King Township Council

Special meeting of King council held
on October 19, for the purpose of tak-
ing into consideration the re-fund of
the Schomberg and Aurora Railway
bonus tax.

Members all present. The reeve in
the chair.
A deputation of ratepayers being
present from Kettleby and vicinity
introduced, and addressed the council
re. the subject before it, after which
the following resolutions were intro-
duced:

Moved by Mr. Rogers, seconded by
Mr. Crossley, that whereas the judg-
ment of the Court of Appeal has de-
clared that the time has elapsed in
which it is lawful to issue debentures
to raise the money for the purpose of
granting a bonus to the Schomberg
and Aurora Railway Co.:

And whereas by Act of the Ontario
Legislature, 1st Edward 7th, Chapter
57, the said bonus by-law was declared
legal and all rates heretofore levied
under said by-law were ratified and
confirmed, and the municipality author-
ized to levy the further rates as
might be necessary in pursuance of
the said by-law:

And whereas Section 3 of the said
Act declares that notwithstanding
anything contained in the said by-law
or agreement the bonus shall not be
paid to the said Schomberg and
Aurora Railway Co., unless the said
railway is completed on or before the
1st October, 1901:

And whereas the said railway has
not been completed by the said date
and is not now completed:

And whereas application has been
made to the Municipal Council of the
Township of King for a re-fund of all
the said bonus paid by the parties
charged by the said by-law for the
years 1899 and 1900:

And whereas it is desirable that the
assessment so made shall be returned
to the respective parties entitled
thereto:

It is therefore resolved by the Mu-
nicipal Corporation of the Township
of King as follows:

That the Clerk be and is hereby in-
structed to prepare for the collectors'
roll for the said municipality for the
years 1899 and 1900, a list of all parties
who paid the said bonus rate, together
with the amount paid by each party;

That the reeve do issue his order on
the treasurer to pay to the several
parties entitled thereto the amount of
such bonus rate so paid, together with
interest thereon from the date of such
payment to this date;

That the collector of the said munici-
pality is hereby authorized and em-
powered to accept said orders when
endorsed by the said parties entitled
thereto as a payment for taxes for the
current year to the extent of such
order;

That the treasurer be and is hereby
authorized and instructed to accept
from the collector as cash any order so
returned by said collector when pro-
perly endorsed by the party in whose
favor the order is issued, and that the
seal of the corporation be attached to
this resolution.—Lost.

Yeas—Messrs. Crossley and Rogers;
Nays—Messrs. Gallagher, Burns and
Lemon.

Moved by Mr. Gallagher, seconded
by Mr. Burns, that this council quite
understand the grievance presented
by the ratepayers of Kettleby, and
that this council is quite willing to re-
fund their taxes at the proper time,
providing there is no legal objections;
therefore we consider the present time
not expedient to take action in re-
funding the same, owing as we believe
there may be legal or parliamentary
reasons against returning the same.—
Carried.

Yeas—Messrs. Gallagher, Burns
and Lemon; Nays—Messrs. Crossley
and Rogers.

Council adjourned to meet at Noble-
ton on Oct. 28.
J. C. STOKES, S. LEMON,
Clerk pro tem. Reeve.

Maple

A concert under the auspices of the
Maple Public School was held in the
Masonic Hall last Friday evening. A
lengthy programme of solos, choruses,
dialogues and recitations was given by
members of the school and other local
talent. Short addresses were given
by Revs. W. G. Back, J. K. Hilty and
J. A. R. McDonald. Rev. S. W. Dean
acted as chairman. The hall was
crowded and the sum of \$20 realized.
The money will be used in purchasing
pictures for the school room.

On Sunday, re-opening services
were held in the Methodist Church,
when Rev. S. D. Chown, D. D., of To-
ronto, preached eloquent sermons in
the morning and evening, and ad-
dressed a mass meeting of the children
in the afternoon.

A grand sacred concert in con-
nection with the Epworth League was
held in the Methodist Church on Mon-
day evening. Rev. A. C. Crews of To-
ronto, delivered his lecture, "Through
the Mammoth Cave with 200 Epworth
Leaguers." The lecture was interest-

ing and instructive and was listened
to attentively by a large audience.
Revs. W. G. Back of Maple; G. W.
Robinson of King; and J. H. More of
Richmond Hill, gave short addresses.
Solos were sung by Miss Jennie Boynes
and Miss M. Robinson of Toronto;
and Miss Edith Keffer and Miss J.
Hazelwood of Maple. The proceeds
amounted to \$26.

York Mills, have been visiting at Mr.
J. Craddock's.

syth, who was employed by Dr. Sisley

on Tuesday. The widow and daugh-
ters have their friends' sympathy in
their bereavement.

the John McKinnon farm at Vellore,
about 100 acres, for \$5,850.

at the Innisfil plowing match held on
Monday.

Free Reprints of Splendid
Paintings.

Mr. John Innes, who for twelve
years lived among the miners and
ranchers in our own West, and who
first studied art in England when a
youth, is recognized as Canada's lead-
ing exponent of outdoor painting. Mr.
Innes' two last paintings are his best.
Two large canvases, portraying typical
incidents of our Western life. They
are styled "On the Edge of the Herd"
and "The Miner's Farewell." The
former is a striking incident of a
round-up, a cow-puncher, thrown from
his horse, being charged upon by a
wild steer, while a fellow-cowboy,
racing after, as preparing to throw
his lasso. The herd in the background
grows restless and threatens to stam-
pede. Behind all rise the snow-capped
peaks of the Rockies. As a whole the
painting is a masterpiece of coloring,
drawing and action.

"The Miner's Farewell" depicts a
mounted miner with saddle-bags bulg-
ing with gold dust, homeward bound.
Far down in the valley he sights his
old comrades working in the sluices.
A parting wave and cheer is exchang-
ed. The background is a mass of
mountain and mist, forest and cloud.
The treatment is masterly, bold and
true.

The Mail and Empire has secured ex-
act 14-color reproductions of these
paintings, 15x20 inches in size. Every
detail of color and grain is faithfully
brought out. They offer free the
choice of the two with every year's
subscription to the Weekly, or three
months' subscription to the Daily.
Both pictures are given free if a sub-
scriber sends a year's subscription to
the Weekly, in addition to his own, or
if he takes the Daily for six months.
See our clubbing list.

THE CANADIAN BOY.

This magazine is the only journal of
its kind published in Canada, and for
patriotic reasons alone is deserving of
a hearty support by the reading pub-
lic of Canada. American boys' papers
full of American sentiment have a
large circulation in Canada. They are
fast instilling American ideals into the
minds of our young people. It is high
time this were stopped. The best way
to effect a change is to produce some-
thing good and attractive to take the
place of the American papers and
crowd them out. Those patriotically
inclined should rally to the support of
a good Canadian boys' paper. The
Canadian Boy is such a journal. The
October number is out and has no
reason to hide its head beside much
older ventures. It is full of what is
elevating and stimulating for boys to
read. Many sides of a boy's nature
are appealed to: his love of stories, in-
terest in nature, talent for business,
love of sport, mental ingenuity, con-
structive ability, etc., etc. It is attrac-
tive in form and well illustrated. Boys
will read it, and profit by the reading.
A dollar cannot be better invested
than by sending it as a subscription
for one's own or some other person's
boy. It is clubbed with THE LIBERAL
for \$1.75. The Turnbull-Wright Co.,
of Guelph, are the publishers.

FRANK LESLIE'S MONTHLY.

The October issue of Leslie's Month-
ly has a number of unusual features.
One of these is the first story which
Charles Frederick Goss has yet been
induced to write. "The Redemption
of David Corson" aroused more debate,
perhaps, than any other book of last
year, and this shorter tale, "The Story
of a Thief," is bound to come in for
vigorous discussion. Other features
in the number worth talking about,
are an interesting description of
Maximite, the most powerful of prac-
tical explosives, by its inventor, Hiram
Maxim, and a rattling account of "The
Texas Rangers," an organization which
the author rightly styles the most
efficient police force in the world; and
"The Autobiography of a High Climber"
—a most diverting history.

Bad Coughs

"I had a bad cough for six
weeks and could find no relief
until I tried Ayer's Cherry Pecto-
ral. Only one-fourth of the bottle
cured me."
L. Hawn, Newington, Ont.

Neglected colds always
lead to something serious.
They run into chronic
bronchitis, pneumonia,
asthma, or consumption.
Don't wait, but take
Ayer's Cherry Pectoral
just as soon as your cough
begins. A few doses will
cure you then.

Three sizes: 25c, enough for an ordinary
cold; 50c, just right for bronchitis, hoarse-
ness, hard colds, etc.; \$1, most economical
for chronic cases and to keep on hand.
