A REMARKABLE STORY.

A Discovery of an Almost Certain Cure for Rheumatism and Kindred Diseases.

Amongst the greatest discoveries of the age of relief of human suffering. Perhaps none take so high a place as Dr. Clarke's Little Red Pills. The formula from which these pills are made was the result of many years of study and experiment. It is with the greatest confidence therefore, that the proprietors place these pills on the market, and so satisfied are they that they will prove a blessing to suffering humanity, that they make the following offer: To any one who is a subject of rheumatism (no matter how long standing) or any blood disease, as enumerated below, and will give Dr. Clarke's wonderful Little Red Pills a fair and impartial trial and do not find a perfect cure, we will refund the money paid for the pills. If no substantial improvement is observed, we will in addition pay \$10 in cash on satisfactory evidence being supplied us to this effect.

We have yet to know of a single case where these wonderful pills have not been almost entirely successful in affecting a cure. CANADA CHEMICAL CO., Peterborough, Ont.

Dr. Clarke's Little Red Pills are a certain cure for rheumatism, asthma, paralysis, catarrh, eczema, coughs, backache, indigestion, stomach and liver troubles, female complaints, even when the diseases have been standing for many years. Price 50 cents per box. For sale by W. A. Sanderson, Druggist.

Dr. Clark's Sure Cure for Catarrh, and Dr. Clark's Sure Cure for Eczema same price. \$10.00 will be paid for any case they will not cure.

A NEW YEAR'S ISSUE.

The January Delinquent has a rich and inviting table of contents, and attractive features are added to all the existing departments. Ira D. Sankey, the famous evangelist, vividly describes his journey through Egypt and Palestine, and the personality of the author gives to these papers an interest that is truly remarkable. They are illustrated by photographs made by I. Allen Sankey, who accompanied his father. Recent mournful events and the intense public sympathy with Mrs. McKinley make very timely an article on Notable Pensioners of the Nation, in which the annuities paid to certain illustrious ladies are made public for perhaps the first time. Dr. S. R. Elliott begins his series of recollections of a group of women noteworthy for personal character and attainments, and Clara E. Laughlin tells with great charm the story of Poe's Love and marriage. Some excellent fiction is offered in this number; the children are especially considered and the various miscellaneous articles—the fancy-work, cookery, the holiday display, house-furnishing, etc.—have a distinctly seasonable flavor.
