The Story of Life.

Making the best of life is getting the
best health you can out of it—good
digestion is the key. What you eat
may or may not do you good. It de-
pends upon how it is handled by the
digestive apparatus of the stomach—
If it is deranged, the blood, instead of
taking new life and strength to the
various organs of the body, takes
poison which clogs the kidneys, irri-
tates the nerves, distresses the heart,
causing headache, sleeplessness, weary,
dull feeling, backache, rheumatism,
neuralgia—makes the complexion sallow
—causes biliousness and constipa-
tion. The great new discovery ANTI-
PILL has a marvellous influence in
correcting a crippled or rebellious
stomach, and the results that follow—
ANTI-PILL is the most perfect help to
have when you feel wrong, out of sorts,
