\$5 REWARD.

Reeve Savage has had cardboard notices posted up offering a reward of \$5 for information which will lead to the conviction of any person defacing or injuring property belonging to the corporation. It is all very well for boys to have their amusement, but there is no amusement in destroying property.

The many friends of Mr. Jno. G. Cogswell, formerly of Thornhill, will be pleased to learn that he has graduated in the American College of Medicine and Surgery of Chicago, taking honors, and capturing a prize of eighteen months' internship in the Cook Co. Hospital, one of the largest hospitals in the world. Last year 40,000 patients were treated in it. Our congratulations.

ERROR IN PRIZE LIST.

An error crept into the prize list of the R. H. & Y. S. Agricultural Society's Fair. On page 3, class 2, Canadian Draught, the list says that prizes of \$3 and \$2 will be given for colt or filly foaled in 1904. The year is wrong. The prizes will be given for colt or filly foaled in 1905. Prizes will also be given for colt or filly one year old.

HOT DINNER.

The ladies of the Presbyterian church will provide a hot dinner and tea in the basement of the church on Victoria Day, Wednesday, May 24, to which their patrons and friends are cordially invited. Dinner from 11 a. m. to 2 p. m.; tea from 5 to 7 p. m. Tickets, 25 cents; children, 15 cents.

Mr. Sanderson will conduct the pupils through their drill exercises. A cordial invitation is extended to the Board of Education and other friends.

FIRE-CRACKERS.

The fire-cracker nuisance has started a little earlier than usual this season. Several elderly people have been annoyed by having fire-crackers thrown almost in their faces, and a number of spirited horses have been frightened. Besides being a nuisance there is always more or less danger of them starting fires. People say that boys should not play with them, but are they any more guilty than the storekeepers who sell the explosives?

NO CORRECT GUESSES.

Last week the advertisers offered a prize of \$5 to the first person guessing the advertiser who will use the lower part of the last column in THE LIBERAL, page 1. Guesses were sent in from Richmond Hill, Oak Ridges, Carrville, Vellore, Toronto, Thornhill and other places, but none of the guesses were correct. By new advertisement it will be seen that the space is occupied by A. Winger & Son, Carrville, builders of cement block houses.

BEST DRILLED CLASS.

So far this prize has never been taken or competed for. Pupils taking part in the competition are also admitted to the Fair for 10 cents. We wonder that some of the enterprising teachers in this section of country do not make an effort to capture the prize, and give an exhibition drill.

THE FAIR.

The secretary has already taken a large number of entries for the Fair on Victoria Day, and, barring bad weather, everything looks prosperous for a great exhibition. Good music will be furnished by the Governor-General's Body Guard Band, and there will be a good program of trotting or pacing races, and athletic sports, including football. The prizes offered for horses, cattle, sheep, poultry, etc., are larger than ever before. The last item on the program will be the concert to be held in the Agricultural Hall in the evening.
