

LOCALS.

Miss Eva Hopper spent a few days with relations in Toronto.

Mrs. (Dr.) Lloyd of Montreal, returned home on Thursday, after a three weeks' visit with Mr. and Mrs. Jesse Grant.

Social evening at the Epworth League Friday evening of this week. A good programme is being prepared. All are cordially invited.

Mr. W. T. Storey is in Toronto attending the annual meeting of the Grand Lodge, A. O. U. W., as a delegate from Ivy Lodge, No. 114.

The remains of the late Charles Barton, who for a number of years was station agent at Thornhill, G.T.R., were brought from Kinnmount Monday afternoon, and interment took place at Edgely cemetery.

Rev. A. M. Rutherford, Church of England clergyman at Sutton West, died on Monday in his 36th year. Deceased was District Deputy for the Ancient Order of United Workmen for this district.

We observe by the Winnipeg Tribune that Mr. E. E. Law, editor and proprietor of the Qu'Appelle Progress, has been elected a Vice-President of the Western Canada Press Association. Mr. Law received his first lesson in the art of printing in this village.

P. T. Barnum once said: "If you have \$19 to put to use, pay \$10 for the article and \$9 for the advertising. I can out talk any man but a printer. The man who publishes a paper and every week talks to a thousand men, while I talk to one, is the man I am afraid of, and I want to be his friend. The business man who does not advertise is a poor stick. Trade with men who advertise if you want to get bargains and the worth of your money."

BROOCH LOST.

The finder of a hand-painted brooch lost in the village, or on the car track immediately south of the village will kindly leave the same at THE LIBERAL Office.

Buy your doubts and try us once. Atkinson & Switzer.

STOCK SOLD.

Stock is selling well in this section of country. Mr. T. E. Boynton, Victoria Square, recently sold four draught horses for good prices. Also last week he sold a fine thoro-bred Short-Horn bull calf eleven months old to Mr. H. Rumble, lot 21, con. 3, Vaughan. The price paid for the calf was \$70.

Our statements are trusty, true and terse. Atkinson & Switzer.

STILL CURLING.

The first of the series of curling matches for a proposed oyster supper was played off between Mr. H. A. Nicholls and Mr. M. Boyle yesterday afternoon and resulted as follows:—
John Casley John Morgan
P. G. Savage F. McConaghy
E. Barker W. Sanderson
H. A. Nicholls, sk 22 M. Boyle, skip... 11

It costs nothing to see our goods; give us an early call. Atkinson & Switzer.

CARRYING THE MAIL AGAIN.

After a knock-out of nearly two weeks the Metropolitan Railway recommenced last Friday carrying the mail between the C. P. R. crossing and Elgin Mills. Men are at work digging, shovelling and picking the snow and ice off the track over the Ridges and on to Newmarket. The expense of the company has been very heavy during the past month, which goes to show that the Metropolitan Railway is no gold mine in the winter time.

Full stock of best Canadian refined sugars on hand and a big \$'s worth given. Atkinson & Switzer.

DANGEROUS UPSET.

Mr. James Hill suffered an accident on Monday which might have cost him his life had he been less skillful in the management of horses. On his return trip from Kleinburg the barge sleigh upset on a rough piece of road. The horses were trotting at the time and the upset was quite unexpected. Mr. Hill's foot caught in the railing of the sleigh, and he was dragged for a considerable distance before he could stop the horses. With a good deal of difficulty he extricated the foot, got the sleigh in shape and drove home. The Dr. found that no bones were broken, but some ligaments in the ankle were severed, and the injured limb is very painful. Had Mr. Hill loosed his hold of the lines the accident might have been far more serious.

If you hear of lower prices than ours let us hear about them. Atkinson & Switzer.

NEW MANAGER.

The Winnipeg Tribune of the 5th inst. contains the following paragraph relative to the appointment of Mr. C. H. Whittaker, as manager of the Company's western branch:—"C. H. Whittaker, of Toronto, assistant manager of the Ontario branch of the Massey-Harris company, has been appointed to succeed R. H. Agur as manager of the western branch at Winnipeg. Senator Jones, president and general manager of the company, who has been in Winnipeg for several weeks, and left for the coast to-day, issued a circular to this effect yesterday, asking that Mr. Whittaker be accorded hearty co-operation of all the agents and employes throughout the district. The new manager assumed his duties this morning. He has been with the company for over twenty years and is regarded as one of the foremost implement men in Canada." The new manager at Winnipeg formerly held a position in the office of the Patterson works at Patterson, and resided in this village.

GRAND FINALE.

A very successful season of skating and hockey was brought to a close Thursday evening. The ice was in good condition, and the skating before and after the hockey match was apparently much enjoyed by all those who took part in that healthful exercise. Many of the costumes worn by the contestants in the match were excellent, and no difficulty was experienced in finding the particular nation represented. The principal nations of the old and new worlds were cleverly portrayed, even "Carrie Nation." The players of the sterner sex paid every respect to that young "lady," and this tenderness may have been either from the charming smiles she threw around, or on account of the hatchet which she wore exposed in her belt. The sides lined up as follows:—

RUSSIA	JAPAN
F. Burnett, Russia	F. Ludford, Japan
A. Boyle, Spain	C. Glover, U. S.
G. Duncan, France	G. Sims, Britain
C. Ellston, Austria	A. Glass, Germany
H. Sanderson, Italy	M. Storey, Corea
C. Storey, China	W. Clifford, Carrie Nation.

Mr. J. Glover gave every satisfaction as referee. The games at the close stood 5 to 4 in favor of Japan. A section of the Baud furnished good music, and many of the skaters made use of the ice until the hour of 10.30 was reached.

Headford

Our burgh seems to be a moving community just at present. Mr. Lundy is settled on Mr. Leach's farm, and Mr. Sewel has moved into Mr. Thomson's house.

Farther down the line there are two more movings to record. Mr. Hill has moved to Buttonville and Mr. Clement to Unionville.

Mr. C. Clark has been tearing down one of the barns on his new place this week.

The inhabitants of Headford almost imagine they can see the smoke and hear the rattle of the trains on the new railroad, so very much surveyed has this district been.
