The only available positions for the Band Stand seem to be in the Park or on the lawn in front of the Public School. The Metropolitan Railway Company purpose erecting a new waiting-room on the lot purchased.

"THE PRINCESS AT WORK."

We have received a copy of the above picture, and it is the most beautiful and artistic premium ever given with The Family Herald and Weekly Star, of Montreal. It is a handsomely finished work of art and is deserving of the highest praise. This premium and the great Montreal weekly will be sent to any address for \$1.00, or in connection with THE LIBERAL for \$1.85. Orders taken at this office.

MARRIED AT THE JUNCTION.

"Hazeldene," the residence of Mr. Arch. Campbell, M. P., Toronto Junction, was the scene of a very pretty chrysanthemum wedding yesterday afternoon, when Mr. Campbell's second daughter, Helen, was united in marriage to Mr. George S. Deeks of St. Paul, Minn. The ceremony took place in the drawing-room at 2.30, and was conducted by Rev. G. C. Pidgeon, B. D., pastor of Victoria Church, the bride being given away by her father, in front of a bower of palms and chrysanthemums.

Mr. George Elder will contribute Scotch solos at the Presbyterian Church Wednesday, November 30th; also a male quartette from Elder's Mills.

THE "CLIFFORD" DEVICE.

The fall and winter catalogue just issued by the Harold A. Wilson Co., Toronto, gives a cut of a hockey stick showing a test given the "Clifford" device as applied to the Wilson hockey sticks. The device makes the blade of a hockey stick absolutely unsplitable, therefore practically indestructible. The Wilson Co. have applied the device to their best hockey sticks. The inventor is Mr. Wm. Clifford, formerly a star player on the Richmond Hill hockey club and the device has been patented. Mr. Clifford receives a royalty of \$1.20 a dozen on all sticks sold in Canada with the above device.

CONCERT AT THORNHILL.

There were some disappointments among the artists who were to take part in the recent concert given in Victoria Hall, Thornhill, under the auspices of the Public Library, but their places were filled and a fair sized audience was in the hall. Those who took part in the program were the following:—Harry Bennett, humorist; Lily Bletsoe, cornetist; Mr. Duffy, entertainer; Ida Hunter, entertainer; McCraney Bros., banjo soloists; Arthur B. Smith, baritone; Daisy Nelles, accompanist. The concert was enjoyed, and the performers will be welcomed back on a future occasion.

DECEMBER "SUCCESS."

A beautiful cover design and a variety of contents, to which many well-known writers have contributed, combine in making the December issue of "Success Magazine" one of surpassing attractiveness. The leading article, "The Ever-living Fairy-lore of Christmastide" by Richard LeGallienne, recalls to us the magical tales that delighted our childhood fancy. Cinderella, The Sleeping Beauty, Babes in the Woods, Jack, the Giant-killer, Hop-o-my-Thumb, and other heroes and heroines of fairyland are charmingly portrayed by G. Alfred Pierson in illustrations accompanying the article. Alfred Henry Lewis is a frequent contributor to "Success Magazine," and this month he has written a splendid article on "Men Who Have Matched Opportunity." David Graham Phillips's new serial, "The Plum Tree," deepens in intense interest with each installment. There is an intermingling of love and politics in the story, and a vivid portrayal of the workings of the "machine" in affairs of state.

Our made-to-measure suit, pure worsted serge, either blue or black, absolutely fast in color, smartly cut and well made, serviceable, always genteel, we quote at \$15, and our ambition is to measure you. Atkinson & Switzer.

DEATH OF CAPT. MARSH.

Capt. George Frank Marsh, of Huntsville, brother of Mr. Alex. Marsh of this place, died at his home "The Maples," on Saturday last, and was buried Monday with Masonic honors. Capt. Marsh was President of the Huntsville and Lake of Bays Navigation Company, and was one of the best known transportation men in the Province. He was 66 years of age, and until about six months ago took an active part in the management of the navigation company at Huntsville. The funeral was one of the largest in the history of the town, and was attended by representatives from the Masonic Order, the Canadian Workmen and the I.O.F., in all of which the deceased had taken an active interest. Besides a widow deceased leaves a grown-up family of three boys—Capt. Fred Marsh and Mr. Peter Marsh, both of Huntsville, and Mr. W.A. Marsh, President and Manager of the Marsh Manufacturing Company, Toronto. Four daughters are also left—Mrs. J. R. Morrison of Little Current, Mrs. (Capt.) John Fraser, Mrs. W. B. Strachan of Huntsville, and Mrs. Charles Frost of Peterboro. The late Capt. Marsh was born at Richmond Hill in March 1838, where his early days were spent. In politics deceased was a staunch Reformer, and in religion he was a Presbyterian.
