

Card of Thanks

As I cannot do so personally, I take this means of thanking the Electors of Richmond Centre Division No. 4 in the York County Council for the loyal support given me on Monday, 5th inst., in re-electing me as a County Councillor. In a division consisting of three separate municipalities, where the interests of the whole division must be considered, I have always worked for what I believed to be for the good of the Division as a whole, and with this in view I shall endeavor to serve you faithfully so long as I may be honored with your confidence.

Again thanking you,
I am, yours faithfully,
W. H. PUGSLEY.

THE LIBERAL

TWO GREAT \$1.00 PAPERS FOR \$1.75

INCLUDING A BEAUTIFUL

ART CALENDAR FREE!

THE LIBERAL

—AND—

The FARMING WORLD,

The best appointed and largest agricultural paper in the Dominion.

Believing that every one of our readers should have at least one good farm and family journal, we have perfected an arrangement whereby we can send that practical and instructive journal, The Farming World, in connection with THE LIBERAL, including a beautiful Art Calendar for 1903, as detailed below, all for \$1.75. We are able to give but a brief description of the contents of The Farming World, which is unequalled for variety and excellence. Prominent among its many departments may be mentioned the

Farm and Garden, Market Reports, Fruit Culture, Mechanical Devices, Fashions and Fancy Work, Feeding and Breeding, the Apiary, Talks with our Lawyers, News of the Day, Dairy and Creamery, Household Features, the Poultry Yard, the Question Box, Plants and Flowers, the Veterinary, the Horse, Sheep and Swine.

THE FARMING WORLD is published semi-monthly; the 24 numbers which comprise a year's subscription make a large volume teeming with all the latest and most reliable information that experience and science can supply. No better proof of its popularity can be offered than its enormous circulation, which extends into every Province in the Dominion, each copy being read by over 100,000 readers.

The Art Calendar

Combines a portfolio reproducing in color some of the greatest of modern paintings. It also includes weather forecasts written especially for us by Prof. Lillingston, which are found in no other calendar but ours. No calendar of this kind can be described. It must be seen in all its beautiful harmony of colors, to be thoroughly appreciated.

Do not delay or fail to take advantage of this great offer, for never before was so much offered for so small a sum. Remember we send both papers for a full year, including the Calendar as above described, all postpaid, at the very low price stated.

Address all orders to THE LIBERAL OFFICE.

Sample copies may be had by either calling at the office of THE LIBERAL or by writing to THE FARMING WORLD, TORONTO, ONT.
