JAMES BAY RAILWAY.

Construction work on the James Bay Railway is proceeding vigorously in the south. About 250 men, in two gangs, equipped with steam shovel, dump cars and horses, are at work in the Don valley east of York Mills. Mackenzie & Mann, as contractors have a gang of men grading the approaches to and filling up a deep ravine near the Don post office, in York township. The ravine is about 400 yards across, and about 75 or 80 feet deep. The engineers have avoided the necessity of bridging the Don river at this point, and instead are filling in the ravine to the depth of 26 to 28 feet, leaving only an aqueduct to be constructed of masonry for the use of cattle and stock down to the river. At the present time the steam shovel is working in a hard bed of clay or shale, and dynamite and black powder have to be generously used. The river will have to be crossed and re-crossed, consequently the progress in grading in that part will be comparatively slow.

WILLIAM TYRRELL DEAD.

William Tyrrell, one of the best known figures in York County, died suddenly Tuesday at his home in Weston. Deceased, who was 89 years old, was the first Reeve of Weston, was Reeve of York township for some thirty years, and for several terms was Warden of the county. On Monday he was about the house, apparently in his usual health, but at night he suffered a paralytic stroke, to which he succumbed Tuesday morning. He came to Canada from Kildare, Ireland, in 1836. He leaves a widow, daughter of the late Rowland Burr of Toronto, and four sons—Dr. R. Shaw Tyrrell of Toronto; Henry Gratton, C. E., of New Britain, Conn.; James William, C. E., of Hamilton, author of "Across the Sub-Arctic of Canada"; and James Burr of Ottawa, who, accompanied by his brother, J. W., has conducted exploration expeditions in northern Canada and Hudson's Bay.

FIFTEEN DOLLARS AND COSTS.

Thomas, Herbert and Frank Glass were up before Mr. Woodcock, J. P., on Friday charged with committing an assault on Wm. Nicol a few days before. Thomas Glass was first charged with "felonious and brutal assault." Complainant testified that he had gone on the farm to ask for his axe which was at the barn of Glass Bros. Thomas refused to give up the axe when asked for it, and complainant stated that he (Thomas Glass) raised the axe to strike him. A scuffle then took place in which William Nicol was roughly handled. The defence was that Thomas Glass did not raise the axe to strike Nicol, but that the latter tried to wrest it from him. After considerable time was spent in hearing the evidence Mr. Woodcock suggested an adjournment of 15 minutes to allow the parties to settle between themselves. Counsel on each side consulted when it was arranged that Glass Bros. pay to Wm. Nicol \$15 and all the costs of the suit. The charges against Herbert and Frank were then withdrawn.

MARRIAGES.

NEES & KAMAN—At the Parsonage, by the Rev. T. Campbell, on the 2nd inst., Mr. W. W. Waddington, to Miss Florence Reaman, both of Markham.

Sherwood

A large number of the members and friends of Zion E. L. Church, Sherwood, met at the Parsonage on Monday evening of last week to bid farewell to Rev. J. K. Hilty, wife and family, previous to their departure for their new home in Indiana, Pennsylvania. Between seventy-five and eighty of the friends sat down to a sumptuous tea which had been provided by the visitors. After the tables were cleared Mr. H. Keffler was called to the chair, and after some complimentary remarks relative to the pastor and family, called upon some of the friends who came forward and presented a purse, accompanied by the following address: DEAR PASTOR.—We, the members and friends of this place here assembled, do exceedingly regret that you have seen fit to sever your connection as pastor here and go to another field of labor, but what will be our loss will be others gain. The time you have spent with us has been pleasant and profitable to us, and we hope has been at least to some extent with you, wishing you and family well wherever you go, hoping your lines may fall in pleasant places. Before saying farewell we beg of you to accept this small token of respect. It is not what our hearts would dictate but hope you will accept it in the spirit in which it is given. Signed on behalf of members and friends.

Mr. Hilty replied in feeling terms, thanked the friends for the remembrance, and expressed his thanks for the kindness shown him during the years he was with them as pastor. During the evening the National Anthem and a number of favorite pieces were sung, and the friends separated after the Doxology and Benediction.

The auction sale of furniture, etc., at the Lutheran Parsonage Monday afternoon was very satisfactory.

Mr. A. Lahmer moved Rev. Mr. Hilty and family to Thornhill station Friday morning. Many of the members and friends were at the station to say good-bye to their late pastor and family and to wish them prosperity in their new home.
