AT THE PRINCESS

By special arrangement with Liebler
& Company of New York, Manager
Sheppard of the Princess Theatre, in
Toronto, has been able to secure for
the attraction this week at his theatre
the most stupendous scenic production
ever seen on the American stage—
Monte Cristo, with Mr. James O'Neill
in his famous roll of Edmond Dantes.
The production is so immense that the
stage of the Princess has been en-
larged and remodelled to accommodate
the effects of the company. The pro-
duction, as it will be seen in Toronto,
ran all last season in New York,
Boston and Chicago. The Grand
Trunk and the Canadian Pacific Rail-
roads have made arrangements to run
Easter excursions into Toronto, which
will give theatre-goers an opportunity
to see this great attraction at a mini-
mum cost. The fare will be small,
the rate being a round trip ticket for
the cost of the ordinary single trip.
The excursions will run on Thursday,
Friday and Saturday. This produc-
tion of Monte Cristo is said to abound
in electrical effects which have never
before been attempted on the stage.
Three of these are worthy of notice.
A storm at sea is shown, with forked
lightning darting from lowering
clouds. In another scene the effect is
made of moonlight dancing and shim-
mering on water. A sun-rise scene is
also shown. The most stupendous act
in Monte Cristo, which is the largest
of the kind ever put on the stage,
shows the conservatory and ball-room
of the Hotel de Morecof. Mr. O'Neill
uses the Fechter version of Dumas
famous novel. His company is a
notable one. It includes the great
character actor, Frederic de Belleville;
James O'Neill, Jr.; Warren Conlan,
Edward Lally, Claude Gilbert, Joseph
Slayter, Mark Ellsworth, John
Greene, Miss Selore Johnson, Kate
Fletcher and Virginia Keating. There
is a subsidiary company of fifty peo-
ple. Seats for this attraction should
be ordered in advance. (Adv.)

I Coughed

"I had a most stubborn cough
for many years. It deprived me
of sleep and I grew very thin. I
then tried Ayer's Cherry Pectoral,
and was quickly cured."
R. N. Mann, Fall Mills, Tenn.

Sixty years of cures
and such testimony as the
above have taught us what
Ayer's Cherry Pectoral
will do.
We know it's the great-
est cough remedy ever
made. And you will say
so, too, after you try it.
There's cure in every drop.
