LIFTING THE BURDEN

With a Gentle Hand—ANTI-PILL.

Woman's life is a battle with nerves that sap strength and energy. Shattered nerves aggravate and promote chronic troubles. There is no time in a woman's life ANTI-PILL fails to do good.

When the sleep is restless, food causes distress, headache or dizziness pains in the side or back, indigestion, palpitation, appetite poor, constipated, all tired out, depressed—just one trial of Dr. Leonard's ANTI-PILL will "lighten the burden" that is dragging you down. It begins its work in the stomach from which the blood is fed and the nerves controlled. ANTI-PILL embraces a new

principle. Its effects are different from anything else, and there is no mistaking its wonderful influence. Dr. Leonard has prepared the formula entirely free from the injurious ingredients common to present day pills, etc. It is the ideal system treatment. Price, 50 cents per box of dealers, or by addressing WILSON-PILLS Co., Niagara Falls, Ontario, who will also mail free sample to any address.

Wedding Bells.

A very pretty holly and mistletoe home wedding was solemnized at "Homewood Farm," Omagh, on Wednesday, Dec. 30, when Miss Lizzie Porter was united in marriage to Mr. Hiram E. Keffer of Maple. The bride, who was becomingly attired in a gown of grey cologne, came in on the arm of her brother, Mr. Alex. Porter, to the strains of Mendelssohn's wedding march, which was rendered by Mrs. Rankin. She carried a shower bouquet of white roses, and was attended by Miss Belle Graham of Patterson, N.J., who looked charming in pink crepe de chene, with bouquet of pink roses. The groom was supported by his cousin, Mr. A. F. Leck of "Hillcrest," Markham. After the ceremony, which was performed by Rev. J. D. McNamara, a sumptuous wedding breakfast was partaken of. The usual toasts were proposed and responded to in a pleasing manner.

The bride was the recipient of many costly and useful presents, among them being a handsome chair from the congregation of Knox Church. The groom's gift to the bride was a brooch set in diamonds and pearls, and to the bridesmaid a sunburst of rubies. The happy couple left on the 9 o'clock train for Sarnia and western cities, amid showers of rice and good wishes of their many friends.

Coleraine

On Wednesday, Dec. 30th, a very beautiful wedding was solemnized at the home of Mr. and Mrs. John Black, when their daughter Florence was united in marriage to Charles Rutherford of Albion. The ceremony was performed by the pastor of the bride, Rev. L. McLachlan, B. A., of Bolton, assisted by a former pastor, Rev. Peter Nicol of Tottenham, and Rev. Samuel F. Sharp, B. A., of Rochester, N. Y.

During the rendering of Lohengrin's Bridal Chorus by Miss Belle McNaughton of Maple, the bridal party took their places under a handsome arch of evergreens decked with roses. The bride looked charming in her bridal gown of white silk with shirring, sequin and silk fringe trimmings. She wore a beautiful veil of silk tulle and carried a rich bouquet of white roses. Miss Jennie Black, a sister of the bride, acted as bridesmaid. Her gown was of white crepe de chern, with trimmings similar to those of the bride, and she carried a bouquet of pink roses. The groom was supported by Mr. Cecil Gott of Albion.

After the ceremony all repaired to the basement, where a sumptuous wedding was served, after which toasts were proposed, Rev. T. McLachlan acting as toast master. Toasts to the bride, bridesmaid, and host and hostess were proposed by Rev. S. F. Sharp, Dr. Fuller McKinley and Rev. Peter Nicol, and were responded to respectively by the groom, groomsman and Mr. Black, father of the bride.

There were in attendance some eighty guests, relatives and friends of the bride and groom. The bride was the recipient of many handsome gifts, denoting the popularity of the bridal couple. The gift of the groom to the bride was an elegant sunburst of pearls; to the bridesmaid a gold brooch set with a beautiful opal. A very enjoyable evening was spent by the guests, after which the bridal couple departed, amidst showers of congratulations, on a trip to Toronto, Niagara and Rochester, N. Y.

Mount Pleasant

Dr. Dean and wife have returned from visiting friends in Toronto.

Mr. Wm. Greig spent Christmas day at the home of his father in Brougham, Ont.

Moris Rosenberg of the Mathews Co., Peterboro, was at his old home on Christmas day.

The thermometer registered 25 below zero on the morning of the 28th; the coldest day of the year.

On Monday evening Rev. Mr. Ray delivered a lecture in connection with the anniversary of the the Methodist Sunday School; his subject was "Jack and Jill."

The old municipal council was nominated for re-election with two new aspirants for office. The old council is in favor of draining the Cavan swamp and making the roads through it, which will shorten the distance to our market town.

The Ontario Government is giving a grant of \$3,000 to assist the township in draining the swamp.

Thos. Jamison is improving under the care of Dr. Dean.

Numbers are coming from the North West to spend the winter in a more moderate climate.

We regret to hear of the accident that might have proved fatal, which happened to J. R. McLean while skating on Toronto bay. In spite of all the warnings given some will rush on to destruction and death.

Miss Annie Gile of Pembain, North Dakota, arrived at the home of her grandparents, Mr. and Mrs. James McLean on the 31st ult. She speaks highly of "Uncle Sam's" territory and the liberty they enjoy there.

Mr. J. B. McLean is at the parental home, also Mr. A. P. McLean and his wife of Peterboro, are spending New Year's Day. They are not unkindful of the home of their boyhood and the old folks at home who will have all the families represented excepting two.

Narrow Chesis.

The old theory that consumption was inherited is utterly discredited by modern medical science. The germs of consumption must be received from without. These germs are every where. They are constantly being received and cast out by the healthy system. It is the narrow chested whose inheritance is weakness who fall a prey to consumption because they are too weak of lung to resist and throw off disease.

Doctor Pierce's Golden Medical Discovery makes weak lungs strong. It cures obstinate deep-seated coughs, bleeding lungs, weakness, emaciation and other conditions which if neglected or unskillfully treated find a fatal termination in consumption.

\$3,000 FORFEIT will be paid by the World's Dispensary Medical Association, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

"In the spring of 1900 I was taken with hemorrhage of the lungs, and became very weak and short of breath, lost flesh and had no appetite," writes Mr. E. L. Robinett, of Xerxes, Tenn. "I was persuaded to try Dr. Pierce's Golden Medical Discovery. The first few bottles seemed to do me but little good. Thought I would soon be a victim of that dreaded disease, consumption. Had almost given up in despair when my friends persuaded me to give your 'Golden Medical Discovery' a fair trial. I commenced its use. I weigh 160 pounds now, and when I commenced I only weighed 140 pounds. If any one doubts this statement I will be pleased to answer any inquiry."

Accept no substitute for "Golden Medical Discovery." Nothing is "just as good." Dr. Pierce's Pleasant Pellets cleanse the clogged system from impurities.

WATCH CLEANING

There are many methods of Watch-Cleaning, and so many different prices, that it is difficult to know when the work is properly performed.

The old method of cleaning with benzine—which is the almost universal method—is good as far as it goes, but the slightest trace of benzine left on a watch movement will destroy the oil put on the jewels, and cause the watch to stop.

Watches I clean are put through four different solutions after the benzine cleaning. This method removes all tarnish, and makes the watch as clean and bright as when it left the factory. I charge \$1 for watch-cleaning, and it is well worth it.
