It is printed in yellow shaded with green, and presents a very handsome appearance. Upwards of \$35,000 will be distributed in premiums, and \$30,000 will be spent in features and special attractions. The live stock classes have been rearranged in some instances and the premiums increased in others. A class for French Canadian cattle has been added. TORONTO FRESH AIR FUND.

The Toronto fresh air fund has entered upon its eighth year's work, and has for its object the sending away to the country for two weeks, mothers and children who are badly in need of a change. Good homes have been provided, many of them on farms, where they get substantial food and are well cared for. These children and parents and children are selected by the best known mission workers in Toronto, who are well acquainted with every case that is dealt with. For the mothers and babes who are unable to leave home, day excursions are arranged, and about one hundred at a time are taken to one of the parks on the lake shore, and before leaving for home refreshments are served to them. The pleasure and the profit that is the outcome of this work is inestimable. Thinking that some of our readers might like to help their poorer brethren, we will receive subscriptions and acknowledge receipt, and forward it to the treasurer in Toronto, or they may send it direct to the Rev. H. C. Dixon, Room 6, 15 Toronto St., Toronto.

CHURCH PICNIC.

The Sunday School and congregational picnic held by Trinity Church, Thornhill, and St. Mary's Church, Richmond Hill, on Saturday, was a decided success. The weather was very threatening early in the morning, but before the time for leaving arrived the mist cleared away and good Old Sol shone forth in full strength, making an ideal day. The excursionists were conveyed to Bond's Lake by the Metropolitan Railway. Shortly after reaching the grounds dinner was served by the ladies. The afternoon was only too short, for one and all enjoyed themselves, in conversation with old friends, on the steam yacht, or in the open boats. The accommodations were all that could be desired, and all, from the youngest to the oldest, declared themselves well pleased with the afternoon's outing. Tea was served in the evening. Then as the sun was setting behind the western hills the children and their friends boarded the south-bound cars for home, perhaps a little tired, but with pleasant recollections. The rector, the Rev. John Gibson, was a very busy man, doing his utmost to provide a good time for all, and we congratulate him on the success of his efforts.

ENTRANCE EXAMINATIONS.

The entrance examination results appear below. They have been withheld a day or two to publish simultaneously all the lists for the Inspectorate of North York. The procedure is as follows: Each examiner limits himself to one subject, so as to secure uniform marking. When this examining is completed each local board of examiners deals with its own candidates and reports to the Education Department. The following are the successful candidates writing at Richmond Hill. The names appear in alphabetical order and the post office address is given instead of the school section. The certificates will be sent out shortly.
