 Many who were looking forward to having a good time on the holiday were disappointed when the rain came. The number that attended the festival was not nearly so large as if the day had been fine, but all who came enjoyed the sports and the tea and the concert. In the afternoon a football match was played between a junior team from Bathurst street Methodist church and the Maple junior team, which resulted in a defeat for the visitors by a score of 1 to 0. After the game a number of races were run, and following are the names of the prize winners:—100 yards race (open), 1st, P. Wood; 2nd, R. Fluke. 200 yard race (open), 1st, P. Wood; 2nd, Russel Wood. Three-legged race, 1st, W. Cousins, R. Wood; 2nd, W. Oliver, C. Whitmore. 200 yard race (boys under 16), 1st, A. Robinson; 2nd, C. Walker. 100 yard race (boys under 16), 1st, A. Robinson; 2nd, W. Cousins. 75 yard race (boys under 12), 1st, Carl Saigeon; 2nd, Howard Knight. 50 yard race (girls under 16), 1st, Laura Oliver; 2nd, Stella Wood. Boys' race (under 9), 1st, J. Orr; 2nd, C. Badger. Girls' race (under 9), 1st, Dell Saigeon; 2nd, L. Wilson. 50 yard race (girls under 12), 1st, L. Oliver; 2nd, S. Wood. Block race, 1st, Lloyd Wood; 2nd, P. Wood. Potato race, 1st, P. Wood; 2nd, R. Wood. Boot race, 1st, R. Wood; 2nd, A. Jewett. On account of the wet evening tea was served in the vestry, after which a concert was given in the church. The chair was occupied by Mr. Leeds Richardson, and short addresses were given by Rev. W. G. Back and the pastors of the church. The Cornish Orchestra of Toronto delighted all with their selections and were encored after every number. Miss M. Robinson and Mr. Routley of Toronto gave several solos. The proceeds amounted to \$125.  
 Revs. J. Wilson and G. Kitchen preached their introductory sermons to large congregations on Sunday last.

**Mount Pleasant**  
 The Rev. Mr. Sexsmith, pastor of the Methodist Church, who is in the place of the Rev. H. O. Mounter, delivered his first discourse on the 2nd inst. The subject was "The Vine and its Branches."  
 The Rev. Mr. Webster of Oakwood, occupied the pulpit of the Presbyterian Church in the absence of Rev. Mr. Whittan. His subject was "The Son of Man Came to Seek that which was Lost."  
 Mr. and Mrs. W. J. McLean and daughter were visitors at the home of Mr. and Mrs. J. McLean. They found the air in this locality superior to that found in the City of Toronto, but like all western citizens the pressure of business would not allow them to take sufficient time to enjoy its healing virtues.  
 The crops are very promising at this season of the year.  
 The Sunday School picnic held on the 1st inst. was well patronized and they had a good time. The children were delighted with the amusements provided.

**Thornhill.**  
 Mr. Wm. Eady is again under the Dr.'s care. We hope for his speedy recovery.  
 Last Monday Mr. and Mrs. J. E. Francis went to the West for a holiday trip.

 Mr. Robert Clark, the newly appointed postmaster has assumed his duties in Grice's Block.  
 Misses Bell of Toronto were the guests of Mrs. Little during the holiday.  
 The Presbyterian picnic was a financial success, notwithstanding the inclemency of the weather.  
 Some of our boys are writing at the departmental examinations now in progress in Richmond Hill.

**Newmarket vs. Richmond Hill**  
 Mr. A. G. Savage, secretary of the Richmond Hill Lacrosse Club, has handed in the following for publication:—  
 Our lacrosse team spent Dominion Day at Aurora in response to the invitation of the S.O.E., at whose demonstration they crossed sticks with the Newmarket team. Being aware that it would be impossible to place a full team on the field, the manager agreed to participate in the day's sports only on being assured by Mr. H. Lennox that he would provide three players to make up the complete dozen. This promise Mr. Lennox failed to keep, supplying only one. The result was that the Hill had to place a junior player on the field and play 11 men to 12 for three-quarters of the time. How costly Mr. Lennox's failure proved to the boys in green is understood when it is considered that at quarter time the score stood 2 to 1 in our favor, and at the expiration of the game 4 to 2 in Newmarket's favor, they winning three goals with the decided advantage of an additional player. The game was replete with scintillating combinations by both teams, varied by cross-checking and swiping which Mr. Sullivan, the referee, did not seem to realize were infringements on lacrosse etiquette. However our boys congratulate Mr. Sullivan that he filled the office as well as he did, being assured by his friends, he is affected with myopia.  
 The game ended with a display by the players and supporters of both towns of what resembled a revival of the good old game of quarter staff. Fortunately no serious harm was done, and our boys extend to Newmarket a congratulatory hand and wishes for their success in landing the Intermediate championship. Newmarket, they say, play the game with vigor and style which can only be acquired by long experience.  
 The teams lined up as follows:—  
 Sanderson Goal  
 Constable Michael  
 Simms  
 Sliver Glover  
 Newt  
 Delahaye  
 Butcher Hopper  
 Yap Glover  
 Pete Lyons

**Thomas A. Edison**, the inventor, in mapping out the problems of the future, gives first place to the necessity of fighting the bacteria which give us our diseases. Next to the actual bacteria of disease, the mosquitoes and flies are the most dangerous enemies of man. The mosquito with its bite injects into our veins malaria, yellow fever, and other fatal troubles. The fly, with spongy feet, collects the invisible germs of diseases, spreads them over our food and poisons us with typhoid, cholera and other plagues of the human race.  
 Dr. Pierce, the eminent physician of Buffalo, N. Y., says, "If each person will consider his system as an army of men which he controls as a general, and will see to its proper provisioning and that it has plenty of ammunition in the shape of good red blood, he will be able to overcome the enemy in these germs of disease." Every healthy man has five million red blood corpuscles to every square millimeter of blood. The best tonic for increasing the red blood corpuscles and building up healthy tissue is no doubt Dr. Pierce's Golden Medical Discovery. This medicine has been on the market for over a third of a century and numbers its cures by the thousand.  
 Many popular patent medicines or tonics are made up largely of alcohol and will shrink the corpuscles of the blood and make them weaker for resistance. What is needed is an alternative extract, like Dr. Pierce's Golden Medical Discovery, made of roots and herbs, without the use of alcohol, that will assist the stomach in assimilating or taking from the food such elements as are required for the blood, also an alternative that will assist the activity of the liver and cause it to throw off the poisons in the blood. When we have accomplished this we have put the system in a fortified condition so strong that it can repel the germs of disease which we find everywhere—in the street-cars, the shops, the factories, the bedrooms, wherever many people congregate, or where sunlight and good air do not penetrate.  
 Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.  
 Neglected constipation means headache, heart-burn, sour stomach, foul taste in the mouth, biliousness, pimples, and palpitation of the heart. Constipation is promptly cured by Dr. Pierce's Pleasant Pellets. One for mild cases, otherwise two.
