CARRVILLE.

The annual Harvest Home in connection with the Methodist Church, Carrville, will be held on the 22nd and 25th of September. Anniversary sermons will be preached on Sunday, the 22nd, and the usual fowl dinner will be given on the following Wednesday. Further announcements by posters will be given in good time.

GOVERNMENT LAND.

Mr. G. Schell, who served as a volunteer in the South African war, has received the necessary papers from the Crown Lands Department and is applying for a grant of land. He is entitled to 160 acres, and may draw it in the District of North Nipissing, Algoma, Thunder Bay or Rainy River. It is to be hoped George will draw a lucky number, as his friends would like him to get the best farm to be found in the northern country.

BAND CONCERTS.

It would be difficult to get a park-anteer outing than at Bond Lake Park on the Metropolitan Railway. Fully 2,000 people must have enjoyed the concerts given by the Queen's Own Band yesterday afternoon and evening. Besides the regular program of musical selections by the band, Mr. T. E. Kyle sang a number of humorous selections, Mr. C. Savage gave a cornet solo, and the Middlebrook Children in Scottish dances proved quite a feature of the day. The large crowd apparently got away from the park in good time. A couple more excursions will yet be held during the season.

AN ACTUAL FACT.

How is it, Mr. Fitzgerald, that you have such excellent crops of fall wheat? The thing is no secret, Mr. Simpkins. I have been using Thomas' Phosphate Powder lately, and have been astonishingly surprised at the result. I have tried it on fall wheat, and put it on my fall plowing and meadows and am more than paid for money expended. The Phosphate remains in the ground, and the result is seen three crops afterwards. Try some, which you can obtain from H. A. Nicholls, Richmond Hill.

TO THE PUBLIC.

I wish to bear testimony of my appreciation of the British America Insurance Company for the very fair treatment I received from them in the settlement of my claim in connection with the recent loss by fire to my storehouse, which was insured for \$50, while I was granted \$150, and that promptly. I heartily recommend the Company to any one requiring insurance. The Company is now represented by Mr. N. J. Glass, Elgin Mills, in succession to Mr. S. M. Brown of Victoria Square.

BARN BURNED.

Last Thursday evening between 8 and 9 o'clock flames could be seen ascending the sky north-east of the village. It was afterwards learned that the barns and stables of Mrs. John Dobson, tenant on lot 33, 2nd con. Markham, had been burned to the ground. All the season's crop, with the exception of the oats, was in the barn, and this with a number of farm implements, 12 small pigs and 2 calves were lost. Mr. Matthew Dobson was about the barn when the fire broke out, but the origin of the fire is a mystery. There was some insurance.

A. F. Teefy Resigns.

Assistant Corporation Counsel. To Take up Private Practice.

(Chicago American, July 10, 1901.)

Armand F. Teefy, for four years Assistant Corporation Counsel and for the last two years chief assistant and in charge of the special assessment work, yesterday tendered his resignation to Mr. Walker.

Mr. Teefy gave as his reason the fact that he wished to take up the private practice of law again, as he had enough of working for the city. Mr. Walker accepted the resignation and appointed in his place Major Edgar B. Tolman, known as a special assessment attorney and last fall a candidate for Circuit Court Judge on the Democratic ticket.

Major Tolman will be assigned to the Board of Local Improvements and will have charge of that work. Mr. Teefy retires with the credit of having won more victories in special assessment cases than any other assistant who ever occupied that office. He will devote his entire time to his private practice.

Armand F. Teefy, the prominent Twenty-first Ward lawyer, would make a strong candidate for Judge. Mr. Teefy made a splendid record as attorney for the Local Board of Improvements.
