TO BECOME A MAROON.

The Chicago Daily News of 7th inst.  
gives a column of sporting news, and  
places Mr. Norman Barker, formerly  
of this place, as one of the leading  
athletes in that city, as well as show-  
ing him to be a good student at col-  
lege. The following paragraph is clipped  
from a lengthy article in The  
News:—"Norman Barker of the Hyde  
Park national championship H. C.  
relay team two years ago is the first  
athlete of class of this year's high-  
school crop to matriculate at the Uni-  
versity of Chicago. Barker was a  
member of the Hyde Park team this  
spring and did creditable work for  
his school. He is a sprinter and quar-  
ter-miler and critics declare gives great  
promise on the cinder path. Ecker-  
sall in high school was always Barker's  
running mate and for many meets  
each fought it out for supremacy race  
after race, with the honors split about  
even for a year. The next foot-ball  
season Barker sprained his ankle badly  
and this has handicapped him severely  
both in foot-ball and track work.  
During the last season he appeared to  
have made recovery and much is ex-  
pected of him by his Hyde Park  
friends at the Midway institution." We  
are pleased to congratulate  
another of our former Richmond Hill  
boys.

Cut to a bargain price are those  
heavy prints of ours at 12c. yd. At-

Carrville

Rev. Mr. Jeffries, who has been ap-  
pointed junior pastor on this circuit  
preached his opening sermon on Sun-  
day evening.

Miss Pearl Reaman, the thirteen  
year old daughter of Mr. and Mrs.  
Daniel Reaman, had her arm broken  
on Thursday of last week, while help-  
ing her uncle Mr. Josiah Reaman to  
operate a honey extractor. The  
handle of the machine caught her arm  
throwing her violently to the floor.  
The fracture was set by Dr. Stubbs of  
Thornhill. She is doing as well as can  
be expected.

It is surprising the indifference with  
which the people are treating the  
smallpox cases in this vicinity. Your  
correspondent thinks that the health  
officials should keep a closer quaran-  
tine, and the people should see to it  
that their families are protected by  
vaccination, which has not been at-  
tended to in a single family in this  
vicinity so far as is known.

CANADIAN STORY-WRITERS.

There are thousands of people who  
should appreciate Canadian stories be-  
cause they are Canadian, yet are quite  
unfamiliar with the names of Cana-  
dian story-writers. The July "Can-  
adian Magazine" contains at least three  
stories by leaders in this class of  
literature. There is a racing story by  
W. A. Fraser, who is the author of  
several books, and a resident of  
Georgetown, a small town just west of  
Toronto. There is a humorous tale by  
A. R. Carman, a staff writer on the  
Montreal Star, the author of two  
novels, and a descriptive writer of  
considerable experience. The western  
story, "Star-Blanket," is by Duncan  
Campbell Scott, an officer in the De-  
partment of Indian Affairs at Ottawa,  
and the author of some volumes of  
verse of more than ordinary merit.  
It is pleasant to know that it is pos-  
sible for a magazine editor to secure  
stories by native writers fully equal  
to those produced elsewhere in the  
Anglo-Saxon world. This number  
contains also some articles of excep-  
tional interest, including "The Ladies'  
Empire Club of London," by Lally  
Bernard; "An outing on the Bay of  
Fundy's Shore," by F. C. Sears; a  
character sketch of Richard McBride,  
Premier of British Columbia, by T. A.  
Gregg, and "How Our Grandfathers  
Lived," by Frank Yeigh. All these  
contributions are appropriately illus-  
trated. Special attention is also given  
to summer books. The colored front-  
ispiece is an attractive bit of Cana-  
dian scenery.

RASPBERRY FESTIVAL.

The ladies of the Woman's Mission-  
ary Society of Victoria Square Meth-  
odist church will hold a raspberry  
and ice cream festival on the church  
lawn on Saturday, July 23. A suit-  
able program will be rendered by the  
following talent:—the Victoria Square  
Male Quartette; Mrs. T. Tran, soloist,  
Brantford; Miss M. Lidell, soloist,  
Toronto; Miss Lawrence, elocutionist,  
gold medalist, Toronto; Miss Jean  
Scott, elocutionist, Victoria Square;  
Miss B. Tudgeon, violinist, Mark-  
ham; Mr. Pickering, violinist, Mark-  
ham; Mr. Ralph Frisby, phonograph,  
Cashel. Tea served from 6 to 8. Rev.  
T. Campbell, chairman. Admission  
20 and 15 cents.

This is the place where the best is  
found. Atkinson & Switzer.

Toronto Exhibition Prize List.

A copy of the Prize List for the Cana-  
dian National Exhibition to be held  
in Toronto this year from Aug. 29th  
to Sept. 10th has been received. It is  
an exceptionally handsome and well  
printed production. The cover is in  
three colors and tastefully embossed.  
All the classes are nicely arranged  
and the Executive are pleased to say  
that the greatest care has been taken  
to have the rules, regulations and con-  
ditions explicitly set forth in clear un-  
mistakable language. There are no  
fewer than two hundred and fifty  
classes covering practically every in-  
dustry known to Canada that is  
worthy of encouragement, and calling  
for \$35,000 in prize money. In several  
departments considerable changes  
have been made and the premiums  
altered. A new Art Gallery and a  
new Administration Building are be-  
ing erected and improvements made  
to the grounds. The famous Black  
Watch Band, by gracious permission  
of His Majesty, the King, and of the  
Colonel and officers of the gallant old  
"Forty-two," has been engaged and  
will play three times each day during  
the entire period of the exhibition.  
A number of other decidedly superior  
attractions have also been arranged  
for. Altogether, therefore, the Ex-  
ecutive feel justified in promising that  
Toronto's Great Fair of '04 will eclipse  
all its predecessors. Copies of the  
Prize List can be had on application  
to J. O. Orr, Manager, 70 King St.  
East, Toronto.

**How Health  
Is Gained.**

The story of a  
great deal of the un-  
happiness of women  
is a story of lost  
health. Women  
wonder how it is  
that little by little  
the form loses  
plumpness, the  
cheeks grow hollow  
and sallow, and  
they feel tired and  
worn-out all the  
time. In a large  
proportion of cases  
when women are  
weak, run-down and falling off in flesh  
and looks, the root of the trouble can be  
traced to womanly diseases which under-  
mine the general health. The proof of  
this is that women who have been cured  
of painful womanly diseases by the use  
of Dr. Pierce's Favorite Prescription have  
recovered their general health, gained in  
flesh and in appearance.

**\$500 Reward for Women Who  
Cannot be Cured.**

The proprietors and makers of Dr. Pierce's  
Favorite Prescription now feel fully war-  
ranted in offering to pay \$500 in legal  
money of the United States for any case  
of Leucorrhoea, Female Weakness, Pro-  
lapsus, or Falling of Womb, which they  
cannot cure. All they ask is a fair and  
reasonable trial of their means of cure.

"I suffered for three years with ovarian  
trouble," writes Mrs. Ann Quinn (Treasurer  
Woman's Athletic Club), of 602 Sycamore St.,  
Milwaukee, Wis. "The treatment I took did  
not do me a particle of good, until a good neighbor  
who had been using Dr. Pierce's Favorite  
Prescription advised me to give it a trial. The  
next day took my first dose, and it was my first  
step toward recovery. In nine weeks I was a  
different woman; my flesh which had been  
flabby became firm, complexion clear and my  
eyes bright. It was simply an indication of the  
great change within from pain and suffering to  
health and happiness."  
Dr. Pierce's Pleasant Pellets invigorate  
stomach, liver and bowels.
