

SUCCESS!

Business is British

W. H. H. A.

There is a great demand for British goods in all parts of the world. It is our duty to supply this demand and to do so in a way that will benefit our country and our people. We have the advantage of being able to supply goods of the highest quality and at the lowest possible price. We are therefore in a position to compete successfully with the goods of other countries. We are confident that our goods will be found to be of superior value and that our prices will be found to be most reasonable. We are therefore sure that our goods will be found to be the most desirable and the most economical. We are therefore sure that our goods will be found to be the most successful.
