Wedding Bells at Maple.
The home of Mr. and Mrs. W. H. Line of Maple, was the scene of a very pleasant event on the afternoon of Wednesday, Feb'y 3. It was the occasion of the marriage of their daughter Lydia May, to Mr. John Devins of Carstairs, Alberta. About fifty guests were present to witness the interesting ceremony. The bride presented a most charming appearance as she came to the bridal altar leaning upon the arm of her father. The groom was supported by his cousin, Mr. Jas. Devins of Kleinburg, while Miss Annie Vance of Bolton, attended the bride, and Miss Adelle Jackson acted as maid of honor. The nuptial knot was securely tied by Rev. W. N. Chantler. After the wedding ceremony the guests repaired to the dining-room where full justice was done to the sumptuous repast provided by the host and hostess. After a short time spent in social intercourse, the happy couple left upon the evening train for Toronto. In a few weeks Mr. and Mrs. Devins intend leaving for their future home in "Sunny Alberta."

Love is sometimes a hard taskmaster. He drives women to tasks beyond their strength and lays heavy burdens on their shoulders. Love of husband, love of family, forces many a woman day by day to labor for the home when aching head and throbbing back make her utterly unfit for household duties. Weak, nervous women who suffer from headache, backache, bearing-down pains and other consequences of womanly disease, can be completely cured by the use of Doctor Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. "About two years ago I was taken sick and it seemed as if I had no nerves at all," writes Mrs. E. Woodbeck, of Delray, Mich. "Could not work an hour in the day without being tired out. I doctored first with one physician, then with another, but did not receive any benefit. One would say one thing and the next something else. I had almost given up when I thought your medicine might help me, so I wrote to you asking what to do. You advised me to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery.' I did so and could see a difference right away. I only took four bottles in all and felt better than I had in a long time. Can work all day now and not feel tired as I would in an hour before taking your treatment. I think it is the only medicine."

Dr. Pierce's Pleasant Pellets cure dizziness and sick headache.

JERRY SMITH
Practical Watchmaker
Watch buyers invariably ask the question, "What make of watch is the best?" Year by year we become more impressed with the fact that the best is the cheapest in the end. The adjusted Hampden movements keep better time than any other American made movements. They cost considerably more than the well known Waltham or Elgin watches, but the fine rate they hold makes them well worth the difference in the price. The lowest grades are worth \$8.50. Full jeweled, \$11.50. Full jeweled, adjusted to temperature, \$16.95. Full jeweled, adjusted to temperature, five positions and isochronism, \$26.00. Highest grade, \$56.35. The above prices include a nickel case only.
