The Fair a Great Succ. 88.

Ideal weather was one of the factors that added to the success of the Fair on the "24th." Tuesday was one of the few fine days of the past two weeks, but certainly Victoria Day brought "Queen's weither," the sky being unclowded from morning till night. A gentle breeze tempered the sun's rays, the grass was green everywhere, and not a speck of dust was to be seen, Many people drove to the Fair from a long distance, and hundreds came from north and south on the Metropolitan Railway. The hotels TORONTO OFFICE: No. 33 Rich- were taxed to their utmost capacity, and the Methodist and Presbyterian churches, where excellent meals were served, were well patronized for both dinner and tea. The concert in the evening under the auspices of the Agricultural Society was well patronized, though the place was not jammed as it was a year ago. Mr. Arthur Blight, Mr. Harvy Lloyd, Miss Emily Scott and Mrs. W. E. Ramsay were in their places, but the chairman, Mr.

J. H. Sanderson, announced to the audience with much regret that Miss Marietta La Dell, the talented elocutionist, had failed to keep her engagement with the concert committee, having missed her car.

Among the prominent visitors at the Fair, outside of Richmond Hill, were Arch. Campbell, M. P.; John Richardson, M. P. P.; T. H. Lennox, J. W. Moyes, Alex. Russell, Jas. Ley, Arthur Quantz, John Gardhouse, Alex. Pingle, Waiter Scott, G. Forester, A. Summerfeldt, D. M. Malloy, J. Slater, Warden Hartman, T. J. Woodcock, J. Breakey, J. E. HURRY UP!

Everywhere one hears that expression "burry up!" It is a genuine Americanism expressive of the "rush" in which we

see how many prominent men are carried away by "stomach trouble," "acute indigestion" and other related diseases. Their lives have in general been sacrificed to the haste and rush of business which overlooked the fact that food can only nourish the body when digested and assimilated and that the digestive

and assimilative processes can't be hurried. Dr. Pierce's Golden Medical Discovery, cures diseases of the stomach and the associated organs of digestion and nutrition. The source of all physical strength is food, properly digested and perfectly assimilated. By enabling the perfect digestion and assimilation of food "Golden Medical Discovery" increases and enriches the blood supply and sends new strength to every organ of

"I was at one time as I thought almost at death's door," writes Mr. J. S. Bell, of Leando, Van Buren Co., Iowa. "I was confined to my house and part of the time to my bed. I had taken quantities of medicines but they only seemed to feed the disease; but I must say that 'Golden Medical Discovery' has cured me, and to-day I am stouter than I have been for twenty years. I am now forty-three years old."
