RICHMOND HILL
—ON—
TUESDAY, APRIL 5, 1904.
Commencing at 10 a.m.
T. F. McMAHON, CLERK

**Profitable
Poultry
Raising**

There is big profit in raising poultry if you go about it in the right way. Half-measures mean only half-profits. If you would get the full profit out of this fruitful department of your farm you must work under the best conditions. You can do this only when you use a Chatham Incubator and Brooder. We positively guarantee it to be a good hatcher and we sell it on the most liberal terms ever offered by any manufacturer.

We know of no offer we could make that would more thoroughly prove our confidence and faith in it. If the Chatham Incubator is not all we claim for it you are not out one cent. Chatham Incubators are made just as good as money and skill can make them. We haven't stinted in anything. The hidden parts are as strongly made and as well finished as the parts you see. They are built to stand the hardest kind of wear and give the very best of service. They embody every real improvement known in the manufacture of incubators. Cut out the coupon in the corner of this ad. or write your name and address on a postal card and mail it to us for full particulars of our offer. Do it to-day. Mention this paper.

Chatham Incubator
without one cent of cash from you until Oct., 1904

We will ship you—freight prepaid by us—a

HARNESS REASON

No sound-headed man asks to-day "Is it cheap to buy the best harness?" He knows, either because he's had our harness and learned its worth, or because he's had some cheap stuff and learned its worthlessness. You can't do better anywhere than here when buying harness.

Now is the time to see that your Harness and Collars are in shape for spring work.

Geo. McDonald, Richmond Hill

Frost Wire Fence

Has no equal as General Purpose Farm Fence

It will turn Stock without injury—beautify the Farm—does not need constant patching and with reasonable usage will last a life-time. Booklet and full particulars given on request.
