### Full Jeweled Watches.

The full Jeweled Hampden movements are profitable to buy. The oil lasts longer on a jeweled pivot than on one running in metal.

The pivots wear longer when turning in jewels and endure less friction; if less friction there will be less variation in the running of the watch.

The full Jeweled movements, meet all ordinary requirements, but for very precise time I recommend the Hampden "Special Railway," which is the finest and most accurately adjusted watch made in America.

Try one of these movements on my recommendation. Money refunded if not entirely satisfactory.

### A REMARKABLE STORY.

### A Discovery of an Almost Certain Cure for Rheumatism and Kindred Diseases.

Amongst the greatest discoveries of the age of relief of human suffering. Perhaps none take so high a place as Dr. Clark's Little Red Pills. The formula from which these pills are made was the result of many years of study and experiment. It is with the greatest confidence therefore, that the proprietors place these pills on the market, and so satisfied are they that they will prove a blessing to suffering humanity, that they make the following offer: To any one who is a subject of rheumatism (no matter how long standing) or any blood disease, as enumerated below, and will give Dr. Clark's wonderful Little Red Pills a fair and impartial trial and do not find a perfect cure, we will refund the money paid for the pills. If no substantial improvement is observed, we will in addition pay \$10 in cash on satisfactory evidence being supplied us to this effect.

We have yet to know of a single case where these wonderful pills have not been almost entirely successful in affecting a cure. **CANADA CHEMICAL CO.,** Peterborough, Ont.

Dr. Clark's Little Red Pills are a certain cure for rheumatism, asthma, paralysis, catarrh, eczema, coughs, backache, indigestion, stomach and liver troubles, female complaints, even when the diseases have been standing for many years. Price 50 cents per box. For sale by W. A. Sanderson, Druggist.
