

Maple

The Presbyterian Church and fence have been re-painted, and everything about the edifice looks bright and fresh again.

Mr. R. S. Thomson, collector of taxes for the east half of the township, has entered on his duties, and is making a house-to-house visit.

A number of our citizens attended the annual meeting of the Town Line Beef Ring Tuesday evening at the home of Mr. W. Walkington, and report a pleasant and profitable time. Mr. F. J. Roche, Conservative candidate for North York, made a short call during the evening.

The November meeting of Vaughan Council will be held at the Hall, Vellore, on Tuesday next.

Some of the young men of Maple made things lively on Halloween. Many of them were unknown by their friends. They blackened their faces, and not being accustomed to this color it disarranged their stomachs. But after having all traces of coloring removed they did not seem much the worse after their night of masquerading and revelling.

Mr. T. Cousins, the horse king, has lately sold a few good horses at fair prices.

The chopping mill is now running day and night.

Our village blacksmith, Mr. T. Chaburn, is doing a rushing trade. Tom says there is no place like Maple.

Victoria Square

The "sports" are on their way to the north land.

Beef Ring meeting at Meek's Hotel Tuesday evening passed off successfully. The society decided to run another year. All officers were re-elected.

The topic for discussion at Epworth League this week was China Missions. Papers bearing upon the subject were read by Messrs. Humphrey, Hitchcock and Klnck. These along with songs and choruses made the meeting both enjoyable and profitable.

Miss Lillie Dennie entertained a number of her friends on the occasion of her birthday, Nov. 1.

Mr. and Mrs. Geo. Schell of Carville, spent over Sunday with Arthur T. Klnck.

Miss Gould of Toronto, is visiting with Mrs. T. Frisby.

Miss L. Lundy spent Sunday afternoon with Miss Hattie Wellman.

Mrs. E. Woodard has gone north to spend a time with her sister at Feversham.

Most hearty congratulations to the Misses Rena and Jessie Scott.

The young folks here take a great interest in the Sunday evening services at the Dunkard church. One young man loaded too heavily and broke a spring.

Mr. Frank Rowbotham spent Sunday evening at the residence of Mr. A. E. Jennings.

Edgely CIDER & JELLY MILL

Will run on custom work during September three days only, namely:—Tuesday, Sept. 20 and Monday and Tuesday, 26 and 27 of the last week, and will run first four days of each week during October and November up to and including Nov. 17, 1904. As is well known we make raw cider, boiled cider, apple butter and jelly all from your own apples while you wait. Cider can be boiled to any thickness. Jelly apples should be well ripened and two-thirds sweet. Parties wishing apple butter should keep their peeling apples separate from the cider apples. We expect to buy a quantity of cider apples (from customers only). As we have now, after many improvements, a capacity of about 3,000 gals. of cider boiled into jelly and apple butter, per day, we hope to give our customers quicker work and better satisfaction than ever. Customers are respectfully requested to do business on the above mentioned days as we live a distance from the factory and customers coming any other day would find it very inconvenient. As will be noticed, the business has changed hands, however, we still intend to take the best of care to please every customer, as the senior member of the present firm is H. Winger, formerly of Winger Bros. So we hope to see all our old customers back again this season as usual, with as many more as possible. Thanking the general public for past favors, we solicit a continuance of the same in the future.

H. Winger & Son.

Profitable Poultry Raising

There is big profit in raising poultry if you go about it in the right way. Half-measures mean only half-profits. If you would get the full profit out of this fruitful department of your farm you must work under the best conditions: You can do this only when you use a Chatham Incubator and we will sell it on the most liberal terms ever offered by any manufacturer.

Chatham Incubator
without one cent of cash from you until Oct., 1904

We know of no offer we could make that would more thoroughly prove our confidence and faith in it. If the Chatham Incubator is not all we claim for it you are not out one cent. Chatham Incubators are made just as good as money and skill can make them. We haven't stinted in anything. The hidden parts are as strongly made and as well finished as the parts you see. They are built to stand the hardest kind of wear and give the very best of service. They embody every real improvement known in the manufacture of incubators. Cut out the coupon in the corner of this ad., or write your name and address on a postal card and mail it to us for full particulars of our offer. Do it to-day. Mention this paper.
