## FREE HELP FOR THE SICK

Professor Adkin Offers to Help All  
Sufferers From Any Disease  
Absolutely Free of Charge.  
Professional Men Inves-  
tigate His Powers.

PROF. THOS. F. ADKIN,  
President of the Institute of Physicians and  
Surgeons.

In all parts of the country men and women, doctors and surgeons, dentists and opticians are wondering at the remarkable cures made by Prof. Thomas F. Adkin, discoverer of the Adkin Vioopathy treatment.

Professor Adkin heals not by drugs, nor by Christian Science, nor by Osteopathy, nor by Hypnotism, nor by Divine healing, but by the psychic force of nature in combination with certain vital magnetic remedies which contain the very elements of life and health.

A reporter recently talked with Professor Adkin and was asked to write a review of this paper who are sick or who are worried by the ills of those dear to them to write to him for assistance. "Some people have declared," said Professor Adkin, "that my powers are of God; they call me a divine healer, a man of mysterious power. This is not so. I cure because I understand nature, because I use a subtle force of nature to build up the system and restore health. But at the same time I believe that the doctor would not have given me the opportunity to make the discoveries I have made, nor the ability to develop them if he had not intended that I should use them for the good of humanity. I therefore feel that it is my duty to give the benefit of the science I practice to all who are suffering. I want you to tell your readers that they can write to me in the strictest confidence if they are troubled with any kind of disease and I will thoroughly diagnose their cases and prescribe a simple home treatment which I positively guarantee to effect a complete cure, absolutely free of charge. I care not how serious their cases, nor how hopeless they may seem. I want them to write to me and let me make them well. I feel that this is my life's work."

So great is the sensation wrought in the medical world by the wonderful cures performed by Professor Adkin that several professional gentlemen were asked to investigate the cures. Among these gentlemen were Doctor L. B. Hawley and Doctor S. Dutton Whitney, both famous physicians and surgeons. After a thorough and painstaking investigation on these eminent physicians were so astonished at the far-reaching powers of Professor Adkin and the wonderful efficacy of Vioopathy that they volunteered to make all cures in life and all other kinds of

treatment and devote themselves to assisting Professor Adkin in his great work for humanity. With the discovery of the Adkin Vioopathy treatment eminent physicians are generally agreed that the treatment of disease has at last been reduced to an exact science. In all some 6,000 men and women have been cured by the powers of Professor Adkin. Some were blind, some were lame, some were deaf, some were paralyzed, some were unable to move, so great was their infirmity. Others were afflicted with Bright's disease, heart disease, consumption and other evil habits. Incurable diseases. Some were sufferers from kidney trouble, dyspepsia, nervous debility, insomnia, neuralgia, constipation, rheumatism, female troubles and other similar ills. Some were men and women addicted to drunkenness, morphine and other evil habits. In all cases Professor Adkin guarantees a cure. Even those on the brink of the grave, with all hope of recovery gone and despaired of by doctors and friends alike, have been restored to perfect health by the force of Vioopathy and Professor Adkin's marvelous skill. And, remarkable as it may seem, distance has made no difference. Those living far away have been cured in the privacy of their own homes, as well as those who have been treated in person. Professor Adkin asserts that he can cure any case at any distance as well as though he stood before them.

Not long ago John Adams, of Blakesburg, Iowa, who had been lame for 20 years, was permanently cured by Professor Adkin without an operation of any kind. About the same time the City of Rochester, N. Y., was startled by the cure of one of its deaf residents, Mr. P. A. Wright, who had been partly blind for a long period. John E. Neff, of Millersburg, Pa., who had suffered for years from a cataract of his left eye, was speedily restored to perfect sight without an operation. From Legansport, Indiana, comes the news of the recovery of Mrs. Mary Eichler, who had been practically deaf for a year, while in Warren, Pa., Mr. G. W. Savage a noted photographer and artist, who was not only partially blind and deaf, but at death's door from a combination of diseases, was restored to perfect health and strength by Professor Adkin.

Vioopathy cures not one disease alone, but it cures all diseases when used in combination with the proper remedies. If you are sick, no matter what your disease nor who says you cannot be cured, write to Professor Adkin today; tell him the leading symptoms of your complaint, how long you have been suffering, and he will at once diagnose your case, tell you the exact disease from which you are suffering, and prescribe the treatment that will positively cure you. This case you absolutely nothing. Professor Adkin will also send you a copy of his marvelous new book entitled "How to Be Cured and How to Cure Others." This book tells you exactly how Professor Adkin will cure you. It fully and completely describes the nature of his wonderful treatment. It also explains to you how you yourself may possess this great healing power and cure the sick around you. Professor Adkin does not take a cent for his services in this connection. They will be given to you absolutely free. He has made a wonderful discovery, and he wishes to place it in the hands of every sick person in this country, that he may be restored to perfect health and strength. Mark your letter permanent when you write, and put on it Professor Adkin, His Office, Address: Prof. Thos. F. Adkin, office 700 G., Rochester, N. Y.

The King is very particular about his notepaper. He likes it to be of rather a peculiar shape, more square than oblong, and to be very simple in style. It is engraved with Sandringham or Marlborough House in raised letters, with a crown above the address. At present the letters are in black, but formerly they used to be in gold, or black with red capitals.

There are hundreds of so-called catarrh cures, but those who have tried them all proclaim Japanese Catarrh Cure the only real and permanent cure. Miss A. I had catarrh for years. There was almost a constant dripping in my throat and my breath was very objectionable to others. Nothing I could get gave me any permanent relief until I used Japanese Catarrh Cure. I used in all six boxes, and it worked wonders in my case. I have not now the least symptom of catarrh, and cannot praise this remedy too highly." Japanese Catarrh Cure is the only permanent and guaranteed cure for catarrh.
