NEWMARKET TO-NIGHT.
The hockey game here to-night between Newmarket and Richmond Hill should be the best of the season, as when these teams meet a warm game is always the result. The Richmond Hill boys have been playing better so far this season than ever before, and feel quite confident of lowering the colors of the Newmarket team, and as this is the third time these teams have met and the visitors have always been victors, the locals will exert themselves to the utmost to win out. PEARSON'S MAGAZINE.
In the February Pearson's is begun a new serial by Gelett Burgess and Will Irwin—"The Picaroons; or A San Francisco Night's Entertainment"; which has the uncommon distinction of a really novel plot. This story is an attempt to render in a modern setting adventures of a character similar to those told in the Spanish Picaresque Tales of the Seventeenth Century—the fortunes of beggars, imposters, thieves, etc., chronicling The Romance of Roguery. That the authors have had a gratifying measure of success will be freely conceded after reading these opening chapters. The scene opens in the dingy little restaurant in San Francisco, known so widely as "Coffee John's." Seumas MacMannus contributes a clever humorous sketch of Irish politics, explaining how Brian Mulvaney was made an M. P. With the return of Captain Kettle to His Native Land, his many friends must bid farewell to the fiery little sailor with small chance of a future meeting.

Stock-Taking Sale.

There is reason for this sale—not a flimsy one made up for the occasion—but sound business judgment demands quick clearance of the goods before inventory time. There are too many of this and too few of that, and the "too few" make the most trouble. If one could gauge the the public's tastes and demands there would be no need of clearances—but this is far beyond the age of wireless telegraphy and flying machines. During this Stock Taking Sale prices will be reduced to actual cost in many instances. Some goods will be less than cost and others slightly reduced. A study of the items below will give you an idea of the importance of the sale to you:—

Fancy striped worsted Pantings, regular \$1.25 yd. for 70c.; Genuine Scotch Tweed, 63 yd. lengths, regular \$1 yd. for 50c.; Genuine Scotch Tweed, 63 yd. lengths, regular \$1.25 yd. for 70c.; Mantle cloths, black or colored, regular \$1.20 yd. for 55c.; Fine 33 inch check flannelets, regular 13c. yd. for 10c.; Heavy 36 inch striped flannelet for 10c. yd.; Ladies Black Lustre Waists, regular \$2.50 for \$1.50; Men's fine Worsteds ready-to-wear suits, regular \$16.00 for \$12.50; 30 lb. best Pearl Tapioca for \$1; 30 lb. good yellow Sugar for \$1; 18 lbs. cleaned currants for \$1.
