THE AMERICAN MONTHLY REVIEW OF REVIEWS
THE NECESSARY MAGAZINE IN THE PRESIDENTIAL YEAR
The Review of Reviews is often called a necessity, in recognition of its usefulness in keeping readers "up with the times."
In Presidential election years the REVIEW OF REVIEWS is more than ever "the necessary magazine." Everybody wants to be truly and quickly informed about this or that public question that has forged to the front; to know about the new candidates and personal factors in politics, to have a complete picture at hand of the current movement of history.
In Dr. Shaw's editorials, in its authentic and timely contributed articles, in its brilliant character sketches, in its condensations and reviews of all the important articles of other magazines, and in its hundred a month of valuable portraits, witty cartoons, and interesting views, the REVIEW OF REVIEWS gives the much desired news of the world's and our own progress. "The World under a Field-glass" is the way one subscriber describes it.
Men in public life, like President Theodore Roosevelt, the members of Congress, and the great captains of industry, who must keep "up with the times," intelligent men and women all over America, have decided it is "indispensable."
