SCHOOL OF SELF-DEFENCE FUUND WHAT

AND ALSO FOR DETECTIVES, JUGGLERS AND OTHERS.

Prof. Tomlinson Instructs His Pupils in all Sorts of Housewifely Duties.

All good citizens will rejoice to learn that a new and efficacious method of abolishing those parts of the streets, known as Hooligans, has been discovered and put into practical application by a French gentleman named M. Pierre Vigny.

Some years ago the idea occurred to M. Vigny, who, it may be mentioned, has been fencing master to a French crack cavalry regiment, that it would be possible to discover a system by which people could guard themselves against the cowardly methods of assault practised by the blackguards of the streets. M. Vigny accordingly purchased a stout walking-stick, and, armed with and in passing my urine would hurt it, proceeded to study the methods me so as to almost cause tears to of Hooligans in the slums of London come to my eyes. and Liverpool.
