It was decided that contests be limited to 18 ends, except the final game for the Governor General's prize, which will be 22 ends. The groups for the tankard were arranged, but the arranging of the District Cup competition was left over. Mr. J. A. McFadden was elected secretary-treasurer of the Association.

### THE EMPIRE LEADS.

For simplicity of construction, easiness in cleaning, saving of elbow-grease and closeness of skimming, "The Empire" cream separator leads the van. Don't take my word for it but call and examine for yourself. Take one on trial and be convinced. H. A. Nicholls.

### KING PLOWING MATCH.

The Annual Plowing Match of King Plowmen's Association will be held on the farm of Joseph Baker, Esq., lot 25, con. 5, King (one mile south of Kettleby), on Tuesday, November 3. Good prizes are offered in the eight different classes, besides a number of special prizes. Busses will run from Kettleby to the grounds. The Aurora and Schomberg Railway passes the field. Plowing commences at 9.30.

Lady Ruby Corsets, with suspenders attached; B. & I. bias filled corsets; E. Z. corsets, straight front, military hip, just to hand. Atkinson & Switzer.

### RINGWOOD.

Evangelist Pethick of this village and his colleague, Mr. Bunting, have for the past few weeks been holding special services in the Christian Church at Ringwood. The services have been well attended, and the interest increases night after night. Many people, young and old, have expressed a determination to lead a more consistent life, and the good feeling is felt in surrounding churches. The evangelists are requested to hold services in neighboring churches as soon as they close at Ringwood.

### CARRVILLE.

The anniversary services of the Methodist church will be held at Carrville on Sunday next, the 25th of October. Sermons will be preached at 2.30 and 7. p. m. by Rev. R. J. Douglas Simpson of Queenville, and music will be furnished by the Hope church choir. Free Will offerings will be taken at each service. The pastors and friends of the church hope for good congregations on both the above occasions.

### CREDITABLE WORK.

Our village, probably, never looked better at this time of year than it does this fall. The village council have the sidewalks in excellent repair, and a number of brick crossings recently put in are a credit to our Village Fathers, and to H. Blanchard and R. McLeod who did the work. If the council will order the cutting down and carting away of a couple of dead trees on the road in front of the Waiting Room it will greatly improve that corner where all cars stop, as these trees have been for several years past an eyesore to many of our citizens.

### PUMPKIN PIE SOCIAL.

The Pumpkin Pie Social in the School Room of the Methodist Church Friday evening, under the auspices of the Epworth League, was fairly well attended, and a neat little sum was realized. The chair was occupied by the senior pastor, Rev. T. Campbell, and the following contributed selections during the evening: Mr. A. J. Hume, a vocal solo; Mr. and Mrs. Cameron, a vocal duet; Miss Laura Duncan, a vocal solo; and Mr. Cameron, a vocal solo. A novel feature of the social was the appearance of the male waiters in white coats and white aprons.

### KILLED BY TROLLEY.

Mr. M. Teefy's favorite dog "Peto," was run over and killed by the last Metropolitan car going south on Saturday evening. The dog seldom left home unless with some member of the family, but he was seen playing with another dog near Mr. T. Palmer's farm a short time before the accident. The dog was badly mangled, and fortunately he would not live long after he was struck by the car. He was a well-bred collie, and the family feel very keenly the unfortunate occurrence. Miss Teefy at one time refused an offer of \$75 for the dog.

Men's and Boys' Shirts and Drawers, fleece lined and wool. A special snap in children's all wool under vests or shirts to fit children from 1 to 4 years old. Naughton Bros., Elgin Mills.

### A NEW DEPARTURE.

The first number of a neat little newspaper has been published, under the guidance of its editor, Rev. A. P. Brace of Newton Brook. The paper is called "The Circuit Rider," and will be published monthly in the interests of the Newton Brook and Willowdale Circuit. The first number is called the Bi-Centenary Number, and on the front page are cuts showing John Wesley at the age of 23 and 69 years. The typographical work is being done at THE LIBERAL OFFICE, and the initial number is a credit to the editor of the new paper.

### BEAUTIFUL PICTURES.

Two weeks ago in these columns The Family Herald and Weekly Star of Montreal made known to our readers its new premiums for this season, and it is most gratifying to learn from the publishers that the result of their announcement in this paper has created the biggest demand they have ever had from this section of the country. The liberality of their offer and our extensive circulation could not fail to bring returns. The Family Herald and Weekly Star is this year offering as free premiums to all subscribers two beautiful pictures, entitled "Heart Broken" and "Hard to Choose," as well as a large colored library map of the Dominion of Canada with an enlarged map of this province. Every place of importance can be found at a glance. Populations are also given. It is most complete, and with the pictures and The Family Herald and Weekly Star for one year, all for one dollar, is certainly worthy of public patronage.

Here are prices favorable to buyers: The best pure lard, 12c. lb.; the best XXX White Wine vinegar, 25c. gal.; green coffee, 10c. lb.; raisins, 4c. lb.; pearl tapioca, 4c. lb.; heavy 36 inch flannelette, 3c. yd.; heavy ribbed black cashmere hose, 25c. pair; men's fine wool shirts and drawers, \$1 per suit; best window glass, size 10x12, 49c. doz. Atkinson & Switzer.

### WOODBIDGE FAIR.

It has been computed that between eight thousand and nine thousand people were present at Woodbridge on Thursday, the last day of the fair. There was a good display of live stock and farm produce, and the ladies' department had many attractions for those who have a taste for the beautiful. The speeding in the ring was interesting, and most of the heats were close enough to be exciting. The only easy race of the day was the free-for-all which was won without difficulty by Dr. Forest's Looking Glass. The last heat in this race was won in 2.19. The following are the results of the afternoon:

Farmers' trot—Jack Smith, 1; Maud E., 2; Harold A., 3; Kitty Pearl, 4. 2.50 race—Meade's James M., 1; Little's Polly B., 2; War Eagles, 3; Bolton Boy, 4; John A., 5; Diamond Ring, 6; Golden Ring, 7.

Free for all—Dr. Forest's Looking Glass, 1; Shaver's Harry S., 2; F. Rowntree's Imperial, 3. Pony race—Donald, 1; Gladys, 2; Dot, 3; Daisy, 4.

The banquet in the evening was largely attended by both ladies and gentlemen, and an enjoyable hour or two was spent. The chair was filled by the Secretary, Mr. T. F. Wallace, who received a warm reception when he arose to propose the first toast. After "The King" was duly honored, "Canada" was proposed, and this toast brought forth able speeches from Hon. J. Israel Tarte, Arch. Campbell, M. P., and J. W. St. John, M. P. The addresses were patriotic, and were made on broad, national lines. The officers and guests separated at an early hour.

## Quick Sales

## Small Profits

That's the sort of business we like—brisk sales, quick returns and constant activity. There's an enthusiasm about it. Buyers tell their friends, they tell others, and so the news of goodness and cheapness gets generally known.

Almost all the stores insist on common courtesy and fair treatment, but somehow we've better manners and less friction here, which means better service. But what we say doesn't count for much except when it's what you say too. We quote:—

Men's Genuine Dressed Mocha Gloves, \$1, \$1.25, \$1.35, \$1.50 and \$2 per pair; special value in striped Flannelette at 5, 6, 7, 8, 9, 10 and 12c. per yd.; fine Valenciennes Laces and Embroideries to match at 25, 31, 4 and 5c. per yard; heavy 18 inch Hygienic Crash Towelling at 10c. per yard; heavy 36 inch Wrapperette at 10c. per yard; fine value in Men's Pants at \$1, \$1.25, \$1.50, \$1.75 and \$2.50 per pair; Flannelette Corset Covers, 25c.; Flannelette Drawers, 25 and 40c.; Flannelette Night Gowns, 50 and 75c.; Ladies' Hygienic Vests, 20, 25, 30, 35, 50, 75c. and \$1.

Our notion of a store is something more than a place to sell goods and grow rich and forget the buyers. There's never been a day since we've been in business here that we've been willing to sacrifice good-will for the sake of profit. The result is, those who shop here once are more than likely to come again.
