Jarrett—Snider.

A very pretty wedding took place
at the home of Miss Susie Snider, near
Vellore, on Wednesday evening, Oct.
21, in the presence of a few invited
friends. At precisely 4 o'clock, she
came down the stairway leaning on
the arm of her brother, Mr. David
Snider, who gave her away, and ac-
companied by her bridesmaid, Miss
Edith Campbell, while the wedding
march was played by Mrs. Hiltz of
Sherwood. The groom, Mr. Richard
Jarrett, and his brother, George, as
best man, had their position in the
parlor and the Rev. J. K. Hiltz, pastor
of the Lutheran church, very impress-
ively pronounced the words that made
them one. Both the bride and her
bridesmaid were becomingly attired
and looked their sweetest. After the
ceremony all repaired to the dining-
room, where a sumptuous dinner was
in waiting to which everyone present
did ample justice. The bride's cake
was a lovely work in art, of her own
make. Quite a number of valuable
and useful presents were given. After
the wedding, the bride and groom
settled down to housekeeping in her
lovely home on part of the old farm.

Ringwood

Evangelist F. J. Pethick of Rich-
mond Hill, and his colleague, Mr. J.
Bunting of Toronto, closed the special
evangelical services at Ringwood on
Sunday evening. There had been
twenty-nine conversions and most of
that number joined the church. The
largest congregation that has attend-
ed the church for years was present
Sunday evening. The rigs were lined
up and down the road-side for consider-
able distance each side of the church,
and the yard and large shed were also
full. The above named singing evan-
gelists started another series of meet-
ings in the church at Altona on Mon-
day evening, and the church people at
Bloomington expect them after the
services close at Altona.

GREATEST THING IN MAPS.

While the whole country has been
calling for a new up-to-date map of
Canada and all the Provinces showing
projected Transcontinental Railways
together with Alaskan boundary and the
lines claimed by both countries, it has
been left to the publishers of that great national newspaper, the Family Herald and Weekly Star of Montreal, to give to the world what it
has been looking for. These maps, it will surprise the country to hear, are printed on fine paper, beautifully
engraved, every boundary actually
traced, being at once the finest map
of Canada yet produced. It is timely
and of inestimable value. We under-
stand no copies will be sold under
\$2.50 each, but each yearly subscriber
of the Family Herald and Weekly Star
will receive the great map to-
gether with the autumn premium pic-
tures. New subscribers and renewals
will get the maps as soon as they are
out of the engravers' hands, but every-
one will be served exactly in the order
in which they subscribe or renew.
The Government of Canada will have
the use of a set of these Family Her-
ald Maps.
