No Matter When

you shear your sheep, but wash them clean, and shear before the wool becomes cotted.

It is now an acknowledged fact that we have been paying Toronto price for wool in cash, and 2c. per lb. more in trade for a number of years, and would say that we are prepared to do the same this year. We have always made it a specialty of making our woollen goods out of pure wool, using neither cotton, shoddy nor inferior stock of any kind. We have a good stock of Blankets, Sheetings, Flannels, Cloth, Yarns of all kinds, and selling them at lower prices than ever before; in fact we will not be undersold by any one for the same quality of goods. Have also a good stock of socks, pure wool, filled, which makes them warmer, softer and better than home-made, appreciated by every one who sees them, and selling them from 15c. to 30c. per pair—and will knit other sizes to order. If you have got any wool to sell or trade for woollen goods, or to be manufactured, go to Almira Woollen Mills. We appreciate your trade and will do the best we can for you.

Carding, Spinning, Weaving and Manufacturing done as usual. 45-4

Farmers of Vaughan and Markham

Why not secure a Farm in Manitoba now? Prices going up rapidly. The Government have advanced their lands \$1.50 per acre since December last. The very finest lands from \$10 to \$20 per acre. Further out and not quite so choice, \$5 to \$10; poorer quality, \$2 to \$5. Thousands of acres are being sold every month. Americans are picking up everything in sight.
I will secure you what you want on a 5% commission. If interested, write me for lists.
