A Present for the Old Folks.
For the Stomach's Sake.
An eminent physician says, "human
life should last five times the years it
takes to mature"—thus if twenty-one
is maturity we should live over a
hundred years, but there are not many
reach the century mark. A great deal
more longevity would exist if the
stomach did not get crippled and
played out—that organ gets plenty of
abuse, and is deserving of attention—
It is the starting point of most ailments
and it needs the first attention when
symptoms of sickness appear. If an
elderly stomach can be kept working
right, you may be sure of a ripe and
contented old age, comparatively free
from physical burdens. The great new
discovery, ANTI-PILL, the Great Sys-
tem Treatment has a grand effect in
helping old and deranged stomachs.
Any aged person who will address a
Postal to Wilson-Fyle Co., Niagara
Falls, Ont., will get a free trial bottle
by return mail.

How It Spreads.
The first package of Hem-Roid (the
infallible Pile cure) that was put out
went to a small town in the state of
Nebraska.
It made the cure of a case of Piles
that was considered hopeless.
The news spread and although this
was only two years ago the demand
prompted Dr. J. S. Leonhardt of Lin-
coln, Neb., the discoverer, to prepare
it for general use. Now it is being
sent to all parts of the world.
It will cure any case of Piles. There
is a month's treatment in each box.
Sold for \$1.00 with absolute guaran-
tee.
It is for sale by all druggists.

TORONTO'S GREATEST FIRE.
Fire broke out on Tuesday evening
in Currie's, Wellington st. West and
soon spread to Bay and Front Sts.
Wholesale district swept by flames.
Loss estimated at \$13,000,000. Loss
to insurance companies \$8,000,000.
About 5,000 persons will be thrown
out of employment.
Hamilton, Buffalo, Niagara Falls,
London, Peterboro and suburban
towns sent detachments to fire brig-
ade.
No lives were lost but Chief Thomp-
son and others of the fire brigade were
injured.
The firemen worked like heroes, but
the system was inadequate.

Money Makes Money.
Money makes money when well in-
vested. Money is well invested when
used in purchasing securities of un-
questioned merit at less than their
intrinsic worth.
Circumstances create opportunities.
One man's necessity is often the other
man's opportunity. As Investment
Specialists we have placed before men
anxious to make money, many golden
opportunities for so doing.
Many availed themselves of such
money making opportunities and are
to-day satisfied with the results.
How is it with you? Are you making
money? Is the money you have
made making money for you?
You worked hard for your money,
now make your money work for you.
Three per cent. is all right for the
man with a hundred thousand dollars,
but of little account to the hard work-
ing man with an honest ambition to
forge ahead and materially better his
financial condition.
A three per cent. dollar is pretty
much like a lazy man. You have to
have a lot of them to make a showing,
and individually they are scarcely
worth their salt. Don't employ a lazy
man to do your work, and don't keep
a lot of lazy dollars loitering away
their time at three or five per cent
when they can be employed in safe
and profitable work, bringing you in
from ten to thirty-four per cent.
They can do it. We know where
some of your dollars may secure some
very profitable employment.
Call at our office and let us talk
the matter over. You will find us in
the Spectator Bldg., Hamilton, and we
invite you to write to us, or call upon
us. We make appointments for even-
ings to suit those who cannot call in
the day time.
YOUR OPPORTUNITY IS NOW.

News Notes
The Canadian Press Association
have arranged for an excursion to St.
Louis in the month of May. A special
train will leave Toronto on Saturday
morning the 14th of May, and will
reach the Fair grounds the following
morning at 7 a. m.
Neil N. McDougall, merchant tailor,
died at his home in Carberry,
Man., on Monday. Deceased was
formerly a resident of Newmarket.
That smokeless powder has its
dangers as well as its advantages is
pointed out by a recent medical writer.
The gases from it produce very dis-
agreeable symptoms, among which
are convulsions, difficulty of breath-
ing, feeble pulse and heart action,
headache, or even loss of conscious-
ness. These are due chiefly to the
nitrous products of combustion, which
while they are not so objectionable in
the open air, may become dangerous
in a confined space, such as the turret
of a battleship.—"Success."

Baby Costs Too Much
When the price paid is the mother's
health and happiness. The father
doesn't realize as he romps with the
child what years of wifely suffering
must be set against the baby's laughter.
Chronic invalidism is a high price to
pay for the painful joy of maternity, yet
it is at such a cost that many a woman
becomes a mother. Such a price is too
much because it is more than nature asks.
By the use of Dr. Pierce's Favorite
Prescription maternity is made practically
painless, and a quick convalescence is
assured in almost every case.
**\$500 Reward for Women
Who Cannot be Cured.**
The proprietors and makers of Dr. Pierce's
Favorite Prescription now feel fully war-
ranted in offering to pay \$500 in legal
money of the United States, for any case
of Leucorrhoea, Female Weakness, Prolap-
sus, or Falling of Womb which they can-
not cure. All they ask is a fair and reason-
able trial of their means of cure.
"There are thousands of sick women dragging
out a weary, miserable existence, who would
be well and happy did they but have my experi-
ence with Dr. Pierce's Favorite Prescription,"
writes Mrs. Annie Lenman, Lady Commander
Star of Bethlehem, Lodge No. 27, of 106 Jackson
Street, Atlanta, Ga. "Four years ago I was
nearly dead with inflammation and ulceration.
I endured daily untold agony, and life was a
burden to me. I had used medicines internally
and externally until I had made up my mind
that there was no relief in sight for me. A friend
of mine endorsed your 'Favorite Prescription,'
and I determined then to give it a trial. It took
patience and perseverance for I was in a bad
condition, and had to use your medicine for
nearly four months before I was cured, but what
a change it brought: from despair to happiness,
from misery to the delightful, exhilarating feel-
ing that only health brings. I would not change
back for a thousand dollars. Your 'Favorite
Prescription' is a grand medicine. I wish every sick
woman would only try it and be convinced."

Dr. Pierce's Favorite Prescription
contains no alcohol and is entirely free from
opium, cocaine and all other narcotics.
The dealer who offers a substitute for
"Favorite Prescription" does so to gain
the little more profit paid on the sale of
less meritorious medicines. His profit is
your loss; therefore, accept no substitute.
