

RENNIE'S SEEDS

Any 10 Packets for 25 cents.

22 PACKETS FOR 50c., or 48 PACKETS FOR \$1.00.

Free by mail on receipt of price to any post office in Canada. To United States add 5c. for postage. To Newfoundland, add 15c. for postage. Not subject to any discount or premium. Considering the extremely low rates we cannot possibly permit any other Seeds catalogued by us to be included in this offer. All orders for these must be kept separate from orders for other seeds. Not less than 10 packets for 25c. can be sold.

This offer for 1903 is made to introduce our seeds to new customers. These are regular full-size packages. It would be absolutely impossible to fill general orders at any such rate, but by putting up in such large quantities and concentrating an entire department on these comparatively few varieties, we can fill thousands of orders every day, both quickly and economically. \$1.00 SURPRISE COLLECTIONS.

READY MAY 20th.

Thousands of these collections sold annually. We are obliged to grow enormous stocks of all kinds of Plants, Bulbs, Shrubs, Fruits, etc., generally more than is necessary, to make sure of having enough. After the heavy spring business is over, in May, we take this surplus stock of various good things, make it into "Surprise" Collections and offer them to our customers, giving them many times the value of their money. These collections cannot be sent out until about the middle of May, and will be entirely of our selection, from kinds of which we have a surplus. No collection will be made up for less than One Dollar, and from that up to any amount the purchaser may desire. They are sent by mail, postpaid, but when ordered by express we send extra largest stock. We always advise customers to have their "Surprise" Collections forwarded by express whenever it is possible. (We do not pay express charges).

When ordering please state distinctly whether you wish by mail or express. All "Surprise" Collections ordered previous to May 20th, will be booked and shipped then, but we can continue sending them up to the 1st of July.

Cushion Frame Year

Have you heard of the new invention connected with the bicycle? Of the invention that makes all roads smooth roads? That is to bicycling what the Pullman is to railroading? It is our Hygienic

CUSHION FRAME...

A simple device, part and parcel of the bicycle, that makes the rider independent of rough roads. He holds a steady position while the wheels accommodate themselves to the roadbed. In the country districts this makes a road like the city pavement. It saves an over-worked horse—saves time.

CLEVELAND

BICYCLES have this great invention.
