SOME CHOICE RECIPES.

all into a custard pan. Set this in tin kettle or a melon mold. a pan of water in oven and bake twenty minutes, or until "set." Usa whipped cream for top. This custard is good hot or cold.

Black Bean Soup .- One pint black beans, two quarts cold water, one small onion, two teaspoonfuls salt, one saltspoonful pepper, one spoonful mustard, one tablespoonful flour, moved with whiting. two tablespoonfuls butter, one lemon, two hard-boiled eggs. Soak beans over night. Boil in two quarts cold water. Fry onion in butter, add to beans. Simmer till done very soft. Rub beans through the colander. Put to boil, add salt, pepper and mus- with soapy water. tard. Thicken with the flour, which has been cooked with the butter. Slice lemon and eggs in tureen and pour the soup over them.

Orange Cake.-Two cups of sugar (granulated), two cups of flour (sifted), two small teaspoonfuls of baking powder, one-half cup of water, yolks of five eggs, and whites of two eggs, one grated orange. Bake in three layer pans.

Shepherd's Pie.-Fry one sliced onion in a quarter of a cupful of melted butter until of a golden brown, add a quarter of a cupful of flour, cook until frothy, then stir in gradually one pint of brown stock, season with salt and pepper, and cook three minutes. Now stir in three cupfuls of cold meat cut into small pieces, mix well, then turn into a buttered baking dish, cover with seasoned hot mashed potato, brush with egg, and

brown in the oven. Boston Brown Bread.—One cup of unsifted wheat flour, one of Indian meal, unsifted, one of rye meal, unsifted, one-half cup of molasses, onehalf cup of raisins, two teaspoonfuls of salt, one teaspoonful of soda. Mix with milk about as soft as gingerbread; steam three hours.

Pull Omelet-Melt a tablespoonful butter in a saucepan, stir in a scant tablespoonful of flour, add a halfcupful of hot milk and cook three whites of four eggs, beat the yolks season with a third-teaspoonful of salt and a half-saltspoonful of white pepper; add the white sauce, beating well, fold in the stiffly beaten whites and turn into a hot omelet pan containing a level tablespoonful of butter. Cover the pan and cook the omelet in a hot oven for ten minutes. Fold and remove to hot platter. Serve at once with strips of bacon crisped by cooking in the oven.

Banana Carlotte-Soak one and one-third tablespoonfuls of granulated gelatin in one-third of a cup of cold water. Heat one cup of banana pulp in a double boiler; when thoroughly hot add a scant cup of sugar. When the sugar is dissolved remove from the fire. Pour one-third of a cup of boiling water over the gelatin, then add the hot banana pulp. Add also the juice of a sour orange. Set the dish containing the mixture it begins to set fold into it the stiffly beaten whites of four eggs. Pour into a mold which has been lined with banana slices. Half the recipe might be enough.

Beef a La Mode.-With a sharp knife make through a round of beef incisions an inch apart. Into the holes thus made stick long strips of fat salt pork. Rub the meat with a dressing made of equal parts of oil and vinegar, seasoned with salt and pepper. Let the meat lie in this for eight hours. Put the meat into a covered roaster, pour a pint of beef stock around it and roast for four hours. Set away in the gravy with a weight on top. When cold

slice very thin and serve. Beef Loaf.-Mix together three pounds of chopped raw beef, onequarter of a pound of minced salt pork, one cup of cracker dust, two teaspoonfuls, each, of salt and pepper, and moisten all with two beaten eggs and a teaspoonful of onion juice. Work in two tablespoonfuls of melted butter, and pack in a greased mold. Cover; set in a roasting pan of boiling water and cook

in a steady oven for two hours. Let the loaf get cold in the mold before turning out.

Jellied Beef Tongue.—Boil a tongue and when cold place it in a trickshaped mold. Into a pint of seasoned and heated beef stock stir a half-box of soaked gelatin and when a man. Her organism is more comthis is dissolved pour the stock plex, her system more delicate. Her around the tengue in the mold. When health is disturbed regularly in the cool, set on the ice until the jelly course of nature. If anything hapis very firm. Turn out on a cold pens to interfere with that natural

## HINTS TO HOUSEKEEPERS.

Soak lamp wicks in vinegar, then dry them thoroughly to keep the lamp from smoking.

Discolorations on china baking dishes and custard cups can be re-

A little borax in the last rinsing water will make handkerchiefs easier to iron and look better when done. A useful thing to remember is that the iron will not stick to the clothes if the starch used has been mixed

Kitchen towels should be washed out every day after the dinner things are washed and boiled at least once

If a lamp gets overturned water will be of no use in extinguishing the flames. Earth, sand or flour thrown on it will have the desired

Wooden spoons should be used always when making sauces and beating cake. If metal spoons are used they become ground down at the point and also wear out the sauce-

Never wear new stockings until you have had them washed, for the washing somewhat shrinks and toughens the fibre of the wool and they will not be so liable to go into holes as if worn directly they were bought.

Match marks on a polished or varnished surface may be removed by first rubbing them with a cut lemon and then with a cloth dipped

When the stopper of a decanter sticks first wring a cloth out of very hot water and wind it round the neck of the bottle. The heat will cause it to expand when the stopper may be removed.

If gloves are not allowed to become too soiled before cleaning they can be made to look quite new minutes. Separate the yolks and again by the use of benzine. Many patent glove cleaners are on the market, but after all is said and done there is nothing so good as

> Nothing acts on iron rust in cloth so quickly as lemon juice and salt. Be sure that the materials is well wet with the lemon and completely cover the spot with salt. After reasonable exposure to strong sunlight not a trace of the rust will

# TO MEND GRANITE.

It has long been thought that mending granite or wood fibre is an impossibility, but after a little experience one learns that such mending can be done, and at home, with almost no expense.

gins to leak, the hole may be enlarged a little and a copper rivet ment, very little strength, and the in a pan of ice water. Just before leak is effectually stopped. Different sizes of copper rivets may be bought at the hardware store, probably for will likely mend all the graniteware that one would use in a lifetime. The rivet has a head on one end, the small end is inserted in the hole in the article to be mended, it is pressed through, and then the vessel placed upon something firm and the end of the rivet hammered down or flattened out to hold it in place. The rivets are soft and easily manipulated. It is best to mend a hole as soon as it appears, for if left to become too large, the granite is liable to peel off for some distance around, and if it does the ware will not hold the rivet, but will chip away.

not stronger in that place.

# THE ARGUMENT WAS SOUND.

sitting opposite to him, and said: "Have you a match?"

"Yes; but I haven't got a cigar, was the prompt reply. "Then you can't want the match," sweetly returned the first man.

was an athlete." "Well, is she?" es; she has thrown me over."

# WHAT WOMEN SUFFER.

At All Ages They Need Rich, Pure Blood to Secure Health and Happiness.

A woman needs medicine more than course, she goes through unspeakand happiness and freedom from pain to every woman. Mrs. Neil Ferguson, Ashfield, N. S., says: "In justice to you, and in the hope that what I say may benefit other suffering women, I take pleasure in stating that I have found wonderful benefit from the use of Dr. Williams' Pink Pills. When I began using the pills I was so badly run down that I could scarcely go about; at times I suffered very much and felt that life was a burden. Thanks to Dr. of the Bank for the year ending 31st May, 1905. Williams'. Pink Pills, I can now say pills to other suffering women." Dr. Williams' Pink Pills cured Mrs.

Ferguson because they filled her veins with the rich, pure blood so necessary to the health and happiness of every human being. It is for this reason that these pil's always cure such troubles as anaemia, neuralgia, heart trouble, indigestion. rheumatism, sciatica, St. Vitus dance, paralysis, kidney and liver troubles, and the special ailments of growing girls and women of middle age. You can get these pills from any dealer in medicine, but you should be careful to see that the full name, "Dr. Williams' Pink Pills for Pale People," is on the wrapper around each box. If you wish you can get the pills by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

# A DIMINISHING COMPANY.

As the liner cleared the heads and the heavy swell of the open Atlantic became noticeable, dinner was served. The twenty-six places at the captain's table were filled, says Puck; and as the scup appeared, the captain addressed his table companions. wi trust that all twenty-five of you will have a pleasant trip," he said, "and that this little assemblage of twenty-four will reach port much benefited by the voyage. I look upon the twenty-two smiling faces as a father upon his family, for I am responsible for the lives of this group of nineteen. I hope all fourteen of Dividend No. 59, payyou will enjoy the trip. t believe we seven fellow passengers are admirably suited to each other, and I applaud the judgment which chose from the passenger list these three persons for my table. You and I, my dear sir, are- Here, steward, bring on my fish and clear away these dishes."

# A LAWYER'S REWARD.

When Blaine was a young lawyer and cases were few, he was asked to When a granite basin or kettle be- defend a poverty-stricken tramp accused of stealing a watch. He pleaded with all the ardor at his comdriven into it. It takes but a mo- mand, drawing so pathetic a picture with such convincing energy that on closing of his argument the court was in tears and even the tramp wept. The jury deliberated but a five cents a package assorted. These few minutes and returned the verdict, "Not guilty." Then the tramp drew himself up, tears streamed down his face as he looked at the future "plumed knight," and said: "Sir, I never heard so grand a plea. I have not cried before since I was a child. I have no money with which to reward you, but (drawing a package and welcome."-Boston Herald.

# BABY'S DANGER.
