

THE TORONTO
Weekly Mail and Empire's
NEW PREMIUM
ATLAS OF CANADA AND THE WORLD

WORTH STUDYING
 WORTH HAVING

THE MAIL AND EMPIRE has secured as a premium for its subscribers a number of the most useful and instructive World Atlases that have ever been offered on such reasonable conditions. In fact, it may safely be said that at no time has any Canadian publication made such a generous proposition to its readers.

The production is by the Rand-McNally Co., and contains, besides a large map of the world (Mercator projection), a map of the Dominion, Province of Ontario, and separate maps of the Maritime Provinces, Quebec, Manitoba and the North-West, and British Columbia. Besides these there are large and detailed reproductions of all the great countries in the world in map form. The edition has been specially prepared for the benefit of Canadian readers.

It is absolutely "up-to-date."

THE MAIL AND EMPIRE

has obtained the exclusive right for this Atlas in Canada. The large maps are 22 x 14 inches in size, and printed on fine calendered paper. Regular price 50 cents. **FREE** to readers under the following conditions:—

**Profitable
 Poultry
 Raising**

There is big profit in raising poultry if you go about it in the right way. Half-measures mean only half-profits. If you would get the full profit out of this fruitful department of your farm you must work under the best conditions. You can do this only when you use a Chatham Incubator and Brooder. We positively guarantee it to be a good hatcher and we sell it on the most liberal terms ever offered by any manufacturer.

We will ship you—freight prepaid by us—a
Chatham Incubator
 without one cent of cash from you until Oct., 1904

We know of no offer we could make that would more thoroughly prove our confidence and faith in it. If the Chatham Incubator is not all we claim for it you are not out one cent. Chatham Incubators are made just as good as money and skill can make them. We haven't stinted in anything. The hidden parts are as strongly made and as well finished as the parts you see. They are built to stand the hardest kind of wear and give the very best of service. They embody every real improvement known in the manufacture of Incubators. Cut out the coupon in the corner of this ad., or write your name and address on a postal card and mail it to us for full particulars of our offer. Do it to-day. Mention this paper.
