Thomas Frisby of Victoria Square died at his home yesterday in his 83rd year. Funeral Saturday at 2 p.m.

A meeting of the local W.C.T.U. will be held at the home of Mrs. Pauline next Tuesday evening at 7.30. Business of importance.

Little Violet Smith happened with a rather serious accident going home from school Tuesday evening. She fell off a bob-sleigh and broke her arm.

Local option was carried on Saturday in the town of North Toronto by a majority of 25. The three bars in the town will close on the 1st of August. The liquor party claim, however, that the vote is illegal.

Next Monday evening at the Epworth League the Rev. W. G. Smith will give an address on the "Welsh Revival" and the "Revivals of the future." All are welcome.

The sweetest place in town is Atkinson & Switzer's. This is acknowledged by all who buy their chocolates and bon-bons.

Mr. C. Sheppard, Toronto, who attended the century birthday party Friday evening, remained till Saturday and called on many old friends here.

Mr. Everette Law left Saturday for Peach Land, B.C., where with his brother Roscoe, he has taken up land. Mr. Law went by C.P.R. and will stop over for a few days with his brother Elmer at Qu'Appelle.

The fine dairy butter at Atkinson & Switzer's cannot be beaten, but their eggs can and this latter item is worthy of the attention of every housewife.

Horses are still selling at good figures in this section of country. A few days ago Mr. James Murphy, "Clear View Farm," a mile north of Elgin Mills, sold a team of bay colts, two years old, for \$310. Mr. Bruce, Almiria, was the buyer.

We observe by an Orillia paper that the James Bay Railway will alter its course so as to touch Orillia on condition that the town give them a bonus of \$25,000, and the Council and citizens are considering the advisability of doing it. That amount makes Richmond Hill's \$528.75 look small.

The barn and all other outbuildings on the farm of the late Robert Thompson, between the Summit House, Oak Ridges, and Lake Wilcox, were burned to the ground on Sunday evening, 5th inst., about 9 o'clock. We understand the building were partially insured, but it is said the tenant, Mr. Stiles, had no insurance on contents.

Groceries that are special value and easily transformed into healthy human tissue:—corn starch, 5c. lb.; Orange Meat, 2 packages for 25c.; Shredded Wheat Biscuit, 2 packages for 25c.; pure lard, 9c. lb.; best dates, 4c. lb.; best Comradia figs, 4c. lb.; 15 lbs. powdered sugar for \$1. Atkinson & Switzer.

An exciting game of hockey was played in the rink Thursday afternoon between picked teams from the North vs. the South part of the village. The match ended in a draw, but by another game played Saturday evening it was decided that the north had a little the better of it.

A steam railway cannot fail to be a benefit to this village. But a railway without a station here would be of little value. Let every ratepayer who has a vote poll it on the 24th in favor of granting \$528.75 for station grounds here. It will benefit all whether they are assessed for much or little.

WHIST CLUB.

The Whist Club will meet at the home of Miss Annie Boyle on Thursday evening the 23rd.

The Spring Term in the popular Elliott Business College, Toronto, opens on April 3rd. This school is thoroughly up-to-date and enjoys a splendid attendance. The Principal, Mr. W. J. Elliott, will be pleased to send a catalogue to all intending to secure a business or shorthand education.

The Executive committee of the Richmond Hill and Yonge street Agricultural Society met on Saturday and revised the prize list for the annual fair on the 24th of May. They recommended an increase in the prizes in several classes. The proposed changes and increases will be submitted for ratification at the next meeting of the Society.

Freeholders who are men, unmarried women or widows, are entitled to vote on the by-law to be submitted to the ratepayers on the 24th, if their property is of sufficient value to entitle them to a vote at any municipal election. Leaseholders may also vote who have a lease and have covenanted to pay all municipal taxes in respect of the property leased.

An interesting meeting of the Epworth League was held at Newton Brook Monday evening. It was "Temperance Night," and short addresses were given on that important subject by Rev. Mr. Brace, Mr. J. W. Braeker and others. The political aspect brought the discussion dangerously near to a disagreement, but this was avoided by the wisdom and tact of the chairman. Musical and literary selections also formed an interesting feature of the programme.

Happiness depends largely on digestion and the secret of proper digestion is in the purity of food. Buy your table supplies of Atkinson & Switzer and be happy.

THE BANNER ALARMED!

The Aurora Banner is quite exercised over the fact that Richmond Hill is likely to grant \$528.75 to the James Bay Railway Company to build a station on the border of this municipality. Last week's Banner said:—"One would think the railway company would be glad to build a station without asking a bonus in order to obtain the traffic from the village." Let us inform our northern cotem., who appears to show so much anxiety about our welfare, that the Railway

Company is not asking for a bonus. A former survey located the track a couple of miles from our village, and the offer was made to the company to give them land for a station and station yard if they would change their line so as to touch this municipality. If the railway could be induced to touch Aurora on similar terms we believe the Banner would be only too pleased to favor the proposition.

What is it.

The Mucous Membrane and the Important Part it Plays in the Health or Sickness of the Body.

The Mucous Membrane is the inside lining of the body, and of all its vessels and organs. The moment this mucous membrane becomes out of condition, ever so little, illness follows swiftly, in some form or other.

In ninety-nine cases of a hundred disease has its beginning in some derangement of this Mucous Membrane.

It is very delicate and extremely sensitive, and consequently very liable to disease.

If you are not feeling well you may be sure that the Mucous Membrane of some organ is sick and requires immediate treatment.

There is one medicine that is intended to act, and does act, directly and curatively on the Mucous Membrane. It is Dr. Leonard's Anti-Pill.

Dyspepsia, Biliousness, and Constipation disappear as soon as Dr. Leonard's Anti-Pill has restored the Mucous Membrane to its natural healthy condition. 50 cents a bottle, at all Druggists, or The Wilson-Flye Co., Limited, Niagara Falls, Ont. Sole agents for Canada.

Re Policy 15,344.

DEAR SIR,—Twenty years ago I took out a policy in the Confederation Life Association on the Endowment plan. This policy has now matured and I must say that I am agreeably surprised at the splendid results. You have not only carried my insurance for the full 20 years but you have paid me back over \$300 more than I paid in. I am sorry I did not take a larger policy, as I now know from experience that a policy in the Confederation Life Association is a first-class investment in every way.

I also desire to thank the Company for the promptness with which the money has been paid to me, cheque in settlement of the full amount having been placed in my hands several days before actually due.
