Six-for-one dollar tickets for the Toronto Exhibition may be purchased from Mr. H. A. Nicholls who has been fortunate in securing a limited number. These tickets admit to Grounds, Grand Stand in afternoon or Abbey's Coronation Picture. Secure at once.

We expect to do better than anyone else in order to bring you here past all the other stores.—Atkinson & Switzer.

The committee of management are overhauling the public school building preparatory to the re-opening in September. The front windows are greatly improved in appearance by having the frosting scraped off. With new blinds the school will present a much better appearance from Yonge street, and the interior will certainly be more cheering for both teachers and pupils.

### RELIGIOUS MEETINGS.

Evangelistic meetings conducted by Mr. Bragdon and Mr. Nelson are being held in a tent in the park every week evening, commencing at 7.45, and on Sunday afternoons at 3 o'clock. We have no doubt the gentlemen are here for the saving of souls, and it is hoped that good may result from the meetings.

### A PRIZE WINNER.

Judging from press reports Mr. James Andrews, of Miami, Man., formerly of this place, has a valuable roadster. We clipped the following item from the *Morden Chronicle* of 3.d inst. :—"We were glad to see that College Chum took the red ticket at Winnipeg Fair in the standard bred class Jimmy Andrews certainly has a model, and as the judge stated he could make good money if imported back east. This is the second time he has won at Winnipeg."

The whole conduct of business here is based on enlarging your good opinion of the store and bringing you twice as often.—Atkinson & Switzer.

### THE CENTRAL BUSINESS COLLEGE OF TORONTO.

No institution of learning in Canada enjoys greater publicity or stronger public confidence than the Central Business College of Toronto. The Principal, Mr. W. H. Shaw, is a believer in the use of the press, and by supporting his announcements by the most thorough work possible on behalf of his patrons, who are so universally successful, he has brought his school into well deserved prominence. The Fall session begins on Sept. 5th, as per card in this issue.

### TO GENTLEMEN.

Mr. H. C. Bailey, of Maple, is distributing a circular this week among his patrons making a special announcement to gentlemen that he has secured the agency for the Crown Tailoring Co., of Toronto. The circular states that: "This firm are the acknowledged leaders in high-class ordered clothing in Canada, while their prices are from 20 to 30 per cent. less than those usually charged for made-to-order clothing. Mr. Bailey guarantees fit and wear, and invites the gentlemen in Maple and vicinity to call and look over his hundreds of samples.

Can suit everybody—Atkinson & Switzer with their made-to-measure suits.

### BUSINESS EDUCATION.

The well-known Elliott Business College of Toronto has enjoyed a splendid patronage during the present year, and this is no doubt due to the superior training that the College imparts. The Fall Term opens on Sept. 5th, and already many have signified their intention of being present on the opening day. "Thoroughness is the keynote of this Institution" is the motto of the Elliott Business College, Toronto. All the graduates secure positions, and the demand for students to fill good positions has, during several months of the year, been fully six times the supply.

Ask for sample of our 25c. May-picked Japan Tea. Special in 5-lb. lots; 22c. lb.—Atkinson & Switzer.

### THE GRUBB PICNIC.

Mr. Jerry Smith, jeweller and watchmaker, received by mail a few days ago, a note inviting him and all who are connected with the Grubb family to attend a meeting at Saifoga Park near Pottstown, Pa., on Saturday, Sept. 2. The meeting is called "for the purpose of a re-union and the forming of a permanent organization of the descendants of Henry Grubb, who came to America and settled on Society Run, in Frederick Township, Montgomery Co., Pa., in 1718." Those receiving invitations are requested to tell other members of the Grubb family. The invitation concludes with the following sentence:—"Bring your dinners and have a good old-fashioned family gathering."

Full stock of Coffees in green and roasted. Will grind for you while you wait a fine coffee at 30c. lb.—Atkinson & Switzer.

### A NEIGHBORLY ACT.

On Monday evening of this week the employees of the L. Innes & Sons' factory and mill, headed by the genial dusty miller, met in a ten-acre field of wheat belonging to Mr. Chas. Boynton (who has been unwell for the last few months.) The wheat had been cut and bound on Saturday, therefore all there was for the boys to do was to shock it up. Although not farmers, they did the trick in a workmanlike manner, and in less than two hours had the whole of it done in a very creditable way indeed. Mr. Boynton heartily thanked all who took part, and proposed three cheers for the boys of Slab Town. He then invited them to the house, where Mrs. Boynton served refreshments which the boys seemed to handle equally as well as they had done the wheat. All went home feeling they had spent a pleasant and profitable evening.

Fine Rangoon Rice 5c. lb., best Japan Rice 8c. lb., best Carolina Rice 10c. lb., Pearl Tapioca 4c. lb.—Atkinson & Switzer.

### NIGHT FOOTBALL.

The junior football team harnessed up Saturday evening and proceeded to Victoria Square to play the return match with the team of that place. The Hill team had some difficulty in procuring a van suitable to the occasion, but they finally engaged Capt. Lloyd Soules' furnace wagon, which was supplied with soap boxes in the absence of spring seats. They went by way of Elgin Mills, where they were reinforced by a strong player or two, and presented a formidable appearance as they entered the eastern village. Had their opponents been ready to take the field on the arrival of the western men they would have had half-an-hour's play before dark, but such was not the case. It was quite dark before the players lined up. There were no fouls—at least nobody saw any—and the game was stopped after fifteen minutes, as they were afraid of losing the ball. As far as could be seen no goals were scored.

Man should not spend all his time studying himself! He is not worth it! Better be studying some of Atkinson & Switzer's advertisements.
