A SWORD FOR "BOBS."

Magnificent Weapon for the Commander-in-Chief.

The sword of honor to be presented to Lord Roberts by the Borough of Portsmouth, England, is a splendid and striking weapon, jewelled, enamelled, and made of 18 carat gold. The grip is of gold and ivory, the latter finely carved with the figures of Justice and Fame.

There are many such emblems about the sword, and in general it may be said that the decorator has aimed at getting in every symbolic reference that could possibly apply to Lord Roberts and most prominently those connected with the campaign in South Africa. The guard is of solid 18 carat gold, with lions couchant at either point, and ornamented with the monogram of Lord Roberts in diamonds, rubies and sapphires, and the reverse with His Lordship's arms in gold and enamel.

The guard and also the gold scabbard is enriched with a series of decorative jewels; diamonds, rubies sapphires and emeralds.

The scabbard which is of beaten 18 carat gold, is beautifully embossed in bold relief, engraved and enamelled with the following symbolic ornaments:

1. The Star of the Order of the Garter.
2. The Star of the Order of St. Patrick.
3. The Victoria Cross.

View of Pretoria in enamel, grenades representing Lord Roberts' regiment, the Royal Artillery.

Figure of Right overcoming Wrong and Injustice, and floral emblems, rose, shamrock and thistle.

View of surrender of General Cronje in enamel.

And on the reverse side of scabbard:

The Arms of Portsmouth.

The Star of the Order of the Bath.

View of Portsmouth Town Hall, Star of the Order of the Indian Empire, and Order of Black Eagle.

View of Lord Roberts discovered teaching a little child to read at Kroonstad, emblematic of humanity, in embossed gold.

View of Portsmouth Harbor, in enamel.

All the above emblems surrounded and entwined with floral emblems, scrolls, etc.

The blade is of the finest English steel, hand forged and elaborately etched with scroll work, and inscribed with all the engagements in which Lord Roberts has taken part, his crest, monogram, etc., etc. The inscription, which is richly etched on the steel, is as follows:

Presented by the Inhabitants of Portsmouth to The Right Honorable Frederick Sleight, Earl Roberts of Vandahar Pretoria and Waterford. Xiscount St. Pierre, K.G., K.P., P.

C., G.C.B., G.C.S.I., G.C.I.E. V.C., Knight of the Black Eagle and Field Marshal and Commander-in-Chief of His Majesty's forces, in recognition of his brilliant services in South Africa, 1901.

CURES FOR HEADACHES.

Some of the Simple and Harmless But Effective Remedies.

Too much blood in the brain is a frequent cause of headache. Pains are felt all over the head, the face becomes flushed, the temples throb and strong light or noise causes excruciating pain. In cases of this kind the sufferer should be careful in diet and should not eat meat oftener than once a day.

Too little blood in the brain is another cause of headache. It is recognized by dizziness, noises in the ears and pains on top of the head. The best stimulant is a cup of strong tea or coffee or a bowl of soup. People who suffer with these headaches should sleep with their heads low.

A neuralgic headache is often the result of cold caught in a bad tooth, which affects the nerves of the face and is accompanied by pains across the forehead or on the back of the head. A mustard leaf placed on the nape of the neck will relieve it. Another remedy which is sometimes effective is a piece of brown paper soaked in vinegar and applied to the painful spot.

THE COMMONEST OF ALL TROUBLES.

DODD'S KIDNEY PILLS ARE USED MORE FOR BACKACHE THAN FOR ANY OTHER KIDNEY AFFECTION.

Bright's Disease not so Frequent of Late Years—Dodd's Kidney Pills Undoubtedly the Cause—Diabetes also far less Prevalent.

Matane, Que., July 15.—(Special)—Not only in this neighborhood but throughout the Province of Quebec there is a marked decrease noticeable in the number of cases of Bright's Disease reported. This fact is undoubtedly due to the wide use of Dodd's Kidney Pills in the earlier stages of Kidney Disease.

Bright's Disease at one time was the cause of a large proportion of the deaths in this Province. It was considered incurable and until Dodd's Kidney Pills were introduced it was incurable. Not so, however, now. Dodd's Kidney Pills have almost wiped the disease out. Nor is Diabetes heard of now to any great extent.

The most common form by which Kidney Disease manifests itself is Backache, and here Dodd's Kidney Pills are doing their most active work. They are recognized as the surest and quickest cure for Backache ever invented. They work on the sound principle of going to the root of the trouble—the Kidneys—wherein they differ from all other Backache medicines except imitations of Dodd's Kidney Pills. They do more than merely relieve. They positively and permanently cure, as thousands of people are ready to testify.

O. Dionne, a well-known resident of Matane, says, "Dodd's Kidney Pills have made a grand success in curing me of Backache and I recommend everybody to keep them in the house. They are a wonder as a remedy for Backache and Disease of the Kidneys."

SHE HAD A SILENT SORROW.

They had a little quarrel the night before, and George was ashamed of himself.

When I think, dear, he said clasping her fondly, how like a brute I acted, I wonder if you'll ever forgive me?

The girl made no response, but her frame shook with convulsive throbs.

What is it, darling, he went on. Tears? Ah! Look at your beloved, and tell him he is entirely forgiven.

Yes, George, dear, she sobbed, you are for-givon free-freely, but it is not our foo-foolish little quarrel that troubles me to-night.

What is it, then, darling? he asked passionately.

It is the toothache.

NERVE TELEGRAPHY.

Symptoms of the Breaking Down of the Nervous System.

"The dangers of nervous breakdown," said a London physician, "lie in the fact that people go on disregarding the warnings which they have flashed to them from the tired-out nervous system. These warnings are excessive nervousness and irritability, these being the first symptoms, and often continuing for years, before any breakdown occurs. Then there is a general condition of illness, loss of appetite and insomnia, depression, a tendency to worry over trifles, and to these more serious symptoms add themselves as the disease progresses.

"The heart frequently is affected; the head is heavy, hot and aching; then the speech becomes jerky, confused, and uncertain, and the movements of the body are spasmodic and not controlled by the brain. Eccentricity of speech and action is noted, and violence is the next stage of the complaint.

"Open-air exercise is a great preventive of nervous sickness.

MEDICAL WORLD STARTLED.

Remarkable success of the new treatment for Catarrh, Bronchitis, Asthma, La Grippe, and diseases of the lungs. A balm in every drop. Hope and assurance for the troubled and sick. For a generation sufferers from Catarrh, Bronchitis, Asthma, and other diseases of this class have been vainly striving to effect a cure of their malady by the use of ointments, washes, powders. Failure could only follow treatments at once disgusting, unscientific and useless. A marvellous advance was made in the scientific treatment of these maladies when that marvellous method known as the Catarrhozone treatment was promulgated. At once the medical world's attention was directed towards this mode of treatment, and it would be impossible to mention any medical man of the first rank that would now recommend any other. The best medical men recommend this new mode of treatment, ministers, lawyers, prominent public speakers and the great public with unstinted praise recommend it. So simple, it cures while you breathe it. So prompt its effect seems magical. So effective that its results are absolutely permanent. Catarrhozone is sold by all druggists. The treatment will last from 6 weeks to 3 months, and it only costs \$1.00. If you have any doubts to satisfy, send us 10c to cover cost of boxing, mailing, etc., and we will send you a 25c outfit free. Polson Chemical Co., Kingston, Ont., and Hartford, Conn.

Beware of Ointments for Catarrh that contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, price 75c per bottle. Hall's Family Pills are the best.
