The Liberal.

RICHMOND HILL, January 29, 1903
 NORTH YORK.

On Tuesday in Newmarket, Hon. E. J. Davis gave his promised explanation to the Executive of North York Liberal association, relative to his reputed resignation, and the result, as might have been expected, was perfectly satisfactory to his friends. Mr. Davis stated that several items which have occurred in certain Conservative papers, and some statements purported to have come from Mr. T. H. Lennox, relative to the settlement of the petition and cross-petition, were incorrect and misleading. It had been stated previous to the three recent bye-elections that Mr. Davis had resigned, but a statement from Judge Morgan showed that an agreement had been made between the parties concerned, but that Mr. Davis' resignation was to bear date the 20th of February. It is understood, therefore, that Mr. Davis will resign his seat in the Ontario Legislature, and that a new election will take place in the course of a few weeks. The Commissioner of Crown Lands declared that he had no reason to fear an exposure of corruption, but rather to avoid political bitterness, and, on his own account, to avoid the expense, which would possibly be from \$10,000 to \$15,000.

Before the meeting closed a resolution was unanimously carried expressing the utmost confidence in their Local member, assuring him of continued loyalty, and promising every assistance to win a greater victory when the time comes. In his address Mr. Davis repeated the offer made in May last, expressing a desire to hold a series of joint meetings with Mr. Lennox when the electors would have an opportunity of hearing both candidates discuss the political questions of the day, from the same platform. A mass meeting will be held in the Town Hall, Newmarket, next Tuesday afternoon, when Mr. Davis will be re-nominated.

A CLUB OFFER.

Rev. W. D. Reid, B. D., B. A., pastor of one of the largest Presbyterian churches in Montreal, has written an open letter in which he charges that during the late fight in this province about the "Referendum," the majority of the daily newspapers had little or nothing to say on the important question. The writer, however, makes one exception, and that paper was the Montreal Witness, published by John Dougall & Son. In the letter above referred to Rev. Mr. Reid says: "The Witness makes for righteousness and truth regardless of cost and consequences. It has principles, and by these principles it is prepared to stand or fall. Every subject of interest is there discussed in strong, vigorous, fearless editorials, and better still all are dealt with from a Christian standpoint," etc.

Four papers are published by the firm, viz the Daily Witness, the Weekly Witness, the World Wide, and the Northern Messenger. By a special arrangement THE LIBERAL and any of the above papers will be sent to our subscribers at a special club rate as follows:—

	Both for	Usual price
The Liberal and the Daily Witness	\$2 30	\$4 00
Weekly Witness	1 50	2 00
World Wide	1 50	2 00
Northern Messenger	1 20	1 30

The Daily Witness, World Wide, Northern Messenger and THE LIBERAL all four publications will be sent one year for \$3.50; worth \$5.30.

The Weekly Witness, World Wide, Northern Messenger and THE LIBERAL all four publications will be sent one year for \$2.50; worth \$3.30.

These clubs will, at most reasonable rates, provide the best reading matter for every interest of any family. Just try it for a year.

TO SETTLE THE BOUNDARY QUESTION.

General satisfaction is expressed in the prospect of a settlement in the dispute over the boundary between Canada and Alaska. Reports were published in some of the newspapers on Monday to the effect that the whole question would not be submitted for arbitration. It was feared that certain territory claimed by the United States would not be submitted to the commission, but the report was erroneous. When the commissioners met in the year 1899 United States contended that the existing settlements on the tidewater of the Alaskan coast were their property, and therefore should not be submitted. The Premier of the Dominion is authority for the statement that there will be no reservations, that the whole territory in dispute will be considered. The new treaty provides for the appointment of six jurists, three to represent the United States and three to represent Great Britain and Canada. The jurists have not yet been appointed, but it is likely that two of them will be British and one Canadian. It will not be surprising if there is a deadlock among the six jurists, but in that case the important question will be submitted to another tribunal for final settlement.

A Cough

"I have made a most thorough trial of Ayer's Cherry Pectoral and am prepared to say that for all diseases of the lungs it never disappoints."

J. Early Finley, Ironton, O.

Ayer's Cherry Pectoral won't cure rheumatism; we never said it would. It won't cure dyspepsia; we never claimed it. But it will cure coughs and colds of all kinds. We first said this sixty years ago; we've been saying it ever since.

Three sizes: 2c., enough for an ordinary cold; 5c., just right for bronchitis, hoarseness, hard colds, etc.; 25c., most economical for chronic cases and to keep on hand.
 J. C. AYER CO., Lowell, Mass.

A REMARKABLE STORY.

A Discovery of an Almost Certain Cure for Rheumatism and Kindred Diseases.

Amongst the greatest discoveries of the age of relief of human suffering. Perhaps none take so high a place as Dr. Clarke's Little Red Pills. The formula from which these pills are made was the result of many years of study and experiment. It is with the greatest confidence therefore, that the proprietors place these pills on the market, and so satisfied are they that they will prove a blessing to suffering humanity, that they make the following offer: To any one who is a subject of rheumatism (no matter how long standing) or any blood disease, as enumerated below, and will give Dr. Clarke's Little Red Pills a fair and impartial trial and do not find a perfect cure, we will refund the money paid for the pills. If on substantial improvement is observed, we will in addition pay \$10 in cash on satisfactory evidence being supplied us to this effect.

We have yet to know of a single case where these wonderful pills have not been almost entirely successful in afflicting a cure. CANADA CHEMICAL CO. Peterborough, Ont.
