GREAT IRRIGATION PROJECT.

A great irrigation project, involving an expenditure of about \$25,000,000, has been authorized by the Secretary of State for India. The area commanded by the canals is about 6,250 square miles, although only a small part of it will be reached for a number of years to come. In this area it is estimated, about 3,000 square miles will be irrigated. The water will be taken from the Jhelum River, in which there is now unappropriated at the site of the headworks a flow of 5,600 to 7,900 cubic feet per second. It is believed that the investment of public funds in these works, great as the sum may be, is well warranted by the economic advantages of the undertaking and the reasonable assurance of ample interest payments.

ALL TWINS IN THIS.

Extraordinary Marriage Will be Celebrated in Paris.

An extraordinary marriage will take place in Paris shortly, when the twin brothers Charneau, both of whom are painters of repute, will marry the twin sisters Renaud, two beautiful girls who are only 18 years of age. The best men at the double wedding will be another pair of twins, who are cousins of the twin bridegrooms.

Alphonso and Gabriel Charneau are so absurdly alike that they have been the victims of ludicrous mistakes all their lives. Their mother is a widow, and on this account one of the twins was excused military service.

Wishing not to be separated from his brother, he went to live in the town where his twin was quartered. He was arrested four times during the first week, and accused of appearing in public without uniform. He had the greatest difficulty in convincing the authorities that he was not the conscript.

The brothers are so fond of each other that they had resolved never to marry. But they both fell in love almost simultaneously. Their sweethearts were also almost undistinguishable, and mistakes occurred so frequently that each twin began to dress for the first time in a different costume.

HE IS EMPHATIC IN WHAT HE SAYS

DODD'S KIDNEY PILLS CURED ROBT. BOND OF BRIGHT'S DISEASE.

His Doctor Who Said There Was No Hope for Him, Now Pronounces Him Well — He Tells His Own Story.

Mt. Brydges, Ont., Jan. 29.—(Special.)—Among the many people in this neighborhood who tell of the great work Dodd's Kidney Pills are doing, none is more emphatic than that old and respected citizen, Mr. Robert Bond.

"I believe I owe my life to Dodd's Kidney Pills," Mr. Bond says. "My attending physician said I was in the last stages of Bright's Disease and that there was no hope for me. Then I commenced to take Dodd's Kidney Pills and used in all twenty boxes. Now I eat well, sleep well, and my doctor says I am well. Dodd's Kidney Pills and nothing else cured me. Do you wonder I am always ready to say a good word for Dodd's Kidney Pills?"

What will cure Bright's Disease will easily cure any other form of Kidney Disease. Dodd's Kidney Pills will always cure Bright's Disease. They are the only remedy that will cure Bright's Disease. Be sure and get Dodd's.

Young Skipjack: "Ah—I should like to cross that field; do you think—ah—that cow would hurt me?" Farmer: "Did you ever hear of a cow hurtin' a calf?"

A Clear Healthy Skin.—Eruptions of the skin and the blotches which blemish beauty are the result of impure blood caused by unhealthy action of the liver and kidneys. In correcting this unhealthy action and restoring the organs to their normal condition, Parmelee's Vegetable Pills will at the same time cleanse the blood, and the blotches and eruptions will disappear without leaving any trace.

DRESSED UP.

Oratory is merely talk with a frock coat on.

"I'd rather be dead than suffer again the tortures of insomnia, palpitation and nervous twitching of my muscles induced by simple neglect of a little indigestion." These are the forceful and warning words of a lady who proclaims that her cure by South American Nerveine when everything else had failed was a modern miracle. A few doses gives relief.—92

SHE KNEW HIM.

"Mr. Grouch went to a masquerade the other evening disguised as a bear." "Did any one recognize him?" "Only his wife."

Do not give up in despair, you who suffer from obstinate disfigurements of the skin. Annihilate the sore spots with Weaver's Cerate and purify the blood with Weaver's Syrup. All druggists keep them.

HIS AIM.

Die when I may, I want it said of me by those who know me best that I always plucked a thistle and planted a flower where I thought a flower would grow.—Abraham Lincoln.

Puts You on Your Feet and keeps you there That's what "Ferrovim" does for all those re-covering from wasting diseases. It is the best tonic in existence. It stimulates, nourishes and builds up the system.

Mrs. Homebody: "Home is the dearest spot on earth, after all." Mr. H.: "Yes, when you count in the rent and the servants' wages."

Be There a Will Wisdom Points the Way.—The sick man pines for relief, but he dislikes sending for the doctor, which means bottles of drugs never consumed. He has not the resolution to load his stomach with compounds which smell villainously and taste worse. But if he has the will to deal himself with his ailment, wisdom will direct his attention to Parmelee's Vegetable Pills, which, as a specific for indigestion and disorders of the digestive organs, have no equal.

"Don't cry!" he intreated. Then he perceived that her handkerchief was edged with the most exquisite lace. "Don't weep!" he said, correcting himself.

Kidney Search Lights.—Have you backache? Do you feel drowsy? Do your limbs feel heavy? Have you pains in the loins? Have you dizziness? Have you a tired dragging feeling in the regions of the kidneys? Any and all of these indicate kidney troubles. South American Kidney Cure is a liquid kidney specific and works wonderful cures in most complicated cases.—94.

Don't believe the world owes you a living. The world owes you nothing. It was here first.

These two desirable qualifications, pleasant to the taste and at the same time effectual, are to be found in Mother Graves' Worm Exterminator. Children like it.

Sunlight Soap is better than other soaps, but is best when used in the Sunlight way. Buy Sunlight Soap and follow directions.

"That bass voice is a powerful one, isn't it?" "Yes; I notice it has a deal of hoarse power."

Intelligent Treatment with Allen's Lung Balm brings up the phlegm, stops the cough and pain in the chest, overcomes those terrible colds which, neglected, lead to consumption.

"You've got a good collection of works of fiction, Smithers?" "Pretty fair. My wife bought them to look for a poetic name for the baby." "Ah! and what did you call her?" "Susan!"

Sudden Deaths on the Increase.—People apparently well and happy to-day, to-morrow are stricken down, and in ninety-nine cases out of every hundred the heart is the cause. The king of heart remedies, Dr. Agnew's Cure for the Heart, is within reach of all. It relieves in 30 minutes, and cures most chronic diseases.—91

She: "Did papa say anything to you about your being too young?" He: "Yes; but he said when I once began to pay your bills I would age rapidly enough."

Bickle's Anti-Consumptive Syrup is the result of expert chemical experiments, undertaken to discover a preventive of inflammation of the lungs and consumption, by destroying the germs that develop these diseases, and fill the world with pitiable subjects hopelessly stricken. The use of this Syrup will prevent the dire consequence of neglected Colds. A trial, which costs only 25 cents, will convince you that this is correct.

Hamilton Livingstone, an ex-rate collector of Newry, was at Belfast sentenced to five years' penal servitude for misappropriating almost £1,000 of trust money and embezzling a considerable amount received for rates. After committing the offences he absconded to Canada.

One Thousand Farmers Wanted.

We want 1,000 farmers for Western Canada for the spring of 1906. The renter, the young farmer with very limited small capital, and the farmer with a number of sons for whom he wishes to secure farms, are the people who should write us as quickly as they read this notice. We can settle you in the great wheat-belt of Manitoba or the other Provinces of Western Canada, and give you such a chance as we confidently believe has never before been offered to settlers in any new country.

Our lands are the choicest, and situated in the best tried and the best settled farming and wheat-raising districts, and our plans are such as will surprise you by reason of their fairness and helpfulness. A man with a few hundred dollars and with health and energy, by adopting one of them, can in a very short time be well-to-do.

The ordinary settler coming here has to break his land and backset it the first year, and therefore does not secure any return from the land until the harvest of the following year is reaped. Under our plans, the settler will begin to have an income from the start, and at the same time will be going on getting ready his land for cropping. If you intend coming to Western Canada to farm, we can thus put you in the way of helping yourself from the first day that you arrive here, and thus of being independent. We want one thousand settlers for the spring of 1906.

Our lands have been all very carefully selected, and we guarantee the reports of our examiners on the same. No person need apply whose habits are not good, and who is not able to produce first-class references as to his character and industry.

Address, Western Canada Settlers' Mutual Land Co., 23 Canada Life Building, Winnipeg.

"I noticed after you left the house this morning you went back again. Don't you know that's unlucky?" "Well, it would have been a good deal more unlucky for me if I hadn't gone back. My wife called me."

A Merry Heart Goes all the Day.—But one cannot have a merry heart if he has a pain in the back or a cold with a racking cough. To be merry must be well and free from aches and pains. Dr. Thomas' Electric Oil will relieve all pains, muscular or otherwise, and for the speedy treatment of colds and coughs it is a splendid medicine.

Johnny: "I wish my folks would agree upon one thing and not keep me all the time in a worry." Tommy: "What have they been doing now?" Johnny: "Mother won't let me stand on my head, and dad is all the time fussing because I wear my shoes out so fast."

Rheumatism — What's the Cause? — Where's the Cure?—The active irritating cause of this most painful of diseases is poisonous uric acid in the blood. South American Rheumatic Cure neutralizes the acid poison. Relieves in 6 hours and cures in 1 to 3 days.—90.

"How still they are," remarked Mrs. Frobb, apropos of the young couple in the next room. "Yes," replied Mr. Frobb, "it reminds me of my army days. It was always wonderfully quiet just previous to an engagement."

Everyone Thinks his own cross is the heaviest! When confined to the house with a pain in the side for instance, but it would be quickly forgotten if The D & L's Menthol Plaster was applied. They only cost a trifle, why not try them?

"You used to tell me I was bird-like," complained the fond wife. The husband continued to bury his nose in the paper. "You used to tell me I was bird-like," repeated the fond wife; "but now you never act as if you thought so." "You're still bird-like," growled the husband. "One wouldn't think you thought so, to judge by—" "Isn't a parrot a bird?"
