**MORE HYPOCRISY.**

Controller Richardson in a letter to Mayor Urquhart acknowledged that he received bogus votes at the late municipal election in Toronto, and resigned his office. The resignation would have come with better grace had he left politics out of the question. The late controller should blush with shame when he expresses his desire for "purity in politics." He says "The people of Toronto rightly will not tolerate any interference with the ballots and have strongly endorsed Mr. Whitney in his great battle for purity in politics." He then goes on to say that he is "a supporter of Mr. Whitney and of the party he so honorably and ably leads," etc.

What nonsense. What has Mr. Whitney ever done to purify politics? He has long shown a desire to purify "Grit" politics, but who ever heard him condemn corruption committed by a Tory? A couple of years ago in a public address at Holland Landing Mr. Whitney insulted every deputy returning-officer and poll-clerk in the Province by declaring that "an organized effort was made at the previous General Election to steal one or two ballots at every polling booth in the Province." Mr. Whitney has never given any proof to strengthen the extravagant statement, and it is safe to say he has no proof. If Mr. Whitney and Mr. Richardson have an earnest desire to purify politics, they should not close their eyes to corruption in their own party. Although nearly every person accused and convicted for wrongdoing in the recent elections in Toronto is a Conservative yet the Grit newspapers have practically made no use of it politically. Surely it will become Mr. Richardson to endeavor to make political use of it in his miserable letter to the Mayor.

A recent number of the Aurora Banner gives the amounts paid to each York County Councillor last year as attendance and mileage at Council meetings, also attendance and mileage at Committee Meetings. The figures show that including the Warden's allowance of \$450, the amount paid the Councillors for 1903 was \$3,524.20. The Banner concludes its criticism by suggesting that "it is about time a change was made in the present County Council". While the amount as given above does seem a lot of money, THE LIBERAL is not in a position to question any of the items. The county auditors no doubt looked carefully into every account, before signing their report. The Banner's criticism seems to cast discredit on every member of the Council." The Banner also singles out Mr. Pugsley and Mr. Woodcock as "men of importance," though the latter according to the figures does not take second place, Mr. Quantz drawing considerably more money than Mr. Woodcock. It does not reflect discredit on the County Councillors to be told that Mr. W. H. Pugsley, with all his long experience, draws more money than any of his colleagues, and no blame need be attached to Mr. Quantz, Mr. Woodcock or any other councillor if he honestly did the work that was entrusted to him by the majority of the Council.

(Too late for last week.)

There is a Reaper, whose name is Death,  
As with his sickle keen,  
He reaps the bearded grain with a breath,  
And the flowers that grow between.  
"Shall I have nought that is fair," saith he;  
Have nought but the bearded grain?  
Though the breath of these flowers is sweet to me  
I will give them all back again."  
He gazed at the flowers with tearful eyes,  
He kissed their drooping leaves;  
It was for the Lord of Paradise  
He bound them in his sheaves.  
Longfellow's Reaper and the Flowers.)  
The Reaper visited this part of the country last week and gathered one of our fairest flowers, little Charlie Grady. Much sympathy is felt for the family in their deep sorrow. Charlie will be much missed at school for he was loved by all there and his fair, sweet face will not soon be forgotten.

After Piles have existed for a long time and passed through the different stages, the suffering is intense—pain, aching, throbbing, tumorous form, filled to bursting with black blood. Symptoms indicating other troubles may appear to a thoroughly Pile-sick person. This is when Hem-Roid, the only internal and the only absolute Pile cure, brings the results that has made its fame. It will cure the most stubborn case in existence and a bonded guarantee to that effect goes with every package. It is to be had at the drug store.
