RICHMOND HILL, January 7, 1901

Sir Wilfrid Laurier is among those who feel that Canada was wronged by the decision of Lord Alverstone on the Alaska boundary. Shortly after the decision was given out the Canadian Premier expressed his dissatisfaction, and pointed out that Canada should have more to say in the making of treaties affecting her permanent interests. Sir Wilfrid follows up his former remarks, and says that in treaties affecting Canada all the representatives of Great Britain should be commissioners chosen from among Canadians, and that the negotiations should be conducted subject to the approval of the Canadian Government. It appears that the draft treaty would afterwards be approved or disapproved by the King through his British Ministers.

For our part we cannot see what better the new arrangement would be than the present. It would be little use to appoint Canadian commissioners in an international dispute if they could be disapproved of by the British Parliament, and it would be too much to expect England to run the risk of allowing Canada or any other colony to involve the mother country in war or serious dispute.

Headford

S. S. No. 3, Markham, Headford, elected three new trustees, Mr. W. Teasdale in place of Mr. Geo. Cowie, removed, one year; Mr. Geo. Caldwell in place of Rev. F. Elliott, resigned, two years; Mr. Brodie for ensuing three years. With a Board of Trustees of good ability, and the present excellent teacher, we predict for Headford school a successful year.

Mr. B. Climenhaga and wife are visiting relatives and friends at his former home in Stevensville, Welland County.

Mr. Paul Winger and Mr. Jesse Climenhaga of Stevensville, are visiting friends in Markham and Whitchurch.

Threshing is nearly ended in this vicinity, but tree trimming is in full blast.

Mr. and Mrs. D. Heslop have returned home after spending a couple of weeks with friends at Meaford.

Miss Rhoda Deoks of Heathcote, spent Christmas and New Year's with her sister Mrs. James Barker.

Miss Rotta and Mr. Bert Leek spent Sunday with friends at Oshawa.

Miss M. E. Mapes has returned to Toronto after spending a few days at her old home.

Miss Clifford of Toronto, has been visiting her sister, Mrs. Geo. Henricks.

Mr. and Mrs. Stephen Mantle of Toronto, spent New Year's with the latter's parents Mr. and Mrs. Jonah Leek.

Apparently a jolly load of fifteen in number went for a sleigh ride Christmas night. Some of the same crowd went on New Year's night to attend the fowl supper at Victoria Square.

WANTED—FAITHFUL PERSON TO TRAVEL for well established house in a few counties, calling on retail merchants and agents. Locality territory. Salary \$20.00 per week with expenses additional, all payable in cash each week. Money for expenses advanced. Position permanent. Business successful and rising. Standard House, 630, Dearborn St., Chicago. Nov. 12-26 wks.

Victoria Square

The 50th anniversary of the Victoria Square Methodist Church was observed Friday and Sunday, Jan'y 1st and 3rd. Friday evening a fowl supper was given by the ladies of the church, which was first class in every particular and highly creditable to those who prepared it. After supper the audience was treated to an excellent musical and literary program. Rev. F. Campbell, Supt. of the Circuit, occupied the chair. Stirring and instructive addresses were given by Rev. Mr. Chantler of Maple, and Rev. Mr. Grant of Richmond Hill. Mr. Chantler gave a whole volume of information in facts and figures concerning the resources and possibilities of Canada, and made a strong and impressive appeal to young Canadians for more true patriotism and loyalty to Canada and the British Empire. Mr. Grant's remarks came as a very fitting sequel to those of the preceding speaker. He emphasized Mr. Chantler's patriotic utterances, and showed that while we were justified in maintaining a deep love and respect for the country of our racial origin, still our first duty was to be true to Canada and the Empire of which we form a part, and that of all patriotism and loyalty the truest, noblest and most elevating was

loyalty to the Church of God. Rev. Mr. Smith's speech was exceedingly brief and to the point, and Mr. Smith enjoyed the distinguished honor of his address, being the first ever endorsed by a Victoria Square audience. Miss Ada Barkey of Ringwood, delighted the audience with a beautiful solo and two well rendered numbers in elocution, her second number being heartily endorsed, to which she pleasingly responded. Mrs. Collard of Stouffville, in her first appearance before a Victoria Square audience, made a decidedly favorable impression with her sweet singing, every number being thoroughly appreciated, as was evinced by the hearty applause. Mr. R. E. Sinclair of Stouffville, delighted the audience by his rendition of the bass solo, "King of the Mighty Sea," which was very much appreciated, and most enthusiastically endorsed, to which he kindly responded by singing "Song of the Blacksmith."

Rev. Mr. Young on Sunday preached excellent sermons, afternoon and evening, which were much appreciated by large congregations. Miss Ada Barkey of Ringwood, assisted the choir.

Rev. Mr. Young was the guest of Mr. F. Nichols over Sunday.

Miss Harrison of Richmond Hill, spent New Year's with Mrs. Perkins.

Dr. and Mrs. Spaulding of Toronto, were the guests of Mrs. T. Frisby.

Miss Turner was entertained on New Year's by Mrs. N. O. Hagerman.

Miss Barkey and Miss Johnston were guests at Mrs. A. Jennings over Sunday.

Good Roads By-Law.

We have not seen full returns of the vote on the County By-Law to establish a County Road System, but the by-law has evidently been defeated, and a very small vote was polled. In York township the vote was 281 for, 354 against; in Richmond Hill 23 for, 12 against; Vaughan 71 for, 322 against. In the last named municipality the vote in the different polling sub-divisions was as follows:

	For	Against
Thornhill	18	26
Patterson	10	29
Edgely	5	40
Maple	13	63
Pine Grove	12	39
Purpleville	5	40
Elder's Mills	2	35
Kleinburg	9	50
	74	322

Majority against, 248.

Farming For Profit...

Every Farmer should keep these three words constantly in mind and conduct his farm on strict business principles. Guess work and haphazard methods are no longer used by successful and up-to-date farmers.

By reading THE WEEKLY SUN, the Farmer's Business Paper, you will get the very latest and most accurate information regarding your business.

THE SUN's market reports are worth many times the subscription price to you.

Every Farmer in Canada should realize the full value of the service THE SUN has rendered him in a public way. It was due to the action of THE SUN in giving voice to the opinions of the farmers that the law relating to cattle guards, drainage across railways, and farm fires caused by railway locomotives has been amended.

We will send THE WEEKLY SUN from now to 1st January, 1905, in combination with

The Liberal for \$1.75.

STRICTURES Cured To Stay Cured

Strictures, no matter where located, are apt to involve the surrounding structures. If neglected or improperly treated, stretching and tearing are the old barbarous methods of treating this disease. The strictly modern and original methods employed by us are free from the horrors of surgery and are absolutely safe and harmless. The abnormal stricture tissue is dissolved and leaves the channel free and clear. All unnatural discharges cease, any irritation or burning sensation disappears, the Kidneys, Bladder, Prostate Gland and other surrounding organs are strengthened and the bliss of manhood returns. Our ABSORPTIVE TREATMENT will positively cure you. YOU CAN PAY WHEN CURED.

We Cure Varicocele, Blood and Skin Diseases, Nervous Debility, Strictures, Bladder, Kidney and Urinary Diseases.
