellow citizen, Mr. W. J. Clark, had been in failing health for a long time his death last Sunday came as a shock to many friends and acquaintances. During his residence here deceased made many warm friends, and his early death is much to be regretted. The funeral yesterday afternoon was largely attended, many being present from a distance. After the burial a memorial sermon was preached by the Rev. J. A. Grant. The sorrowing widow and two daughters have the profoundest sympathy in the loss of a kind and loving husband and father.

M. TEEFY, Clerk.

### Lacrosse Notes.

The first lacrosse practice of the season was held Monday night when an unusually large number were out in the new colors of the club.

The Lacrosse club intend to play in two leagues this year, viz: the Toronto Lacrosse League and the Intermediate C. L. A. The latter consists of Toronto, Tecumseh, Markham, Brampton and Richmond Hill.

Considerable difficulty is being experienced in securing a schedule of the C. L. A. as Brampton and Markham object to Richmond Hill being admitted to Dist. No. 7. Are those teams fearful of being downed by the husky players from this town? This matter will be remedied however as the secretary has appealed to the President of the C. L. A.

Preparations are in progress by the club for a Gala Day on July 1st when a series of athletic sports and games will be put on in connection with the Championship Lacrosse match with the Orioles of Toronto.

Membership tickets admitting to all matches can be secured from the Secretary for the small sum of one dollar.
