IS THIS YOUR WIFE?

You say: "No!" But she should remind you of a duty you owe your wife! You can end all her kitchen troubles by buying her a "Quick Meal" Stove. If your wife attends to the cooking, she will get a vacation every day, when formerly she was a slave. A "Quick Meal" Stove will save her more work and steps than any hired girl she ever had. The "Quick Meal" Stove will cook a meal in less time than it takes a coal fire to start, and it will do it without raking or shaking, without soot or smoke, without dirt or ashes—but quicker, better, cleaner and with less expense, and your wife and the kitchen will be cool. Your wife will love you more if you buy her a "Quick Meal" to-day.
