Egely Cider and Jelly Mill will start on

MONDAY, SEPT. 15,

And will run on Monday, Sept. 22, and Monday, Tuesday, Wednesday and Thursday of each succeeding week till Nov. 20.

Customers will take notice that we manufacture saw cider, boil cider, make jelly and apple butter, any of which can be had on same day as apples are brought to the mill.

Parties wishing to have cider boiled down can get it done here to any thickness. Jelly apples should be good for eating and two-thirds sweet. Parties wishing apple butter should keep their peeling and coring apples separate from the cider apples.

Highest market price paid for

CIDER APPLES.

Customers are respectfully requested to try and do business on the above days, as we are not living near the mill, and customers coming any other day would find it very inconvenient.
