FOR ENERGY AND STRENGTH—ANTI-PILL

Prevalent conditions that go to make people look old and fasten age marks before their time are described in the following letter from a woman who received immediate relief from a sample of ANTI-PILL.

"I would wake in the morning feeling tired. My feet and ankles would swell. I had a horrible dragged sensation. My head ached as though it would burst. My bowels were never regular. I had a disagreeable feel-

ing of overfulness after eating. Food would not digest, and caused great distress. Was nervous. I was treated for dyspepsia and constipation with little or no relief. A sample of Dr. Leonard's ANTI-PILL did me so much good I followed up its use, and two boxes has entirely cured me."

ANTI-PILL is sold by druggists, 50 cents, or mailed by addressing WILSON-PYLE Co., Niagara Falls, Ont. Free sample mailed to any address.

Egg Trade.

The following is the report of Mr. A. W. Grindley, Agent of the Department of Agriculture in Great Britain, regarding an important branch of the Canadian export trade in food products.

The Canadian Egg Trade is in a good way, best brands selling as high as fresh or Danish selected. The eggs are chiefly shipped in the "Canadian box," with "fillers" holding thirty doz. The style of package is popular and being of good quality gives general satisfaction. A limited number of eggs are shipped in the "Foreign Box" which holds 12 long hundreds (1440). The eggs in these large cases are packed in straw or excelsior and are put up in this style at the request of the importers. "Continental" and "Irish" eggs are packed in this style of package.

Both "fresh" and "glycerines" have come forward late in the year in large quantities; the quality was good but the total shipments have not been so large, owing to scarcity of eggs in Canada.

According to a book recently published in Russia, that country boasts of having left Denmark behind as regards export of eggs. Russian competition in butter, eggs and poultry is becoming very serious by reason of adopting up-to-date methods, and these products are becoming much more popular on British markets, owing to the improved quality. Russia, Denmark and other foreign countries are now taking greater care in selecting, grading and packing eggs, as well as getting them marketed as fresh as possible.

These foreign eggs now arrive several days every week, as well as regularly every week of the year.

The bulk of these eggs are perfectly clean, and are graded into as many as six sizes, so that to-day the British importer is not inclined to speculate as in former years, and will have little if anything to do with stocks which have been held in cold storage.

As Canadian exporters have to meet this competition, great care must be taken in selecting and sending forward only eggs which are perfectly fresh, clean and graded into sizes.

During 1903 the United Kingdom imported 19,848,897 great hundreds (20) of eggs, valued at £6,617,619. Canada's share of this large trade amounted to only 557,080 great hundreds, valued at £218,571. The imports from Russia amounted to £1,566,421 and from Denmark to £1,648,367. Germany, Belgium and France are the other leading exporters of eggs to Britain, each of these countries sending from three to four times as many as Canada.

Markham Tp. Council

Council met pursuant to adjournment, in the Council Chamber at Unionville, on Tuesday, March 8. All the members were present.

Communications were read from (1) J. C. Lundy, Clerk of Whitechurch, enclosing a bill for \$5.64 for repairs on townline between Markham and Whitechurch; (2) M. F. Ainslee, Drumbo, enclosing a petition to have legislation permitting Reeves and Mayors to form County Council not interfered with; (3) Harrington Bros., Malvern, asking to be favored with contract for any concrete pipe this municipality might order during 1904; (4) A. B. Colville, barrister, Campbellford, enclosing notice of application of the Campbellford Lake Ontario & Western Railway Co., which is applying at the coming session of Parliament for a charter to operate a line of railway between Blairtown and Ivanhoe on the C. P. R. to meet that line again between Locust Hill and Leaside Junction.

A by-law to make provision for grading, gravelling and otherwise improving and keeping in repair the highways in the Township of Markham and to repeal certain by-laws relating to statute labor and the duties of road overseers, was given its first and second readings. By the provisions of this by-law statute labor is commuted to a money payment of 75 cents for every day of statute labor. The township is to be divided into six divisions, each to be placed under a commissioner who is to act during the pleasure of the council. Rate payers are to be given the preference in hauling gravel and doing other work on the roads when they can furnish proper equipment.

The by-law will be given its third reading at the next meeting of the council.

Harper—Morrison—that the following accounts be paid:
Brown Bros., cash book .. \$ 5 00
Treasurer of Whitechurch, Markham's share repairing culvert on townline .. 5 64
Council adjourned to meet on Tuesday, April 12.

Victoria Square

As the roads have been in better condition for travel the past few days, many have moved away to their new homes.

Mr. Robert Hopper had one of his horses badly cut by a hay knife last week. The couds in its legs were severed.

The surveyors are still in our midst. They have set up seven rows of stakes in one block. Some, no doubt, would not object if they could join the force, which at present numbers eleven.

Mr. Clifford Burnham, who has been spending the winter at Orillia, called at Mr. Thos. Klinck's on Thursday evening last.

Mr. Joseph Burnham purchased a fine team at Mr. McCarty's sale. Miss Mabel Gooderham of Thornhill, spent a few days' last week with Mrs. E. Gooderham.

Mrs. J. Norton is visiting under the parental roof.

Mrs. Williams, we are pleased to state, is improving in health.

The missionary collectors for the west half of this appointment have made their annual visit to the various homes, and report good success.

Miss Pearl Burnham is visiting with friends in Huntsville.

A number of the young people of this place gave the Buttonville friends a visit on Thursday evening. The entertainment was a debate, "Resolved, that Women should have a right to Vote." Miss Wallace and Miss Stella Burr of Buttonville, brought forth many good reasons why they thought women should vote. Mr. Ross Klinck proved that women by their vote would not better the affairs of their country. He was supported by Mr. Louis Nichols, who claimed it was contrary to divine law for women to exercise such authority. The judges, Miss C. Lundy, Messrs S. Raymond and C. Sanderson were unanimous in their decision in favor of the speakers of the negative.

A very sad event occurred on Tuesday, March 8, in the death of the beloved wife of Mr. Robert Agar. Mrs. Agar was one of those genial, kind hearted women that one could not help but love and respect. She was highly respected by all who knew her and by her death the home and community sustains a great loss. She died trusting in Him "who is able to save." The funeral, which took place on Friday afternoon was very largely attended. Rev. T. Campbell preached the funeral service to a full congregation. The sympathy of the community is extended to Mr. Agar and all mourning friends in their great loss.

Mrs. Dibble of Ivy, who has been visiting her sister, Miss L. Jones for the past two or three weeks, set out for home last week.

We are sorry to learn that Mr. Jacob Forster is suffering from an inflamed eye. We hope to see him out again soon.

Mr. T. Johnston and family intend moving this week to their new home at Edgely. No doubt it will be a difficult task as the roads are very unfavorable.

Mr. Joseph Gordon of New Lowell, after spending a few days with relatives here, returned to Toronto on Saturday to get a good start for the north.

Mrs. Norton, her little daughter Marion, and Miss Graham of Aurora, are spending a few days with relatives and friends in this vicinity.

Miles on Miles

Are walked by the billiard player, as he moves around the table. That is the only exercise many a city man gets. It is this lack of exercise in the shut-in-life of the city, combined with irregular eating and indigestible dishes which tend to make the city man the victim of "stomach trouble."

When there is undue fullness after eating, with belching, sour risings and other distressing symptoms, a prompt use of Dr. Pierce's Golden Medical Discovery will effect a speedy cure. In the most extreme cases of disease of the stomach and other organs of digestion and nutrition, the persistent use of the "Discovery" will result in a complete cure in ninety-eight cases out of every hundred.

"The praise I would like to give your 'Golden Medical Discovery' I cannot utter in words or describe with pen," writes James B. Ambrose, Esq., of 125 1/2 Millin Street, Huntingdon, Pa. "I was taken down with what our physicians said was indigestion. I doctored with the best around here and found no relief. I wrote to you and you sent me a question blank to fill out and I did so and you then advised me to use Dr. Pierce's Golden Medical Discovery. I took three bottles and I felt so good that I stopped—being, as I think, cured. I have no symptoms of gastric trouble or indigestion now."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for paper covered book, or 50 stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.
