# Terrorists' Hand Raised Russia's Officialdom.

SHADOW OF TERROR.

A despatch from St. Petersburg says The hand of the terrorists is now raised against all classes of officialdom, military and civil, which are called upon to curb the revolutionary movement. The shadow of terror hangs over those who are on the list of "enemies of liberty' high on which are the names of Interior Minister Durnovo, Vice-Admiral Doubasoff, Governor-General of Moskow, and the Baltic provinces. Every precaution has been taken to protect them, but history has shown that the ingenuity of the terrorists is sure to be successful sooner | tionists have been arrested, but a numor later. Mme. Doubasoff, who is a sister of M. Sipiaguine, the former Minis- koff, the military Governor of Chita, bas ter of the Interior, who was assassinated in 1902, is so alarmed for the Admiral's Gen. Rennenkampff reports that the safety that she is imploring him not to return to Moscow. It is noticeable that | tion of Transbaikalia.
