Gardner—Pauline.
A very pretty wedding took place
on Thanksgiving Day at "Dufferin
Grove," the home of Mr. and Mrs. Jas.
Pauline, when their only daughter,
Miss Mabel Pauline, was wedded to Mr.
George R. Gardner, Toronto. The
ceremony was performed by Rev. J.
A. Grant, M. A., under an arch of
evergreens in the drawing-room,
which was tastefully decorated. The
bride, who was given away by her
father, looked well in a handsome
gown of cream albatross, and she
carried a shower bouquet of white
chrysanthemums. She was preceded
by her bridesmaid, Miss M. Leitch of
Belwood, and two little flower girls,
Misses Geititude Derry and Laura
Innes. As the bride entered the
drawing-room leaning on the arm of
her father, Miss Wiley played The
Bridal Chorus from Lohengrin, and as
the happy couple were receiving the
congratulations of friends after the
ceremony, she played softly Men-
delssohn's Wedding March.
The bridesmaid wore a becoming
dress of pearl grey crepe de chene,
and carried a bouquet of pink chrys-
anthemums, and the flower girls look-
ed very pretty in white dresses, carry-
ing bouquets of pink and white carnations.
The groom was supported by
his brother, Mr. Howard Gardner of
Toronto.

The bride was the recipient of many
pretty and useful presents, including a
\$100 cheque from her parents. The
groom's gift to the bride was a beau-
tiful necklace, to the bridesmaid a pearl
crescent, and to the flower girls heart
shaped pins.
The rooms were filled with more
than 100 guests, and the sweet music,
mingled with the pleasant laugh and
chat of many voices, were evidences
of a happy and enjoyable afternoon
and evening. Mrs. Pauline was a
pattern hostess, cordial in her wel-
come, and Mr. Pauline was wishful
that all should enjoy themselves.

Later in the day the tables were set
with an excellent supper, when the
tempting refreshments were served by
the Willing Workers, of which Mission
Band Miss Pauline was a member. An
interesting toast list followed the re-
freshments. After "The King" was
duly honored, Rev. Mr. Grant proposed
the health of "The Bride and
Groom" in a humorous and interest-
ing speech. The groom responded,
after which was proposed "The Par-
ents of the Married Couple." Mr.
Pauline in responding expressed his
pleasure in having so many friends
present, and was followed by the
groom's father, Mr. Gardner of Oak-
wood.

The young couple left on the 7 o'clock
car going south, accompanied by the
best wishes of their relatives and
friends, and amid showers of rice.

With silver collection you can hear
both foreign and local talent at the
Presbyterian Church next Wednesday
evening. Concert at 8 o'clock.

King Plowing Match.
As usual, the annual plowing match
of King Plowmen's Association, held
on the farm of Mr. A. B. Wells, King
City, on Wednesday of last week, was
a success. The frost gave the plow-
men some trouble in the morning, and
several who had intended entering the
competition did not come owing to the
uncertainty of the weather, but the
work done was exceedingly creditable.
The attendance of visitors was un-
usually large. Many expert plowmen
visited the field during the afternoon,
and the match was graced with the
presence of a large number of ladies.
Good meals were provided at the King
City hotel, by the proprietor, Mr.
Andrew Lloyd. The judges were
John Morgan, Willowdale; Thomas
Cane, Aurora; Wm. Jeffrey, Vaugh-

Victoria Square
The children have commenced prac-
ticing. They are looking forward to
a few jolly nights from now until
Xmas. A good entertainment is as-
sured.

Rev. J. M. Simpson delivered an
able and forcible address on "God's
Country," in the Methodist church on
Monday evening. He endeavored to
prove that we British subjects are
Israelites indeed.

The protracted meetings at the
Dunkaid church closed on Sunday.
There were about sixty confessions.
It is expected a series of revival ser-
mons will begin at the Methodist church
in the near future.

A large number of young people
met at the home of Mrs. Perkins on
the evening of Thanksgiving when a
very enjoyable time was spent. Nu-
merous games, abundance of music
and an excellent supply of refresh-
ments, made the long hours pass
quickly.

Mr. and Mrs. E. Baker of Bethesda,
spent Monday afternoon and evening
with Mr. T. Klink.

Mr. L. Nicholls, a student at Toron-
to Normal School, spent Thanksgiving
at home. He reports three geats at
Normal. He has fattened up con-
siderably and thinks this is due to
good treatment by the ladies.

We were all sorry to hear that Mr.
Walter Brumwell has been taken to
the hospital because of diphtheria.

Mr. George Clifford of Toronto,
is at present here with his father, who
is suffering severely from Bright's
disease.

Messrs. Clifford Burnham and R.
Perkins went to Markham Saturday
evening to witness the play, "Uncle
Tom's Cabin" in the town hall.

Mr. and Mrs. A. E. Jennings spent
Sunday at the home of Mr. R. L.
Nichols.

Mr. L. Stoutenburgh spent Sunday
last at Victoria Square.
Applications are rolling in to the
Trustees Board of S. S. No. 7.

Miss Lillie Dennie entertained her
friend, Miss Nellie Jennings, at her
home on Sunday evening.

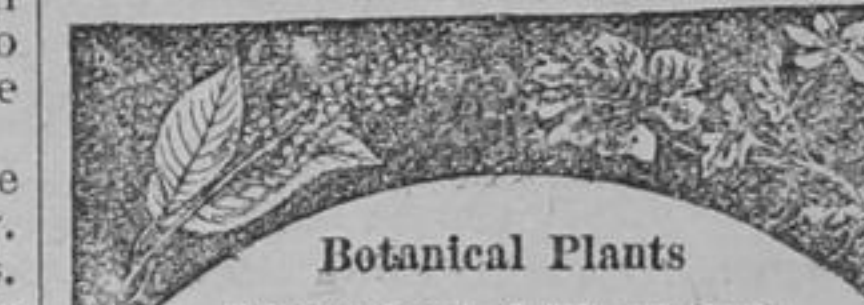

Louis did not go out without his hat
on Saturday evening.
Mr. Herbert Trudgeon has left our
midst and returned to Markham.
The farmers here are rejoicing over
the continuance of the fine weather.

York County Council.
York County Councillors com-
menced their November session in the
old court house, Adelaide street, To-
ronto, on Monday, the warden, Mr.
L. L. Hartman, in the chair. A large
number of communications were read
by the clerk, which will be dealt with
during the week.

Councillor Evans presented a peti-
tion from the residents of Mimico,
asking to have the village made a
police village. A petition was pre-
sented by Councillor Woodcock from
the council of Holland Landing, ask-
ing that the large anchor left there
during the war of 1812, be vested in
the village. Councillor Evans gave
notice that he would introduce a peti-
tion to the legislature in regard to the
running of automobiles, and asking
that county councils be empowered to
regulate their speed. A. A. Miller
forwarded a copy of the agreement be-
tween Scarborough Council and the York
Radial Railway Company, in reference
to the extension of the Toronto and
Scarboro Railway from the Half-Way
House to West Hill. William Moore,
secretary of the Canadian Association
for the Prevention of Consumption
and other forms of tuberculosis, asked
help in framing a petition in his honor
the lieutenant-governor-in-council,
with the object of "seeking to reduce
the ravages of this disease, and per-
haps ultimately free the country from
it altogether." Several residents of
Holland Landing petitioned to with-
draw their lands from the village and
return to the township of East Gwillim-
bury again. Six municipal coun-
cils are in favor of a return to the old
system of county councils, in which
that body was composed of the reeves,
deputy reeves and mayors of the
minor municipalities. They request
that the question be submitted to the
ratepayers of the county, but as only
six out of the twenty have petitioned,
the question will not be dealt with at
the present sitting. H. E. Irwin for-
warded the presentment of the grand
jury, and A. E. Pugsley, reeve of
Sutton, wrote asking a grant to the
new village lockup.

Council resumed its session on Tues-
day. All the members were present
with the exception of Councillors
Turner and Hill. Mr. Hill, who has
been appointed registrar for the south-
ern division of York County, handed
in his resignation. By-laws to appoint
officials for the Industrial Home, and
to provide for the election of a warden
were passed. A motion was passed
instructing the legislative committee
to forward a petition to the legisla-
ture praying that all matters pertaining
to the running of automobiles on high-
ways be placed under the control of
municipalities, or county in which
said municipality is situated. On
motion it was decided to detach the
farm lands from Holland Landing and
annex them to East Gwillimbury.

Miss McDonald of Toronto, is the
elocutionist at the Scotch concert St.
Andrew's Night.

Botanical Plants
Hold the Secret of Life and Death.
Recent experiments conducted by most
eminent scientists, prove that light is a
great remedial agent; it is essentially
Nature's agent. It may be either sun-
light or electric light, but it has a de-
cided effect in helping nature to banish
disease and restore health. Other scien-
tific men have proved that oxygen clea-
nifies the heart and can prolong life.

The people on this earth are susceptible
to some laws which govern plant life. A
plant cannot be successfully grown in the
dark. A man is seldom healthy and strong
who lives in the dark or in sunless rooms.
After all, Nature's ways are found to be
the best. Nature's remedies are always
best for eradicating disease, and by this we
mean a medicine made of roots and herbs.
They are assimilated in the stomach and
taken up by the blood and are, therefore,
the most potent means which can be em-
ployed for the regaining of lost health.
Dr. R. V. Pierce, consulting physician to
the Invalids' Hotel and Surgical Institute,
at Buffalo, N. Y., in many years of exten-
sive practice, found that he could pin his
faith to an alternative extract of certain
plants and roots for the cure of all blood
diseases. This he called Dr. Pierce's
Golden Medical Discovery. Containing no
alcohol nor narcotics, entirely vegetable,
this "Discovery" makes rich red blood and
is a powerful tissue-builder, giving the tired
business man or woman renewed strength
and health. Rapidly growing school-girls
and boys often show impoverished blood
by the pimples or boils which appear on
face or neck. To eradicate the poisons
from the blood, and feed the heart, lungs
and stomach on pure blood, nothing is
so good as Dr. Pierce's Golden Medical
Discovery.
Don't allow the dealer to insult your in-
telligence by offering his own blood re-
medy to you instead of Dr. Pierce's well-known
preparation of Dr. Pierce's. Ten chances
to one he will substitute a cheap compound
having a large percentage of alcohol in it.
Dr. Pierce's Pellets are the best for the
bowels. Use them with the "Discovery."
