The Liberal.

RICHMOND HILL, February 4, 1904

A social event held in Massey Hall Friday evening will long be remembered by Mr. Timothy Eaton and the Company's employes. This was in the form of a concert, the artists being from among the employes, and during the evening the founder and honored head of the company was presented with an address expressive of the gratitude of the five thousand work people engaged in the various branches of the company for the many evidences they have had for their welfare. Special gratitude was expressed for the boon of closing the store and factory every evening at 5 o'clock. Mr. Eaton in responding showed that he was deeply touched by the reception he received, and felt that any kindness he could show his employes would also be a kindness to himself, for all these things worked for the good of each of them.

The Markham Sun, in referring to the appointment of Mr. Alex. Russell as License Inspector for East York in place of the late Mr. James Eckardt, says there was a large number of applicants for the position "which is considered a sort of sinecure." No greater mistake can be made than to consider the above position a sinecure. The position requires much labor and active service, and the man who fills it acceptably must have lots of backbone, and be continually on the alert. And to be a success he must have the active support of all who wish to see the liquor law enforced.

Mr. H. H. Dewart, K. C., has resigned the office of County Crown Attorney for York, and Mr. H. L. Drayton has been appointed in his stead. Owing to Mr. Dewart's greatly increased practice he found it necessary to choose between his private business and his public position, and he decided to give up the latter. Mr. Dewart has been a capable officer, and has handled many cases of importance in a thorough and most successful way.

The Tribune of Toronto Junction, which has been ably conducted for the past fifteen years, has passed into the hands of Messrs. E. B. Wright and C. F. Wright, Mr. A. B. Rice, the former proprietor having been appointed Collector of Customs by the Dominion Government. Mr. Rice has proved himself a strong, forceful writer, and his retirement will be a loss to journalism.

The Newmarket Era points out that in his "examination for discovery" Mr. Lennox had asked Mr. Davis 1103 questions supposed to bear on the North York protest, and more are to follow. To say the least it must be humiliating to a Minister of the Crown to be compelled to answer hundreds of picayune questions little bearing on the question at issue.

MEN'S DISEASES

There is seldom a day that we are not consulted in regard to a condition that, if we were to have seen it in its early stages, the sufferer would have been relieved, cured and saved considerable expense. This we consider is due to lack of knowledge on the part of the doctor who has previously treated the case; therefore, we say to you, if you are suffering from any disease or condition peculiar to men, or if you have been a victim and been disappointed in not getting a permanent cure elsewhere, we would ask that you come to our office for personal examination or write us for a Question Blank for Home Treatment. We will explain to you OUR SYSTEM OF TREATMENT, which we have originated and developed after our whole life's experience in the treatment of special diseases of men. We will give you, FREE OF CHARGE, an honest and scientific opinion of your case. If we find you are incurable we will honestly tell you so. If we find your case curable we will give you a written guarantee to cure you or refund you your money.

—YOU CAN PAY WHEN CURED—

We cure NERVOUS DEBILITY, VARICOCELE, STRICTURES, BLOOD and SKIN diseases, PROSTATIC troubles, BLADDER, KIDNEY and URINARY diseases.
