MORE SPEED More Pleasure!

Riding a new bicycle is a new joy. The cushion frame removes the last trace of jarring that worries the rider of the rigid frame in going over rough places. The coaster brake saves the work of pedaling and leaves the wheel to glide along itself.

Cleveland!

Fitted with the two latest inventions that have made bicycling famously popular again.

Profitable Poultry Raising

There is big profit in raising poultry if you go about it in the right way. Half-measures mean only half-profits. If you would get the full profit out of this fruitful department of your farm you must work under the best conditions. You can do this only when you use a Chatham Incubator and Brooder. We positively guarantee it to be a good hatcher and we sell it on the most liberal terms ever offered by any manufacturer.

We will ship you—freight prepaid by us—a
Chatham Incubator
without one cent of cash from you until Oct., 1904

We know of no offer we could make that would more thoroughly prove our confidence and faith in it. If the Chatham Incubator is not all we claim for it you are not out one cent. Chatham Incubators are made just as good as money and skill can make them. We haven't stinted in anything. The hidden parts are as strongly made and as well finished as the parts you see. They are built to stand the hardest kind of wear and give the very best of service. They embody every real improvement known in the manufacture of incubators. Cut out the coupon in the corner of this ad., or write your name and address on a postal card and mail it to us for full particulars of our offer. Do it to-day. Mention this paper.
